### A Civil Action

The fascinating and very moving story of the lovers, lawyers, judges and activists behind the groundbreaking Supreme Court case that led to one of the most important, national civil rights victories in decades—the legalization of same-sex marriage. In June 2015, the Supreme Court made same-sex marriage the law in all fifty states in a decision as groundbreaking as *Roe v Wade* and *Brown v Board of*

Education. Through insider accounts and access to key players, this definitive account reveals the dramatic and previously unreported events behind *Obergefell v Hodges* and the lives at its center. This is a story of law and love—and a promise made to a dying man who wanted to know how he would be remembered. Twenty years ago, Jim Obergefell and John Arthur fell in love in Cincinnati, Ohio, a place where gays were routinely picked up by police and fired from their jobs. In 2013, the Supreme Court ruled that the federal government had to provide married gay couples all the benefits offered to straight couples. Jim and John—who was dying from ALS—flew to Maryland, where same-sex marriage was legal. But back home, Ohio refused to recognize their union, or even list Jim’s name on John’s death certificate. Then they met Al Gerhardstein, a courageous attorney who had spent nearly three decades advocating for civil rights and who now saw an opening for the cause that few others had before him. This forceful and deeply affecting narrative—Part Erin Brockovich, part Milk, part Still Alice—chronicles how this grieving man and his lawyer, against overwhelming odds, introduced the most important gay rights case in U.S. history. It is an urgent and unforgettable account that will inspire readers for many years to come.

## **Truth in Our Times**

I believe in the law. Peace sign, red heart and the scales of justice on a cool Peace Love Justice journal. A great notebook gift for someone in the legal profession,

such as an attorney, lawyer, prosecutor, or judge. Order this blank book for a recent graduate from law school or a justice of the peace.

## **Just Mercy**

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth—and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

## **For the Love of Humanity**

## **Legal Issue**

## **Love Does**

What is it about lawyers that has made them the butt of hundreds and hundreds of jokes over the centuries? Whatever the reason, everyone—including lawyers and judges themselves—has laughed at attorney-aimed humor. Now here is the best and most recent collection of jokes, anecdotes, quotations, and proverbs that poke fun (. . . and malice) at the legal profession. In summation, you must find *The World's Funniest Lawyer Jokes* guilty of disorder in court and sentence all who read this perfect gift for any lawyer, client, judge, law student, or wannabe attorney to many hours of laughter.

## **The Official Guide to Legal Specialties**

Thrust into the limelight, child star Cassandra timidly enchanted audiences night after night.... But when her parents died, Cass retreated into her own world—too shy to leave her home. Once a year she shares her musical passion by offering lessons in a charity auction.... This year, money talks. The winning bid: \$100,000! Enter Neo Stamos, arrogant Greek tycoon. He wants Cass with a burning desire, though he knows that, shy and sweet, she will need a gentle awakening.... But Neo's the master of seduction!

## **Legally Blonde**

#1 New York Times Bestseller A Reese Witherspoon x Hello Sunshine Book Club Pick "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review "Perfect for fans of Barbara Kingsolver."--Bustle For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Perfect for fans of Barbara Kingsolver and Karen Russell, *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

## **Tools and Weapons**

On February 15, 2003, millions of people around the world demonstrated against the war that the United States, the United Kingdom, and their allies were planning to wage in Iraq. Despite this being the largest protest in the history of humankind, the war on Iraq began the next month. That year, the World Tribunal on Iraq (WTI) emerged from the global antiwar movement that had mobilized against the invasion and subsequent occupation. Like the earlier tribunal on Vietnam convened by Bertrand Russell and Jean-Paul Sartre, the WTI sought to document—and provide grounds for adjudicating—war crimes committed by the United States, the United Kingdom, and their allied forces during the Iraq war. For the Love of Humanity builds on two years of transnational fieldwork within the decentralized network of antiwar activists who constituted the WTI in some twenty cities around the world. Ayça Çubukçu illuminates the tribunal up close, both as an ethnographer and a sympathetic participant. In the process, she situates debates among WTI activists—a group encompassing scholars, lawyers, students, translators, writers, teachers, and more—alongside key jurists, theorists, and critics of global democracy. WTI activists confronted many dilemmas as they conducted their political arguments and actions, often facing interpretations of human rights and international law that, unlike their own, were not grounded in anti-imperialism. Çubukçu approaches this conflict by broadening her lens, incorporating insights into how Amnesty International, Human Rights Watch, and the Iraqi High Tribunal grappled with the realities of Iraq's occupation. Through critical analysis of the global debate surrounding one of the early twenty-first century's most significant

world events, *For the Love of Humanity* addresses the challenges of forging global solidarity against imperialism and makes a case for reevaluating the relationships between law and violence, empire and human rights, and cosmopolitan authority and political autonomy.

## **Divorce After 50**

Hard-hitting divorce lawyer James J. Sexton shares his insights and wisdom to help you reverse-engineer a healthy, fulfilling romantic relationship with *How to Stay in Love*. With two decades on the front lines of divorce Sexton has seen what makes formerly happy couples fall out of love and “lose the plot” of the story they were writing together. Now he reveals all of the “what-not-to-dos” for couples who want to build—and consistently work to preserve—a lasting, loving relationship. Sexton tells the unvarnished truth about love and marriage, diving straight into the most common issues that often arise from simple communication problems and relationships that develop by “default” instead of design. Though he deals constantly with the heartbreak of others, he still believes in romance and the transformative power of love. This book is his opportunity to use what he has learned from the mistakes of his clients to help individuals and couples find and preserve lasting connection. Previously published as *If You're In My Office, It's Already Too Late*.

## **True Crimes and Misdemeanors**

“For Erin Brockovich fans, a David vs. Goliath tale with a twist” (The New York Times Book Review)—the incredible true story of the lawyer who spent two decades building a case against DuPont for its use of the hazardous chemical PFOA, uncovering the worst case of environmental contamination in history—affecting virtually every person on the planet—and the conspiracy that kept it a secret for sixty years. The story that inspired *Dark Waters*, the major motion picture from Focus Features starring Mark Ruffalo and Anne Hathaway, directed by Todd Haynes. 1998: Rob Bilott is a young lawyer specializing in helping big corporations stay on the right side of environmental laws and regulations. Then he gets a phone call from a West Virginia farmer named Earl Tennant, who is convinced the creek on his property is being poisoned by runoff from a neighboring DuPont landfill, causing his cattle and the surrounding wildlife to die in hideous ways. Earl hasn’t even been able to get a water sample tested by any state or federal regulatory agency or find a local lawyer willing to take the case. As soon as they hear the name DuPont—the area’s largest employer—they shut him down. Once Rob sees the thick, foamy water that bubbles into the creek, the gruesome effects it seems to have on livestock, and the disturbing frequency of cancer and other health problems in the area, he’s persuaded to fight against the type of corporation his firm routinely represents. After intense legal wrangling, Rob ultimately gains access to hundreds of thousands of pages of DuPont documents,

some of them fifty years old, that reveal the company has been holding onto decades of studies proving the harmful effects of a chemical called PFOA, used in making Teflon. PFOA is often called a “forever chemical,” because once in the environment, it does not break down or degrade for millions of years, contaminating the planet forever. The case of one farmer soon spawns a class action suit on behalf of seventy thousand residents—and the shocking realization that virtually every person on the planet has been exposed to PFOA and carries the chemical in his or her blood. What emerges is a riveting legal drama “in the grand tradition of Jonathan Harr’s *A Civil Action*” (Booklist, starred review) about malice and manipulation, the failings of environmental regulation; and one lawyer’s twenty-year struggle to expose the truth about this previously unknown—and still unregulated—chemical that we all have inside us.

## **Educated**

## **The Shy Bride**

This book provides concrete advice on how to prevent divorce from the real experts on the subject: divorce lawyers. Based in in-depth interviews with 100 of America's leading divorce attorneys, *The Divorce Lawyers' Guide To Staying*

Married explains why divorce occurs and what can be done to immunize today's marriages from the ever-growing divorce epidemic.

## **The Street Lawyer**

This true story of an epic courtroom showdown, where two of the nation's largest corporations were accused of causing the deaths of children from water contamination, was a #1 national bestseller and winner of the National Book Critics Circle Award. Described as “a page-turner filled with greed, duplicity, heartache, and bare-knuckle legal brinksmanship by The New York Times, A Civil Action is the searing, compelling tale of a legal system gone awry—one in which greed and power fight an unending struggle against justice. Yet it is also the story of how one man can ultimately make a difference. Representing the bereaved parents, the unlikeliest of heroes emerges: a young, flamboyant Porsche-driving lawyer who hopes to win millions of dollars and ends up nearly losing everything, including his sanity. With an unstoppable narrative power reminiscent of Truman Capote’s In Cold Blood, A Civil Action is an unforgettable reading experience that will leave the reader both shocked and enlightened. A Civil Action was made into a movie starring John Travolta and Robert Duvall. From the Trade Paperback edition.

## **Exposure**

In this electrifying bestseller, the shrewd and voluble trial lawyer Louis Nizer, who made a long career of representing famous people in famous cases, recounts some of his significant civil and criminal cases. Nizer rose to national fame with his real-life accounts of tension-filled courtrooms and the fervor of the advocate, and “My Life in Court” proved to be no exception: it rose to the top of the Times’s best-seller list on its publication in 1961 and logged 72 weeks as a sales leader. The book is an in-depth collection of some of Mr. Nizer’s court case success stories, including his client Quentin Reynolds’ famous libel action against the columnist Westbrook Pegler, which would also become the basis of the 1963 Broadway play “A Case of Libel.” Praised by critics as “entertaining and philosophically instructive, an unusual combination,” Nizer’s movie-like plots of real-life courtroom drama will keep you captivated until the very last page.

### **Love Wins**

No one likes talking about death, taxes, or financial planning. ## **How to Stay in Love**

In *Point Made*, Ross Guberman uses the work of great advocates as the basis of a valuable, step-by-step brief-writing and motion-writing strategy for practitioners. The author takes an empirical approach, drawing heavily on the writings of the nation's 50 most influential lawyers.

## **My Life in Court**

The perfect gift for the lawyers in your life -- for law school graduation, birthdays, firm holiday gifts, retirement, or just because. More than 70 vignettes from life in the practice of law are rendered here as wryly humorous poems. Each one stands alone as the sort of snapshot one lawyer might forward along to another for a laugh or a knowing nod. Together, they comprise a collection to be treasured by anyone who has lived through law school, first jobs, thrilling victories, eye-opening disappointments, and the lifestyle particular to this career choice. This book is not about laughing at lawyers. It's about laughing with them. It's for everyone who's in on the joke: Everyone who has witnessed the madness and met the quirky characters in this field. Everyone who, even just for a second, has wondered if they

should have gone to medical school, culinary school anything other than law school. Everyone who has ever sat down at the end of an evening and thought, "No one would even believe me if I told them about my day." We believe you. Editorial reviews: "In many of the poems, the authors capture perfectly the oddities of law practice and law school. 'Sisterhood' may be one of the most insightful poems that could be enjoyed within any profession. These poems took the mundane and made it soar." - Arizona Bar Association "A book of candid truths and palpable honesty, with a sincerity that can only come from experience." - North Carolina Bar Association "A must-read for lawyers persisting in long-term practice who like to keep it light, who continue to muse on the sometimes bizarre world in which a lawyer finds himself or herself, and who simply enjoy a good poem." - Colorado Bar Association Featured on Above the Law and Bitter Lawyer. Named the SmallLaw Pick of the Week by TechnoLawyer. (Authors donate a portion of book proceeds to WomensLaw.org, The WomensLaw Project of the National Network to End Domestic Violence.)

## **Conquering His Virgin Queen**

TV journalist Mary Carelli admits that she shot and killed Mark Ransom, one of the world's most famous authors. She claims it was self-defense. She swears he tried to rape her. Now she has to prove it in a court of law—with her former lover acting as her attorney Christopher Paget is one of the top lawyers in the country. But

defending the mother of his son in the trial of the decade, he begins to have doubts. Is Mary telling the truth? Did she invent her story about the rape? What is she hiding? With each shocking revelation, Paget is forced to question his defense, his ethics, and the whole legal system. Because no one, not even the judge, is completely innocent. And guilt is a matter of degree

## **Point Made**

"A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit"--

## **Love, Death, and Money**

#1 NEW YORK TIMES BESTSELLER • With richly layered characters and a gripping moral dilemma that will lead readers to question everything they know about privilege, power, and race, *Small Great Things* is the stunning new page-turner from Jodi Picoult. SOON TO BE A MAJOR MOTION PICTURE “[Picoult] offers a thought-provoking examination of racism in America today, both overt and subtle. Her many readers will find much to discuss in the pages of this topical, moving book.”—Booklist (starred review) Ruth Jefferson is a labor and delivery nurse at a Connecticut hospital with more than twenty years’ experience. During her shift, Ruth begins a routine checkup on a newborn, only to be told a few minutes later that she’s been reassigned to another patient. The parents are white supremacists and don’t want Ruth, who is African American, to touch their child. The hospital complies with their request, but the next day, the baby goes into cardiac distress while Ruth is alone in the nursery. Does she obey orders or does she intervene? Ruth hesitates before performing CPR and, as a result, is charged with a serious

crime. Kennedy McQuarrie, a white public defender, takes her case but gives unexpected advice: Kennedy insists that mentioning race in the courtroom is not a winning strategy. Conflicted by Kennedy's counsel, Ruth tries to keep life as normal as possible for her family—especially her teenage son—as the case becomes a media sensation. As the trial moves forward, Ruth and Kennedy must gain each other's trust, and come to see that what they've been taught their whole lives about others—and themselves—might be wrong. With incredible empathy, intelligence, and candor, Jodi Picoult tackles race, privilege, prejudice, justice, and compassion—and doesn't offer easy answers. *Small Great Things* is a remarkable achievement from a writer at the top of her game. Praise for *Small Great Things* “*Small Great Things* is the most important novel Jodi Picoult has ever written. . . . It will challenge her readers . . . [and] expand our cultural conversation about race and prejudice.”—*The Washington Post* “A novel that puts its finger on the very pulse of the nation that we live in today . . . a fantastic read from beginning to end, as can always be expected from Picoult, this novel maintains a steady, page-turning pace that makes it hard for readers to put down.”—*San Francisco Book Review*

## **Small Great Things**

From Microsoft's president and one of the tech industry's wisest thinkers comes a frank and thoughtful reckoning with how to balance enormous promise and

existential risk as the digitization of everything accelerates.

## **Poetic Justice**

This volume gathers influential and cutting-edge scholarship on the international and domestic rights attaching to married couples and other adult relationships. Addressing examples from the European Court of Human Rights, UK, USA, Canada, Australia and South Africa, it traces contentious debates about the content of marital rights and responsibilities and whether law should reach beyond marriage, and if so how. Twenty-four essays and a substantial introduction highlight the complexity and contradictions as marital law grapples with gender equality, the aftermath of recognizing gay and lesbian rights, abiding economic inequalities, and ?exotic? issues such as forced marriage and polygamy.

## **The Divorce Lawyers' Guide to Staying Married**

""Positive Professionals' is a practical handbook of science-backed strategies to foster full engagement by enhancing people's experience of meaningful work, of feeling valued and valuable, and of growing and developing. The book's well-researched business case convincingly shows that greater engagement boosts not only individual well-being but also profitability, productivity, performance,

retention of talent, and client satisfaction."--Back cover.

## **Marital Rights**

From CNN chief legal analyst and bestselling author Jeffrey Toobin, a real-life legal thriller about the prosecutors and congressional investigators pursuing the truth about Donald Trump's complicity in several crimes--and why they failed. Donald Trump's campaign chairman went to jail. So did his personal lawyer. His long-time political consigliere was convicted of serious federal crimes, and his national security advisor pled guilty to others. Several Russian spies were indicted in absentia. Career intelligence agents and military officers were alarmed enough by the president's actions that they alerted senior government officials and ignited the impeachment process. Yet despite all this, a years-long inquiry led by special counsel Robert Mueller, and the third impeachment of a president in American history, Donald Trump survived to run for re-election. Why? Jeffrey Toobin's highly entertaining definitive account of the Mueller investigation and the impeachment of the president takes readers behind the scenes of the epic legal and political struggle to call Trump to account for his misdeeds. With his superb storytelling and analytic skills Toobin recounts all the mind-boggling twists and turns in the case--Trump's son met with a Russian operative promising Kremlin support! Trump paid a porn star \$130,000 to hush up an affair! Rudy Giuliani and a pair of shady Ukrainian-American businessmen got the Justice Department to look at Russian-

created conspiracy theories! Toobin shows how Trump's canny lawyers used Mueller's famous integrity against him, and how Trump's bullying and bluster cowed Republican legislators into ignoring the clear evidence of the impeachment hearings. Based on dozens of interviews with prosecutors in Mueller's office, Trump's legal team, Congressional investigators, White House staffers, and several of the key players, including some who are now in prison, *True Crimes and Misdemeanors* is a revelatory narrative that makes sense of the seemingly endless chaos of the Trump years. Filled with never-before-reported details of the high-stakes legal battles and political machinations, the book weaves a tale of a rogue president guilty of historic misconduct, and how he got away with it.

## **Should You Marry a Lawyer?**

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he

founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as To Kill a Mockingbird, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, The New York Review of Books “Searing, moving . . . Bryan Stevenson may, indeed, be America's Mandela.”—Nicholas Kristof, The New York Times “You don't have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful.”—Ted Conover, The New York Times Book Review “Inspiring . . . a work of style, substance and clarity .

. . Stevenson is not only a great lawyer, he's also a gifted writer and storyteller."—The Washington Post "As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty."—The Financial Times "Brilliant."—The Philadelphia Inquirer

## **Power of Attorney**

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "An amazing story, and truly inspiring. It's even better than you've heard."—Bill Gates NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over

oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • BookRiot • Pamela Paul, KQED • New York Public Library

## **Peace Love Justice Journal**

David E. McCraw recounts his experiences as the top newsroom lawyer for the New York Times during the most turbulent era for journalism in generations. In October 2016, when Donald Trump's lawyer demanded that The New York Times retract an article focused on two women that accused Trump of touching them inappropriately, David McCraw's scathing letter of refusal went viral and he became a hero of press freedom everywhere. But as you'll see in *Truth in Our Times*, for the top newsroom lawyer at the paper of record, it was just another day at the office. McCraw has worked at the Times since 2002, leading the paper's fight for freedom of information, defending it against libel suits, and providing legal counsel to the reporters breaking the biggest stories of the year. In short: if you've read a controversial story in the paper since the Bush administration, it went across his desk first. From Chelsea Manning's leaks to Trump's tax returns, McCraw is at the center of the paper's decisions about what news is fit to print. In *Truth in Our Times*, McCraw recounts the hard legal decisions behind the most impactful stories of the last decade with candor and style. The book is simultaneously a rare peek behind the curtain of the celebrated organization, a love letter to freedom of the press, and a decisive rebuttal of Trump's fake news slur through a series of hard cases. It is an absolute must-have for any dedicated reader of The New York Times.

## **The Sun Does Shine**

He gave up the money. He gave up the power. Now all he has left is the law. Michael Brock is billing the hours, making the money, rushing relentlessly to the top of Drake & Sweeney, a giant D.C. law firm. One step away from partnership, Michael has it all. Then, in an instant, it all comes undone. A homeless man takes nine lawyers hostage in the firm's plush offices. When it is all over, the man's blood is splattered on Michael's face--and suddenly Michael is willing to do the unthinkable. Rediscovering a conscience he lost long ago, Michael is leaving the big time for the streets where his attacker once lived--and where society's powerless need an advocate for justice. But there's one break Michael can't make: from a secret that has floated up from the depths of Drake & Sweeney, from a confidential file that is now in Michael's hands, and from a conspiracy that has already taken lives. Now Michael's former partners are about to become his bitter enemies. Because to them, Michael Brock is the most dangerous man on the streets.

## **I Married Wyatt Earp**

Two formidable men collide in this "first-class legal thriller" and New York Times bestseller about a celebrated criminal defense lawyer and the prosecution of his

lifelong friend -- a doctor accused of murder (David Baldacci). At eighty-five years old, Alejandro "Sandy" Stern, a brilliant defense lawyer with his health failing but spirit intact, is on the brink of retirement. But when his old friend Dr. Kiril Pafko, a former Nobel Prize winner in Medicine, is faced with charges of insider trading, fraud, and murder, his entire life's work is put in jeopardy, and Stern decides to take on one last trial. In a case that will be the defining coda to both men's accomplished lives, Stern probes beneath the surface of his friend's dazzling veneer as a distinguished cancer researcher. As the trial progresses, he will question everything he thought he knew about his friend. Despite Pafko's many failings, is he innocent of the terrible charges laid against him? How far will Stern go to save his friend, and -- no matter the trial's outcome -- will he ever know the truth? Stern's duty to defend his client and his belief in the power of the judicial system both face a final, terrible test in the courtroom, where the evidence and reality are sometimes worlds apart. Full of the deep insights into the spaces where the fragility of human nature and the justice system collide, Scott Turow's *The Last Trial* is a masterful legal thriller that unfolds in page-turning suspense -- and questions how we measure a life.

## **The Last Trial**

## **The Legacy Journey**

Before it was a blockbuster movie and a Broadway musical, LEGALLY BLONDE soared as a fresh, funny romance, with the unforgettable Elle Woods proving blondes will run the world. Elle Woods, California University senior, seems to have it all. President of Delta Gamma sorority, a star in the classroom (her major: sociopolitical jewelry design)—and is on the verge of becoming the much-envied Mrs. Warner Huntington III. Too bad Warner, bound for Stanford Law, dumps her with the explanation that he now needs a more "serious" woman at his side. Faced with this unexpected reversal of fortune, Woods doesn't get depressed, she gets busy. Thanks to a creative application and a demand for "diversity" at Stanford Law, Elle gets her acceptance letter. Soon she's packing up her convertible—as well as her miniature Chihuahua—determined to win back her man, and to prove to herself that dreaming big is the only way to dream. Smart, fast, and funny. LEGALLY BLONDE proves just how much fun blondes really can have.

## **Structured Negotiations**

Law students, law professors, and lawyers frequently refer to the process of "thinking like a lawyer," but attempts to analyze in any systematic way what is meant by that phrase are rare. In his classic book, Kenneth J. Vandeveld defines

this elusive phrase and identifies the techniques involved in thinking like a lawyer. Unlike most legal writings, which are plagued by difficult, virtually incomprehensible language, this book is accessible and clearly written and will help students, professionals, and general readers gain important insight into this well-developed and valuable way of thinking. Updated for a new generation of lawyers, the second edition features a new chapter on contemporary perspectives on legal reasoning. A useful new appendix serves as a survival guide for current and prospective law students and describes how to apply the techniques in the book to excel in law school.
