Chilton's Dodge Caravan & Voyager 1984-91 Repair Manual

This updated edition covers only five years to allow more detailed instruction and features individual indexes for easy reference of each make and model. Includes nearly 3,000 drawings and photographs and thousands of tables and specifications.

Motor Imported Car Repair Manual

Motor Air Conditioner & Heater Manual

Manual J 8th Edition is the national ANSI-recognized standard for producing HVAC equipment sizing loads for single-family detached homes, small multi-unit structures, condominiums, town houses, and manufactured homes. This new version incorporates the complete Abridged Edition of Manual J. The manual provides quick supplemental details as well as

supporting reference tables and appendices. A proper load calculation, performed in accordance with the Manual J 8th Edition procedure, is required by national building codes and most state and local jurisdictions.
