Liars for Jesus

It has been said that an 8 year old should be able to understand all but about 80 of the terms within the Holy Bible. So, why then, is it so difficult for an adult? With so many bible versions out there, is there a right or a wrong one? Who is Jesus and what did he have to say about such issues? Who is the Holy Spirit which is spoken of by Christians? And, as of touching upon Christians, who are they? What do they believe in?

Where are they right? Where are they wrong? Are there doctrines which won't hold up? Inside of this book are the foundational building blocks to finding out the truth in these questions and many more. Are we all under the same God, but just serving him in different ways; or, for that matter, who, or what, is this God? Every religion has its' own version. Even the Atheists could learn something from this book. This book should help to expose hypocrisy for what it truly is. If you have ever had any questions about how to deal with those who would try to impress their religion upon you, then read this book. It will start to expose the hidden truths in 'Religion versus Christianity'. The things which the people of this world do not want you to know. This book is not propaganda, but rather, a search for the truth behind religious belief systems. Years of research are at your fingertips, you now have a guide to get you started. What you don't know can hurt you, but what you think that you know, may be worse yet.

Jesus the Truth Vs. Satan the Liar

What does God really want from you? Look across the landscape of Christianity and you'll find everything from religious zealots, performers, good boys & girls, rule-keepers, to passive "what-else-can-I-get-from-God" church attenders. Somehow we have this sneaky suspicion that while Jesus was on the receiving end of a sadistic, methodical, brutal death, he wasn't contemplating an ambitious career move of carrying around a clipboard, cracking a circus whip, nor was he, in his final breath, bellowing out, "Now

they can have the car they always wanted." We're at the very least mistaken if we haven't totally made a mockery out of everything. Put a mirror under your Christian nose, and be honest: "Are you alive or are you thriving? Is the life you're living really all God had in mind?" God's ultimate desire was to bring us into an encounter with him, leaving a permanent mark on our hearts so that we would become changed people who, in turn, change the world.

The Religion of Jesus: Its Modern Difficulties and Its Original Simplicity. A Course of Sunday Evening Lectures

Liars for Jesus debunks many of the historical lies invented and used by the Christian nationalist history revisionists in their efforts to further their far right political agenda and destroy the wall of separation between church and state in America. Liars for Jesus is not a book about religion. It is a history book, presenting and fully documenting the true stories and historical facts that are distorted in the "Christian nation" pseudo-history promoted by the religious right.

This paradigm-shifting book helps believers understand the process of being transformed by God's grace and truth, and challenges them to be a

part of the process of discipleship in the lives of their fellow brothers and sisters in Christ. Counseling One Another biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son—a goal reached through the targeted form of intensive discipleship most often referred to as counseling. All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends, children, spouses, and fellow believers, providing them with a biblical framework for life and one-another ministry in the body of Christ.

The Deity of Jesus Christ Essential to the Christian Religion

The Normal Christian Faith

The Religions of the World

Perfect as a textbook yet excellent for lay readers, this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes. J. Gresham Machen once said, "False ideas are the greatest obstacles to the reception of the gospel"-which makes apologetics that much more important. Wanting to engage not just academics and pastors but Christian laypeople and seekers, William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics, philosophy, probability calculus, the arguments for the existence of God, and Reformed epistemology. His approach-that of positive apologetics-gives careful attention to crucial questions and concerns, including: the relationship of faith and reason, the existence of God, the problems of historical knowledge and miracles, the personal claims of Christ, and the historicity of the resurrection of Jesus. He shows that there is good reason to think Christianity is true. As Craig says, "If

you have a sound and persuasive case for Christianity, you don't have to become an expert in comparative religions and Christian cults. A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case."

For many teenagers who become Christians, the issues they face make them feel like they just don't fit into the Christian mold. But questions and failures are part of the process of following God. This book asks teens tough, honest questions without offering easy answers. It allows for them to explore who they are and who God is so they can live an authentic faith.

Cold-Case Christianity

This may be the most honest book ever written about Jesus. As a veteran pastor in the United Church of Christ, Dr. Watson shares his thoughts on the timeless topic of Christology--the doctrine of Christ--with new and creative insights, informative and accessible theology, personal anecdotes, and lively wit. Nothing is off-limits in this no-holds-barred contribution to the

Jesus genre. Big Jesus is not another theological "spin" on the identity and nature of Jesus of Nazareth, nor is it a sentimental fairytale for those who prefer their Christology to be served up on Sunday mornings with fluffy sheep, little children, and footprints in the sand. This book is for Christian adults with a sense of humor.

encouraged by the good and accurate historical records of the United States. Lies have been infiltrated so vastly and so deeply in to society of the United States. Even the educational institutions have become deceived and warped, so that the students are then receiving passed-down versions that are, as has been told, - lies. Some are deceived innocently, some willingly, some know it and want it. Many are just so busy with all the cares of life that they passively accept. Is it not important to us? A false "peace" has set in, and yet it is not peace as we are so alertly observing. To an awakened mind, peace should be what everybody wants. Strife or disagreement is a form of anti-peace in the interior spiritual realm. Values of the heart must be addressed as to whether they are proper values, and those values are then displayed by posts of the government. Every citizen needs to know what the true historical experience and record is, what governmental structure was established in the United States, what it is all about, and how it really is and operates. As we are all interested in the spiritual matters of life, a very real and vibrant experience awaits us. With all these wonderful opportunities and serious concerns for righteousness, for enhancing others, unselfish love for others. should we not in mercy, patience, kindness, humility, and love try to establish a good country and citizenry for all This is a very different and right correct account of the real US Government, and its establishment, and its history.

Today there are many excellent "introduction to Orthodoxy" books available for the inquirer and the catechumen-books on the faith, and those which narrate the long journey to the faith. Such writings have proven to be very helpful to those seeking the "pearl of great price." There are also many books and essays, both ancient and recent, that teach the newly-illuminated how to live, worship, pray, read the Holy Scriptures, and love God above all things. However, there are few modern books, and this thankfully is one of them, that tell of the potential struggles, misunderstandings, temptations, and fears which a person might encounter in his or her first five years of being in the Church. Meeting Christ at first enlightens the darkness, and reveals that which is hidden in the heart, the soul, the conscience and the mind of a person; this can bring the sinner to his knees in sorrow at the wounds that have been inflicted on others and on himself. But that initial meeting and change of life is again only the initial stage of repentance. Metropolitan Kallistos, in describing repentance in his essay, *The Orthodox Experience of Repentance*, quotes St. Theophan the Recluse: "Repentance is the starting point and foundation stone of our new life in Christ; and it must be present

not only at the beginning, but throughout our growth in this life, increasing as we advance." How very useful, then, is Veronica Hughes's book, which describes how she learned what is truly involved in repentance, a purifying path where one will frequently encounter at least three hurdles: uncertainty, sorrow and even suffering. First uncertainty inevitably arises from the struggle to place one's trust fully in Jesus Christ. Veronica's book recounts many significant hurdles faced by the modern man and woman coming to an unalloyed faith. Veronica's story recounts how her physical disabilities and suffering brought her out of her deep initial involvement with new age spirituality. The attentive reader will see how easily one can be caught up by the spirit of the age and be deluded about who God is, and this delusion leads one to a false and fatal understanding about human nature and destiny. Yet the ancient, holy, diagnosis applies: we are invited to put off the "old nature which belongs to [our] former manner of life and is corrupt through deceitful lusts" (Eph. 4:22) and be "renewed in the spirit of [our] minds, and put on the new nature, created after the likeness of God in true righteousness and holiness" (Eph. 4:24). The Holy Spirit renews our identity and prepares it for Paradise, beyond anything we can imagine. In addition to these fundamental aspects of how God guides our repentance, Veronica also describes another aspect of Church life that challenges the no-longer-neophyte Orthodox man or woman today. Orthodox worship can be so beautiful and heavenly, but to the modern person who desires to know what is happening and what it means, it can be initially very confusing. Learning how to be in the presence of God-without

Get Free Liars For Jesus The Religious Rights Alternate Version Of American History Vol 1 Chris Rodda

having to figure it all out-is not easy. Veronica's remarks are wise and helpful in this area. All the while, the author's spiritual journey was guided and aided by her pastor and the congregation of her parish, as well as the good advice of her husband. Not all people are so blessed to find such wholesome and loving guidance. Veronica had her own particular struggles-others will have a different path; that path may be no less thorny, but may it be filled with wonder and gratitude for the presence of God-Who sends His grace so abundantly to those who love Him. "In patience possess ye your souls" (Luke 21:19). (Taken from the Introduction to, "In Christ I am a New Creation, Taking up my Cross" written by Archpriest Lawrence Margitich.)

An award-winning writer re-imagines the life of Jesus, from the points of view of four people closest to him before his death. This is the story of Yehoshuah, who wandered Roman-occupied Judea giving sermons and healing the sick. Now, a year after his death, four people tell their stories. His mother grieves, his friend

Iehuda loses his faith, the High Priest of the Temple tries to keep the peace, and a rebel named Bar-Avo strives to bring that peace tumbling down. It was a time of political power-play and brutal tyranny. Men and women took to the streets to protest. Dictators put them down with iron force. In the midst of it all, one inconsequential preacher died. And either something miraculous happened, or someone lied. Viscerally powerful in its depictions of the period - massacres and riots, animal sacrifice and human betrayal - The Liars' Gospel makes the oldest story entirely new.

So where are your family and friends going to spend eternity - heaven or hell? You can make the difference. I hear many Christians say, "I want to witness, but what do I say?" Many times the hardest part in witnessing is just getting started. When fear grips or they get tongue tied Christians often wonder: "How do I segue this conversation onto the Gospel track?" This is a huge problem because if a Christian does not know how to transition a conversation onto the Gospel track, then they will not be witnessing at all. This book is the solution that contains over 400 Icebreakers to help get you started. These icebreakers are friendly and easy to use and they are listed by location so that you can witness to the lost wherever you go. Many Christians wait to share the Gospel until Christmas or Easter. Many times that is too late because so many young people are killed instantly though car wrecks, drug overdoses or drive

by shootings and even middle-aged people die suddenly of heart attacks or some other illness. No one ever knows when their last day on earth will be. It will stir your compassion and give you the needed courage to witness to the lost wherever you go Please be kind, use loving boldness and remember that God is love. All 400 icebreakers Icebreakers are organized in sections under headings: I Want to Witness, But What Do I Say - Around: Entertainment; Financial Affairs; Food; Healthcare; Holidays and Special Times; the Great Outdoors; Shopping or Doing Errands; Sports, Work and Traveling. There is a handy INDEX in the back! Each section contains 7 to 9 different "object evangelism icebreakers." God gave the ideas for these icebreakers when He revealed to me that Jesus taught using objects in his environment in Matthew 13 using parables. Christians can witness like Jesus did through taking an object and making a comment that relates to the Gospel in some way, which makes a great transition or segue into the topic of the Gospel. For e.g.: WATER - "This water reminds me of the living water. Have you ever had any of that water?" Or DOOR - "This door reminds me of what Jesus said (John 10:9) that He is the DOOR to eternal life. Have you ever walked through that door?" Or DOWNLOAD - "Downloading this file or picture reminds me of the time I downloaded Jesus into my heart. Have you ever done that download?" SALT & PEPPER - "These salt and pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness." Or BREAD - This bread reminds me of what Jesus said: "I Am the Bread of Life. He who comes to Me will never go hungry," (John 6:35). Or SUGAR - This sugar reminds me of how sweet it is to trust in Jesus.

After you say the icebreaker, you LISTEN to what they say in response and then be led by the spirit in what you say next. It is a "no fail" way to witness to the lost because, even if they do not accept Jesus at that moment, the object is still there to continue to remind them of what you said long after you are gone. After you say the icebreaker, the chapter "Truth to Say to 13 False Religions" will help you even more to witness to: Atheists & Evolutionists, Buddhists, Hindus, Jehovah Witnesses, Jewish people, Mormons, Muslims, New Agers, Scientologists, Unitarian Universalists and Homosexuals and Lesbians. There is also a chapter called Prophetic Evangelism that teaches you how to witness using a word of knowledge that God gives you to deliver a prophetic word to witness to the lost. There are several testimonies that show you, "Yes, it works!" About Rev. Susan Nazarewicz: Susan graduated from the UNC at Chapel Hill (B.A.); RHEMA Bible Training College, Victory World Missions Training Center, Church On the Move School of Ministry and Prophetic Age Ministries Institute and is ordained by John G. Lake Ministries. She works as a prayer partner at Oral Roberts Ministries at the Abundant Life Prayer Group and is a member at RHEMA Bible Church in Tulsa, OK where she sings in the choir.

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it

makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

A Scripture Account of the Faith and Practice of Christians

In the Gospels, Jesus called Satan the Father of Lies. From the beginning of Mankind until the present, Satan has been lying to mankind in order to destroy us and keep us from eternal life with God. Our first ancestors fell victim to a lie of Lucifer, and because of their fall, all humanity fell under the influence of the devil. Jesus came to earth to break Satan's power over us. Jesus referred to Himself as the Light of the World and as the Truth. He wants to deliver humanity out of the spiritual darkness and deception in which Satan has mankind trapped. A spiritual battle rages between Jesus and Satan for the souls of men. The weapons of Satan are his numerous lies. The weapon of Jesus is the truth of His Word. He said that the truths He taught were a solid and unshakable foundation in a world of shifting and sinking sand. In
