The Gospel of Christ is a message which claims to save from damnation those who believe it. This "good news" message purports to reveal who saves, what he did, why we need it, how we get it, and where to find reliable information about it. The Gospel, however, is widely doubted, disputed, and denied. Many wonder: - Does Jesus have to be who Christians claim he is? - What did his death accomplish? - Why would God send me to hell? - Can faith really be all there is to it? - Do I need to trust the Bible? Using Bible verses, "I Have Some Good News" addresses objections to the Gospel, and allows Christianity's source book to speak for itself.

When Man Answers God's Door

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be

no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

Get Out of That Pit

If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey?

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

When God Unfolds the Rose

The importance of the Gospel of Matthew in church history cannot be overstated. For Jewish readers, it affirmed the Messiahship of Jesus, referring consistently to the Scriptures to establish his credentials. For Gentile disciples, it provided powerful and dramatic support of their inclusion in God's kingdom. The cross of Christ had removed the division between Jew and non-Jew, and through Matthew's writings, we see Israel's God drawing the entire world to himself through Jesus. "The Gospel according to Matthew . . . Was the most widely read and frequently used of any of the four Gospels in the formative years of the church," writes Michael Wilkins. In this volume of the NIV Application Commentary, Wilkins explains Matthew's broad appeal not only to his ancient readers, but also to us today. Exploring the links between the Bible and our own times, Wilkins shares perspectives on Matthew's Gospel that reveal its enduring relevance for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can

Access Free Living Beyond Yourself Workbook Answers

somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our present-day context. It explains not only what the Bible meant but also how it speaks powerfully today. "This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation." Billy Graham "It takes more than interpretation of God's Word to change lives, it takes application. Application is the bottom line in preaching and teaching. Without it, we've missed the point of the Bible. The NIV Application Commentary is an outstanding resource for pastors and anyone else who is serious about developing 'doers of the Word.'" Rick Warren, Pastor Saddleback Valley Community Church

FROM A BESTSELLING AUTHOR! Who exactly was the historical Jesus Christ? Do you really know the Biblical Jesus and what the Bible says about him: both the human nature of Jesus and the divine nature of Christ? The miracles and wonders attributed to Christ? The role of Jesus as Savior and prophet? Although millions claim to know Jesus or to have found the Lord, exactly what do they know or what

have they found? This book includes dozens of questions and answers from the Bible that may (or may not) challenge just how much you really know about Jesus of Nazareth, Jesus the Messiah, the King of Israel, Son of God, Savior, Christ. What does it all mean? Does Scripture explain any of these titles given to Jesus? As a firm believer myself, this is not an agnostic book! Rather, it's a chance to really explore what we all know (or claim to know) about the Jesus we believe in. It may make you think, it might startle or confuse you at times, it might even make you learn more than you ever knew before.

I'm missing out on my life. What's wrong with me? If that's ever crossed your mind, and if you know there's more to life than what you've been living, this book is for you. It sucks to acknowledge that you are what's keeping you from the life you want. You sacrifice what you want most for what you want in the moment. You know everything you're supposed to do, and yet you feel stuck--limited by your past, overwhelmed by your future--in a purgatory of your own behavior. After decades of feeling trapped by this mindset, Elizabeth Benton shifted her whole life by proving her own stories wrong. In this book, Elizabeth will help you live a new story, in which you can, you will, and you already have everything you need to make it happen.

limited to the realm of philosophy and religion. But what if nature could reveal its creator? And what if science could provide compelling evidences that we have never seen before? What if the identity of the creator behind the origin of our universe can be known for certain? What if This is what The Ambassador of God, a ground breaking look at our cosmic origin, has provided. In this probing book, difficult questions are answered. As renowned scientists and thinkers challenge the biblical narratives for our cosmic origin, The Ambassador of God uncovers the mysteries that have been hidden from human eyes. Using compelling evidences from astronomy to investigate the underpinnings of the Bible, The Ambassador of God provides a 'cosmic objective certainty' for the existence of a universal Creator. Additionally, it unveils a well of exhaustive insights that eliminates ambiguities in our understanding. How is it possible that God is one and three distinct persons, but not three Gods? Why is the earth and the human body mostly water? Who created the sun, moon and stars? What about aliens and the other solar planets? What is the mystery and purpose behind human existence and other life forms on our planet earth? Why are we here and how did we first arrive on this planet? How do we come to understand divinity in the current scheme of scientific reasoning? How do we make peace with the grand designer behind it all? Readers seeking answers to these questions (and other similar questions) will find them here. They will not find dogma. Instead, they will embark on a journey-an experimental voyage through the lens of science that reveals the mind of God. secular science view, we shall find who God is! Who is the Author? Olumide Sanya is a contemporary poet and writer. Beside poetry and writing, Lumi, as he is affectionately known, helps others to achieve their dreams as a life coach. Unusually drawn to books between the ages of 4 - 9, Lumi neither enjoyed reading nor read books but spent his childhood years looking for abandoned tomes that he turned into a formidable collection. Despite being a non-reader, he realised the dream of becoming a writer in his tender years and for more than 12 years, he abandoned this dream. Until one day, God paid him a visit. But it didn't start there, it began with falling in love and writing poems about love and heartbreaks but that's another story for another year. "God has a sense of humor," says Lumi. "It's not hard to see that if you know my story-where I've been, where I'm at, and what God has planned for my tomorrow. What is most important to recognize is what God can do with a 'nobody' like me." The Ambassador of God, he notes, is not just about answers to large existential questions "It is also a road map that offers optimism and guidance in today's confused and increasingly complex modern world." You don't have to be a physics professor or a philosopher to understand Sanya's work. The Ambassador of God aims to open discussion and understanding at the broadest possible level. It is written for everyday people.

What Is Love? My Question God's Answer

The Beginning in Black and White is a 20 day adventure into the beginning of our world: from creation, to the flood, to the tower of Babel, this study will dive in deep to explore topics that trouble many Christians. Millions of years or a young earth? Did Noah really take all of those animals on the ark? Was the flood worldwide or was it local? What about the caveman? Dinosaurs? How do all of these things fit into scripture? Does the creationist really have a leg to stand on based on all the evidence we read about in our popular magazines? If any of these questions have ever crossed your mind then this is the study for you. In these pages you will find answers, and the answers just may surprise you. But we won't start at the creation account; we will begin our journey many, many years after the story of Adam and Eve. We will begin with the days of Noah. It will soon become apparent, that if you discount the story of Noah's Ark, your outlook of the world surrounding you may be way off track, because as scripture says, in the last days, many will deny the Flood.

of Eden. That fantasy land of Peace and Loving-kindness may be our next evolutionary step. Most people realize that the way the world of Death and Disease has taken over is not right or healthy in any way. The Veganism Movement will heal mankind thus healing the world as well. The modern thinking Vegan is ready to meet and overcome any non-Vegan resistance by learning every thing connected to the purpose of Veganism. There is a spiritual side of Veganism to consider and The Vegan Bible is a great place to begin researching the real history of our Mother earth and Father God. Most people never knew that the God of The Holy Bible is Vegan. This one little fact changes the face of society from innocent meat eaters to a mob of evil dead-flesh worshipers, especially the ones that refuse to accept the truth of our Vegan world. Don't be one of them. The right way is always the best way to live and enjoy the good health and clean conscious that the Vegan way of life represents. Now you will have all of the Vegan Holy Scriptures at your fingertips to rise over anyone whom decides to support their meat eating habits by miss-quoting The Holy Scriptures. The Vegan Bible proves that God and Jesus Christ are Vegans as well as some of the Holiest Prophets. Was Cain really the cold hearted monster we were taught he was or was he just an angry Vegan unwilling to control his temper? And who is this Lord God character that keeps on trying to ruin everyone's lives? Was Jesus Christ targeted by the religious leaders of His time for taking a firm stand against animal sacrifices? Did He offer his life as a one time human sacrifice to try and save them. By threatening the financial security of those selling the sacrificial animals this put a price on his head. His

teachings of Love were not only aimed at people but they were for all living creatures. His personal sacrifice did put an end to most religiously motivated animal sacrifice in the world. Before Jesus Christ there was only a blood thirsty Lord God to pay off with daily sacrifices which was for sale at the Holy Temples. Now we face a world lost in a cloud of ignorance teaching our children it is normal and right to consume dead animal flesh and this has got to stop. We must learn everything there is to know about Veganism so we can begin to heal our world and save our souls. I have dedicated the rest of my life to the study and research of the Ancient Vegan Creation Story as it is found in every copy of the Bible that exist. Proving that we have an all-loving Father God that is Vegan was only the beginning of what I have discovered. The magnitude of this one important fact has yet to reach the ears of the normal every day church goer. The implications of the facts presented in the pages of The Vegan Bible is destined to cause some uproar with the religious institutions and their religious dogma. Why was it such a crime in the dark ages to be a Christian? Did the term Christian mean Vegan and were they hunted, tortured, burned and killed for the same reason that Jesus Christ was. Have you ever seen a normal person go into a fit of rage when you tried to explain Veganism to them? The Vegan Bible will help answer many religious questions and provide morally correct Vegan answers. It used to be just a matter of Faith but now the Medical Science is proving our Vegan heritage. Veganism is growing and it will influence the greater populations of every country. I hope that you are ready for The Vegan Apocalypse. Thank You.
