Manual: The Bible for Men helps you to see yourself as God sees you and motivates you to redeem your God-given passions, drives, and purposes so you can live out your faith. “Myth” articles refute society’s myths with the truth of God’s Word; “Factoid Profiles” reveal must-know, interesting facts about selected men of the Bible whom God used despite their failings; “Downshift” notes ask penetrating questions to reflect on, either alone or with a friend or mentor; “Knowing God” callouts highlight the attributes of God as shown in Scripture and what they reveal about your identity as a man; “At Issues” notes discuss important life topics such as money, sex, and pride; and book introductions, a topical index, and articles on relevant topics make this Bible a helpful tool for you or any man.
