### **Christ Across the Disciplines**

In book 2 of this Techno-Thriller series, Carlos and Juan have a sweet deal going, helping drug lords and their wealth disappear. A chance encounter with the powerful R-Group changes their plans, lives, and loves forever.

### **Defying Her Mafioso**

Ciro Donati was many things: My father's most valued and trusted soldier. My brother's best friend and second in command. And the only man I would give up everything for. I fell hard for the Mafioso at the tender age of eleven. This beast of a man who I knew made people disappear-and probably enjoyed every second of it-was also the sixteen-year-old boy who had picked me up after I'd fallen flat on my face during my dance recital and told me I was the best ballerina he'd ever seen. He's watched over me, protected me like I was the most precious thing in the world

to him. And then he sent me away. Scarlett Vitucci was many things: The daughter of the biggest Cosa Nostra boss from New York to Chicago. The sister of the man I would gladly take a bullet for. And the only woman I would ever love. Sending her away was the hardest thing I've ever done, but I didn't deserve her or her love. For three years I stayed away, ignoring the gnawing ache that her absence left in my chest. Now, she was back and fighting what I felt for her was impossible. Letting her go had been a huge mistake. One I would never repeat.

### **Adolf Krischanitz, Architect: Buildings and Projects, 1986-98**

In Christ across the Disciplines a group of distinguished scholars from across the theological spectrum explores the dynamic relationship between the Christian faith

and the life of the mind. Although the essays in this volume are rooted in a rich understanding of the past, they focus primarily on how Christian students, teachers, and scholars might best meet the challenges of intellectual and cultural life in a global world. This book ranges widely over the broad terrain of contemporary academic and cultural life, covering such topics as the enormous growth of political activism in late twentieth-century evangelicalism, the dynamics of literature and faith in the African-American experience, the dramatic implications of globalization for those who profess Christ and practice the life of the mind, and more!
