Friendship in an Age of Economics

This is the first book not only to detail the relationships neoliberalism encourages us to have but also to see how friendship can provide a bulwark of resistance to it. Written in an engaging style, it will be understandable to political theorists, philosophers, social scientists, and cultural theorists.

The Chrysanthemums

In 1687 in Connecticut, Kit Tyler, feeling out of place in the Puritan household of her aunt, befriends an old woman considered a witch by the community and suddenly finds herself standing trial for witchcraft.

Of Mice and Men

Steinbeck's only work of fantasy literature—in a deluxe edition with a foreword by Christopher Paolini, New York Times bestselling author of Eragon, Eldest and Brisingr A Penguin Classic Malory's Le Morte d'Arthur was the first book that John Steinbeck truly enjoyed reading as a child. Fascinated by Arthurian tales of adventure, knighthood, honor and friendship, in addition to the challenging nuances of the original Anglo-Saxon language, Steinbeck set out to render these stories faithfully and with keen animation for a modern audience. Here then is Steinbeck's modernization of the adventure of King Arthur and the Knights of the Round Table, featuring the icons of Arthurian legend—including King Arthur, Merlin, Morgan le

Fay, the incomparable Queen Guinevere, and Arthur's purest knight, Sir Lancelot of the Lake. These enduring tales of loyalty and betrayal in the time of Camelot flicker with the wonder and magic of an era past but not forgotten. Steinbeck's retelling will capture the attention and imagination of legions of Steinbeck fans, including those who love Arthurian romances, as well as countless readers of science fiction and fantasy literature. This edition features a new foreword by Christopher Paolini, author of the number-one New York Times bestselling novels *Eragon*, *Eldest*, and *Bringingr*. It also includes the letters John Steinbeck wrote to his literary agent, Elizabeth Otis, and to Chase Horton, the original editor of this volume. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Cannery Row

This 75th anniversary edition of a classic bestseller is stunningly illustrated and designed to enchant fans of Greek, Roman, and Norse mythology at all ages. Since its original publication by Little, Brown and Company in 1942, Edith Hamilton's *Mythology* has sold millions of copies throughout the world and established itself as a perennial bestseller. For more than seven decades readers have chosen this book above all others to discover the enchanting world of mythology -- from Odysseus's adventure-filled journey to the Norse god Odin's effort to postpone the final day of doom. This deluxe, hardcover edition is fully-illustrated throughout with all-new, specially commissioned art, making it a true collector's item.

The Moral Philosophy of John Steinbeck

The Pearl ; The Red Pony

“This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives.”—Chicago Tribune Winner of the National Book Critics Circle Award, *A Lesson Before Dying* is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

Tenth of December

John Steinbeck's Of Mice and Men

Miniature people who live in an old country house by borrowing things from the humans are forced to emigrate from their home under the clock.

The Murder of Roger Ackroyd

Novel Units use literature to expose students to the pleasure and enjoyment of reading and studying fiction and drama in the language arts class. This unit deals with the novel A DAY NO PIGS WOULD DIE.

Mythology

Each chapter is individually summarized and analyzed, and has study questions and answers.

The House on Mango Street

LitPlan Teacher Packs have a foundation of materials for teaching works of literature. Over one hundred pages including short answer study questions, multiple choice quiz questions, discussion questions, writing assignments, vocabulary worksheets, daily lessons, unit tests, games, puzzles, review materials, bulletin board ideas, and much more.

Biological Unhappiness

"Kimmel has made a career out of being what you might call a man-translator."-The Atlantic The white American male voter is alive and well--and angry as hell. Sociologist Michael Kimmel, one of the leading writers on men and masculinity, has spent hundreds of hours in the company of America's angry white men--from white supremacists to men's rights activists to young students--in pursuit of a comprehensive diagnosis of their fears, anxieties, and rage. Kimmel locates this increase in anger in the seismic economic, social, and political shifts that have transformed the American landscape: Downward

mobility, increased racial and gender equality, and tenaciously clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered. Raised to expect unparalleled social and economic privilege, white men are suffering today from what Kimmel calls "aggrieved entitlement": a sense that those benefits that white men believed were their due have been snatched away from them. The election of Donald Trump proved that angry white men can still change the course of history. Here, Kimmel argues that we must consider the rage of this "forgotten" group and create solutions that address the concerns of all Americans.

Speak

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick."—Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

East of Eden

This is a powerful dramatisation of Daniel Keyes's perceptive and sad novel. Charlie is a retarded adult who desperately wants to be able to read and write. He undergoes a brain operation which increases his intelligence. Yet such an operation begs many questions--can Charlie's emotional development keep pace with the intellectual? How do the psychiatrists and psychologists view Charlie--as a man or as the subject of an experiment like the mouse, Algernon? And the biggest question of all--will the operation be successful?

The Amazing Maurice and His Educated Rodents

Of Mice, Men, and Microbes

Carnegie Medal Winner * New York Public Library Books for the Teen Age * VOYA Best Science Fiction, Fantasy, and Horror * ALA Best Fiction for Young Adults * Book Sense Pick The Amazing Maurice runs the perfect Pied Piper scam. This streetwise alley cat knows the value of cold, hard cash and can talk his way into and out of anything. But when Maurice and his cohorts decide to con the town of Bad Blinitz, it will take more than fast talking to survive the danger that awaits. For this is a town where food is scarce and rats are hated, where cellars are lined with deadly traps, and where a terrifying evil lurks beneath the hunger-stricken streets. Set in Terry Pratchett's beloved Discworld, this masterfully crafted, gripping read is both compelling and funny. When one of the world's most acclaimed fantasy writers turns a classic fairy tale on its head, no one will ever look at the Pied Piper—or rats—the same way again!

The King Must Die

'If you stay in the house you will surely be crushed and killed, all of you.' Time is running out for Mrs Frisby. She must move her family of mice before the farmer destroys their home. But her youngest son, Timothy, is too ill to survive the move. Help comes in the unexpected form of a group of mysterious, super-intelligent rats. But the rats are in danger too, and little by little, Mrs Frisby learns the secrets of their extraordinary past.

A Day No Pigs Would Die - Student Packet

Presents a dramatization of the tragic story of the friendship between two migrant workers, George and Lenny, and their dream of owning a farm.

Mrs Frisby and the Rats of NIMH

Jane Eyre by Charlotte Brontë

In Nobel Prize winner John Steinbeck's beautifully rendered depictions of small yet fateful moments that transform ordinary lives, these twelve early stories introduce both the subject and style of artistic expression that recur in the most important works of his career. Each of these self-contained stories is linked to the others by the presence of the Munroes, a family whose misguided behavior and lack of sensitivity precipitate disasters and tragedies. As the individual dramas unfold, Steinbeck reveals the self-deceptions, intellectual limitations, and emotional vulnerabilities that shape the characters' reactions and gradually erode the harmony and dreams that once formed the foundation of the community. This edition includes an introduction and notes by James Nagel. For more than seventy years, Penguin has been the leading publisher of

classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

Of Mice and Men (MAXNotes Literature Guides)

John Steinbeck [RL 7 IL 7-12] A woman shares her prize flowers with a dishonest vagrant and the results are shattering. Themes: vulnerability; exploitation. 34 pages. Tale Blazers.

What's the Big Idea?

More than any other author of the Modern period of American literature, John Steinbeck evidenced a serious interest and background in moral philosophy. His personal reading collection included works ranging from Kant and Spinoza to Taoism and the Bible. Critics also consistently identify Steinbeck as an author whose work promotes serious moral reflection and whose characters undergo profound moral growth. Yet to date there has been no sustained examination of either John Steinbeck's personal moral philosophy or the ethical features and content of his major works. This critical neglect is remedied by a collection of highly readable essays exploring the philosophy and work of one of America's few Nobel Prize winning authors. These thirteen essays, written by experts both within philosophy and Steinbeck studies, examine almost all of Steinbeck's major works. Included in the compilation are five general essays examining Steinbeck's own moral philosophy and eight specific essays analyzing the ethics of various major works.

Cannery Row

Willie Stark, a well-intentioned idealistic back-country lawyer is unable to resist greed, power, and lust for politics during his rise and fall as an American demagogue.

The Borrowers

Steinbeck's tough yet charming portrait of people on the margins of society, dependant on one another for both physical and emotional survival Published in 1945, Cannery Row focuses on the acceptance of life as it is: both the exuberance of community and the loneliness of the individual. Drawing on his memories of the real inhabitants of Monterey, California, including longtime friend Ed Ricketts, Steinbeck interweaves the stories of Doc, Dora, Mack and his boys, Lee Chong, and

the other characters in this world where only the fittest survive, to create a novel that is at once one of his most humorous and poignant works. In her introduction, Susan Shillinglaw shows how the novel expresses, both in style and theme, much that is essentially Steinbeck: "scientific detachment, empathy toward the lonely and depressed...and, at the darkest level...the terror of isolation and nothingness." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

Of Mice and Men: Teacher's Deluxe Edition

In May 1993, a cluster of cases of a lethal disease among healthy young people brought the attention of the world to the southwestern deserts. A previously unknown disease was killing up to 80% of the people it infected. The reaction in the area and across the nation mixed fear, lack of information, and the struggles of doctors to save the victims of an unknown killer with hard science and the age old rhythms of the desert. What came out was the story of a virus that had been killing since man arrived in the American continents, Hantavirus, with deadly relatives across the Americas and across the world. This book explains why and how the virus kills, and why it is still killing today. Why all of the science aimed at a virus identified back in 1993 has not brought a vaccine or a cure is part of the story, as is how that killer virus fits into the story of "new" diseases across the world. The story of hantavirus disease, what has happened since that first outbreak, and what the real risks are is laid out by an experienced scientist and an award winning journalist living and working in the area of the 1993 outbreak. Covers the full story of the recent hantavirus outbreak Includes interviews with survivors, and local reaction Presents the science in lay terms Places the event in the broader context of emerging diseases worldwide The only account which takes the reader beyond the initial outbreak in 1993-1994, bringing them up to late 1998 Discusses hantavirus disease in the U.S., Argentina, and Canada

The Pastures of Heaven

Set on a Louisiana sugarcane plantation in the 1970s, A Gathering of Old Men is a powerful depiction of racial tensions arising over the death of a Cajun farmer at the hands of a black man.

Angry White Men

Students analyze Of Mice and Men using key skills for college and career readiness. Close reading of the text is required to

answer text-dependent questions. Included are student pages with the text-dependent questions as well as suggested answers.

All the King's Men

Penguin Classics presents John Steinbeck's classic tale as an eBook enhanced with ten exclusive video clips featuring students responses, questions for classroom discussions, and an American Dream assignment Nobel Prize-winner John Steinbeck's *Of Mice and Men* remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. Laborers in California's dusty vegetable fields, they hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. *Of Mice and Men: Teacher's Edition* includes the following:

- An introduction and suggested further reading by Susan Shillinglaw, a professor of English at San Jose State University and Scholar-in-Residence at the National Steinbeck Center in Salinas
- The poem "To a Mouse, On Turning Her Up in Her Nest with the Plough, November 1785" by Robert Burns (the original source of Steinbeck's title *Of Mice and Men*)
- The 1962 Nobel Banquet Speech by John Steinbeck
- An exclusive audio interview with award-winning actor James Earl Jones on his stage performances in *Of Mice and Men*
- Ten exclusive videos of students on major themes from the novel tied to group discussion questions included in the eBook, and an American Dream assignment, for the ultimate educational experience

The Witch of Blackbird Pond

Danny, a mule skinner during the First World War, returns to Tortilla Flat to enjoy the carefree and amoral life of the paisano

The Mouse and the Motorcycle

In this tough yet charming portrait of people on the margins of society, Steinbeck focuses on the acceptance of life as it is—both the exuberance of community and the loneliness of the individual. Drawing on his memories of friends in Monterey, California, he interweaves the stories of Lee, Doc, and Mack, the inhabitants of Cannery Row. What results is a procession of linked vignettes and a novel that is at once Steinbeck's most humorous and poignant works, filled with human warmth, camaraderie, and love. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

Of Mice and Men Close Reading and Text-Dependent Questions

The Voyage of the Dawn Treader sees Edmund and Lucy, along with their priggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian's voyage on the ship to find the seven lords who were banished when Miraz took over the throne. As they sail toward Aslan's country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world's end is only the beginning...

Bacon's Essays

In this imaginative adventure from Newbery Medal-winning author Beverly Cleary, a young mouse named Ralph is thrown into a world of excitement when a boy and his shiny toy motorcycle check in to the Mountain View Inn. This timeless classic now features a foreword written by New York Times bestselling author Kate DiCamillo, as well as an exclusive interview with Beverly Cleary herself. When the ever-curious Ralph spots Keith's red toy motorcycle, he vows to ride it. So when Keith leaves the bike unattended in his room one day, Ralph makes his move. But with all this freedom (and speed!) come a lot of obstacles. Whether dodging a rowdy terrier or keeping his nosy cousins away from his new wheels, Ralph has a lot going on! And with a pal like Keith always looking out for him, there's nothing this little mouse can't handle. Correlates to the Common Core State Standards in English Language Arts

The Play of Daniel Keyes' Flowers for Algernon

A Lesson Before Dying

WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, Tenth of December illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx™ in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

The Chronicles of Narnia Vol III: The Voyage of the Dawn Treader

Of Mice and Men

Encourages teachers to structure literacy education around clearly stated, essential questions, and describes how this approach can increase a student's abilities for comprehension and retention.

The Acts of King Arthur and His Noble Knights

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

A Gathering of Old Men

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

Tortilla Flat

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is “one of the truly fine historical novels of modern times” (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault’s *Theseus* is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus’s adventures from Troizen to Eleusis, where the death in the book’s title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault’s story of Theseus continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.

Good Omens

“Agatha Christie’s indelibly etched characters have entertained millions across the years and a love of her work has brought together generations of readers—a singular achievement for any author and an inspiration to writers across the literary landscape.”—Jacqueline Winspear, New York Times bestselling author of the Maisie Dobbs novels In this official edition featuring exclusive content from the Queen of Mystery, Hercule Poirot comes out of retirement in one of Agatha Christie’s ten favorite novels, which was also voted by the British Crime Writers’ Association as the “Best Crime Novel of all Time.” Roger Ackroyd knew too much. He knew that the woman he loved had poisoned her brutal first husband. He suspected also that someone had been blackmailing her. Then, tragically, came the news that she had taken her own life with an apparent drug overdose. However, the evening post brought Roger one last fatal scrap of information, but before he could finish reading the letter, he was stabbed to death. Luckily one of Roger’s friends and the newest resident to retire to this normally quiet village takes over—none other than Monsieur Hercule Poirot . . . Not only beloved by generations of readers, *The Murder of Roger Ackroyd* was one of Agatha Christie’s own favorite works—a brilliant whodunit that firmly established the author’s reputation as the Queen of Mystery.
