Entrepreneurship

Award-winning author Lynne Hugo returns with a life-affirming, poignant novel in the spirit of *A Man Called Ove*—a story brimming with both wit and warmth about how a family gets on . . . and goes on. CarolSue and her sister, Louisa, are best friends, but haven't had much in common since CarolSue married Charlie, moved to Atlanta, and swapped shoes covered with Indiana farm dust for pedicures and afternoon bridge. Louisa, meanwhile, loves her farm and animals as deeply as she'd loved Harold, her late husband of forty years. Charlie's sudden death leaves CarolSue so adrift that she surrenders to Louisa's plan for her to move back home. But canning vegetables and

feeding chickens are alien to CarolSue, and she resolves to return to Atlanta—until Louisa’s son, Reverend Gary, arrives with an abandoned infant and a dubious story. He begs the women to look after the baby while he locates the mother—a young immigrant who fears deportation. Keeping his own secrets, Gary enlists the aid of the sheriff, Gus, in the search. But CarolSue’s bond with the baby is undeniable, and she forms an unconventional secret plan of her own. How many mistakes can be redeemed? Praise for the novels of Lynne Hugo “Sparkling prose, wry humor, and timely, relevant themes abound.” —Donna Everhart, USA Today bestselling author of *The Moonshiner's Daughter* “A tender hymn of hope and rebirth that stays with you long after the last page.” —Kim Michele Richardson, author of *The Book Woman of Troublesome Creek* “I lost hours of sleep as I raced to finish this extraordinary novel.” —Randy Susan Meyers, bestselling author of *Waisted* “Delivered with humor and heart.” —Terri-Lynne DeFino, author of *The Bar Harbor Retirement Home for Famous Writers (And Their Muses)*

Autumn in Scotland

In a twisting, unpredictable new novel of suspense by #1 New York Times bestselling author Lisa Jackson, an heir to the Cahill fortune discovers just how dangerous, and duplicitous, family can be . . . The Cahills of San Francisco are famous for two things: their vast wealth, and the scandals that surround them. Murder, greed, deadly ambition . . . some people will do anything to get, and keep, the Cahills’

kind of money. Not that James Cahill wants any of it. He's tried to make his own way, less interested in a future inheritance than in his construction company—and in enjoying the many women taken in by the easy charms of a handsome, soon-to-be-rich bad boy. Perhaps there've been too many women. Waking up in a small hospital in Washington State, bandaged and bruised, James barely recognizes the gorgeous blonde who comes to visit. Through the haze of pain and medication, he recalls that she is Sophia, the woman he's been cheating with. Gradually memories return—his girlfriend, Megan, had found out about Sophia. Now Megan is missing, her sister, Rebecca, is hounding him—and police and reporters are asking questions too. James insists he has no idea what happened. Yet he can't escape a feeling of dread . . . Meanwhile, in a locked room, a woman waits, trapped, petrified, and desperate. She thought she knew who to trust. But the betrayal you can't imagine—or can't remember—may be the most terrifying weapon of all . . .

Always Delicious

The Sebastians own this city. Hell, they own the whole world. All I want is one little piece of it, a corner that I can call my own. So when my boss runs away to “find herself”, I seize the opportunity and dive head first into the Sebastian's glamorous universe. It's everything I've ever wanted—fast paced and high stakes—and, even though I don't fit in, I'm excellent at faking it. Until I come face to face with the man in charge, Scott Sebastian, the arrogant, playboy heir

with the mind of a devil and the body of a god and a mouth I can't stop thinking about. He's infuriating. He's a distraction. He's the man who wants me in his bed as much as I want to be there. And, if I get too close, he'll be the one person who could expose me for what I really am—a fraud.

Rio For Partiers

Good old, reliable Pru. Of the four Reynolds sisters, Pru is the natural choice to take on custody of the girl their late mother had planned to adopt. At thirty, suddenly becoming the mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well?

Highland Protector

Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.

You Betrayed Me

The author of the bestseller *White Mischief* tells the story of the beautiful Langhorne sisters, who lived at the Pinnacle of high and powerful society from the end of the Civil War through the Second World War. Making their way across two continents, they left in their wakes rich husbands, fame, adoration, and scandal. Lizzie, Irene, Nancy, Phyllis, and Nora were born in Virginia to a family impoverished by the Civil War. Their father remade his fortune by collaborating with the Yankees and building rail-roads; the sisters became southern belles and northern debutantes. James Fox draws on unpublished correspondence between the sisters and their husbands, lovers, children, and the powerful and glamorous of their day to construct a plural topography with the scope of a grand novel and the pace of a historical thriller. At its center is the most famous sister, Nancy, who married Waldorf Astor, one of the richest men in the world. Heroic, hilarious, magnetically charming, and a bully, Lady Astor became Britain's first female MP, championing women's rights and the poor. The beautiful Irene married Charles Dana Gibson and was the model for the Gibson Girl. The author's grandmother, Phyllis, married a famous economist, one of the architects of modern Europe. Fox has written an absorbing and spirited, intimate and sweeping account of extraordinary women at the highest reaches of society, their adventures set against the background of a tumultuous century.

Against regulations, Archambault's handcuffs were removed—a decision that would profoundly impact the men's survival. Man in Love

Genghis Khan is one of history's immortals, alive in memory as a scourge, hero, military genius and demigod. To Muslims, Russians and westerners, he is a murderer of millions, a brutal oppressor. Yet in his homeland of Mongolia he is the revered father of the nation, and the Chinese honor him as the founder of a dynasty. In his so-called Mausoleum in Inner Mongolia, worshippers seek the blessing of his spirit. In a supreme paradox, the world's most ruthless conqueror has become a force for peace and reconciliation. As a teenager, Genghis was a fugitive, hiding from enemies on a remote mountainside. Yet he went on to found the world's greatest land empire and change the course of world history. Brilliant and original as well as ruthless, he ruled an empire twice the size of Rome's until his death in 1227 placed all at risk. To secure his conquests and then extend them, his heirs kept his death a secret, and secrecy has surrounded him ever since. His undiscovered grave, with its imagined treasures, remains the subject of intrigue and speculation. This is more than just a gripping account of Genghis' rise and conquests. John Man uses first-hand experiences in China and Mongolia to reveal the khan's enduring influence. He has traveled the length of the empire. He spotlights

the tension between Mongols and Chinese, who both claim Genghis' spirit. He is the first writer to explore the hidden valley where Genghis is believed to have died, and one of the few westerners to climb the mountain where he was likely buried. This stunning narrative paints a vivid picture of the man himself, the places where he lived and fought, and the passions that surround him still. For in legend, ritual and intense controversy, Genghis lives on.

The Billionaire's Wake-up-call Girl

From the 2013 Orange Prize-winning author of *May We Be Forgiven*. Only a work of such searing, meticulously controlled brilliance could provoke such a wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two

reveal—and revel in—their obsessive desires, Homes creates in *The End of Alice* a novel that is part romance, part horror story, at once unnerving and seductive.

Written with insight, enthusiasm, and impeccable scholarship, *Inner Revolution* is not only a national bestseller and practical primer on one of the world's most fascinating traditions, but it is also a wide-ranging look at the course of our civilization--and how we can alter it for the better. Analog Signals and Systems

It is an age of hurry and worry. Fortunes are quickly made and freely spent. Nearly all busy, hard-worked Americans have an intuitive sense of the need that exists for at least one period of rest and relaxation during each year, and all—or nearly all—are willing to pay liberally, too liberally in fact, for anything that conduces to rest, recreation and sport. I am sorry to say that we mostly get swindled. To the man of millions it makes little difference. I do not write for him, and can do him little good. But there are hundreds of thousands of practical, useful men, many of them far from being rich; mechanics, artists, writers, merchants, clerks, business men—workers, so to speak—who sorely need and well deserve a season of rest and relaxation at least once a year. To these, and for these, I write. (George Washington Sears, Chapter I)

needed.
