Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated. Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Named One of Riffle's Ten Best Haunted House Books of All Time Built at the turn of the twentieth century by one of the richest and most powerful men in the world tucked away in the pristine Pocono Mountains, Summer Place, a retreat for the rich

and famous, seems the very essence of charm and beauty, “a scene borrowed from a wondrous fairytale of gingerbread houses, bright forests, and glowing, sunny meadows.” But behind the yellow and white trimmed exterior lurks an evil, waiting to devour the unwary. Seven years ago, Professor Gabriel Kennedy’s investigation into paranormal activity at Summer Place ended in tragedy, and destroyed his career. Now, Kelly Delaphoy, the ambitious producer of a top-rated ghost-hunting television series, is determined to make Summer Place the centerpiece of an epic live broadcast on Halloween night. To ensure success, she needs help from the one man who has come face-to-face with the evil that dwells in Summer Place, a man still haunted by the ghosts of his own failure. Disgraced and alienated from the academic community, Kennedy wants nothing to do with the event. But Summer Place has other plans. As Summer Place grows stronger, Kennedy, along with the paranormal ghost hunting team, The Supernaturals, sets out to confront and if possible, destroy the evil presence dwelling there.

She almost caught him once. Now, he's back. For three years, Investigator Cassie Dewell has been on a hunt for a serial killer known as the Lizard King whose hunting grounds are the highways and truck stops where runaways and prostitutes are most likely to vanish. Cassie almost caught him once. Working for the Bakken County, North Dakota sheriff's department, Cassie has set what she believes is the perfect trap and she has lured him and his truck to a depot. But the plan goes horribly wrong, and the blame falls on Cassie. Disgraced, she loses her job and investigation into her role is put into motion. At the same time, Kyle Westergaard, a troubled kid whom Cassie has taken under her wing, has disappeared after telling people that he's going off on a long-planned adventure. Kyle's grandmother begs Cassie to find him and, with nothing else to do, Cassie agrees—all the while hunting the truck driver. Now Cassie is a lone wolf. And in the same way that two streams converge into a river, Kyle's disappearance may have a more sinister meaning than anyone realizes. With no allies, no support, and only her own wits to rely on, Cassie must take down a killer who is as ruthless as he is cunning. But can she do it alone, without losing her own humanity or her own life? Paradise Valley continues the Highway Quartet series from bestselling author C. J. Box.
