Namibia Business Directory

Bloomington, Indiana, City Directory

Following the success of the first (1995) edition, this fully updated report will provide a global overview of the use of automotive plastics and composites in passenger vehicles, with an analysis of markets and trends to the year 2007. Special attention is given to vehicle weight reduction. For a PDF version of the report please call Tina Enright on +44 (0) 1865 843008 for price details.

Low Rider

Ann Arbor, Michigan City Directory

The Cadillac story is more than the story of a car company. It is, in many ways, the story of the American automobile industry itself—which, as much as any industry, drove America's growth in the twentieth century and defined who we are as a people. For generations of Americans, Cadillac epitomized expansive prosperity. This illustrated history of Cadillac presents all the triumphs and failures of the

marque's last sixty years; from the good times, through the disastrous 1980s, and up to the current reconstitution of the brand.
