### **Calendar of the State Papers Relating to Scotland and Mary, Queen of Scots, 1547-1603**

High school senior Michael Siversten has never felt very powerful. Hes a high school senior with a scraggly beard. He has something called Aspergers, which he researched relentlessly. He knows he says awkward things sometimes, and he needs a helper to get him through schoolbut he likes people, and people like Michael. One night, hes troubled by a dream in which his old assistant and mentor, Alexander Davidson, exclaims Michael will soon be one and the same. The vivid dream is a bit of a puzzle, so Michael seeks Alexander out. What he learns is nothing short of shocking. Apparently, Michael is a sorcerer, and life is about to get a lot more complicated. He must soon start a journey that will take him from the depths of Hell to the heights of Heaven. Michael will be introduced to the supernatural world of Palm Beachwhich some call the Carpathians of North America. Follow Michael and his journey through many trials and tribulations as he fights to become the powerful sorcerer he was born to be.

I came up with the title One and the Same from the different experiences I have had with men and how every relationship had fewer differences and more similarities, whether it is good or bad, positive or negative. It represents my determination to express how in any relationship, the negativity, positivity, and spirituality between man and woman isn't as different as people may think it is.

The title contradicts the claims of how both genders are so different rather than looking at the facts that they are not different except for physical appearances. However, the way both genders want to be loved, how they have been hurt, how they have been treated, etc. is all the same and should not be treated as one being greater or more important than the other. This will be able to open the eyes of man and woman to see how their relationships can go further than what they think it can if they would stop thinking differently and start feeling, seeing, hearing, and tasting the similarities that can help their relationships go far because they are one and the same.

## **My Work Is My Ministry**

America is dreadfully divided over politics, race, gender, and class. Unfortunately, the church isn't much better. Galatians 3:28 states, "There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus." Paul gives us the kingdom paradigm for how Christians can be one without being the same. Serious learners and people intent on changing the status quo will find sound, biblical perspectives and real life examples to guide them. Readers will discover: How people of different races can come together, moving beyond superficiality Why women should be empowered to lead in the local church How Christians can be one without being the same politically What God says about wealthy and poor Christians empowering each other This book boldly addresses the topics Christians keep avoiding. But get ready. God's Diverse Kingdom is coming on earth as it is in heaven!

Illustrations and simple rhyming text show that while the body parts of various human and Muppet characters may look different, they have similar uses.--
