The Billboard Guide to Writing and Producing Songs that Sell unveils the secrets to climbing the charts and reaching success in today's ultracompetitive music industry. Eric Beall supplies his firsthand knowledge of today's record business, as well as interviews with successful writers, producers, and executives from the worlds of pop, hip-hop, country, adult contemporary, and R&B. The result: a proven approach to constructing songs that open doors, create careers, and communicate to listeners around the world. Key areas explored include: •How does a song become a hit? •What makes a song a single? •Is there a formula for creating a hit? Fun and practical exercises provide opportunities to hone skills and expose specific talents, helping songwriters combine their unique voices to the demands of the commercial marketplace.

Filled with fresh ideas that will spark beginners and veterans alike, this book will lead the way toward the industry's ultimate challenge: the creation of that chart-topping hit song.

Even before Sidney Crosby and Alexander Ovechkin began their NHL careers in 2005, the two players were rivals. They first met at the World U20 (Junior) Championship, playing for the gold medal, and ever since they have been opponents in the NHL and international arenas. No two star players could be so different. Crosby is the consummate captain and team player, the responsible face of the NHL. Ovechkin is the loose cannon on ice and off, capable of a great play or a cocky comment. Sid vs. Ovi traces this intense rivalry game by game, year by year, from 2005 to 2011 and beyond. Their biographies are given consideration alongside their in-game performance and career development to present a clear picture of their lives, their careers, their league, and their countries. Hockey fans can well be divided into those who prefer one or the other of this pair of scintillating talents. But one thing is certain - the presence of one inspires the other to greater heights. From the Trade Paperback edition.
