From the remarkable imagination of acclaimed artist Jim Di Bartolo and the exquisite pen of bestselling author Kiersten White comes a spellbinding story of love, mystery, and dark conspiracy, told in an alternating narrative of words and pictures. Cora and Minnie are sisters living in a small, stifling town where strange and mysterious things occur. Their mother runs the local boarding house. Their father is gone. The woman up the hill may or may not be a witch. Thomas and Charles are brothers who've been exiled to the boarding house so Thomas can tame his ways and Charles can fight an illness that is killing him with

increasing speed. Their family history is one of sorrow and guilt. They think they can escape from it . . . but they can't. Arthur is also new to the boarding house. His fate is tied to that of Cora, Minnie, Thomas, and Charles. He knows what darkness circles them, but can't say why, and doesn't even know if they can be saved. Sinister forces are working in the shadows, manipulating fates and crafting conspiracies. The closer Cora, Minnie, Arthur, Thomas, and Charles get to the truth, the closer they get to harm. But the threat is much bigger than they can see. It is strangling the world. Until one of the boys decides he wants to save it. Told in an astonishing mix of art and words, *IN THE SHADOWS* collides past against future, love against evil, and hope against fear. The result is both a mystery and a masterpiece.

Pivot Point

Kiersten White's New York Times bestselling Paranormalcy trilogy comes to a breathless conclusion with a signature mix of wit, romance, paranormal creatures, and a truly original heroine. In *Endlessly*, pink-loving, butt-kicking Evie has way too much on her to-do list. Paranormals are begging her to open a faerie gate so they can leave the human world, something Evie's not sure she has the power to do. The Dark Queen is torturing humans and must be destroyed. On top of all that, Evie's prom is coming up. She's not sure what to wear, and, oh, yeah, her shape-shifting boyfriend, Lend, has been cursed so that he falls into an enchanted sleep whenever he and Evie are in the same room...and even Evie's ex-

boyfriend, the faerie Reth, can't reverse the dark magic. An epic battle is looming, and the choices Evie makes will determine the fate of whole paranormal world—and her own life.

Crossings

"A sparkling debut. Landragin's seductive literary romp shines as a celebration of the act of storytelling." —Publishers Weekly "Romance, mystery, history, and magical invention dance across centuries in an impressive debut novel." —Kirkus Reviews (Starred Review) "Deft writing seduces the reader in a complex tale of pursuit, denial, and retribution moving from past to future. Highly recommended." —Library Journal (Starred Review) Alex Landragin's *Crossings* is an unforgettable and explosive genre-bending debut—a novel in three parts, designed to be read in two different directions, spanning a hundred and fifty years and seven lifetimes. On the brink of the Nazi occupation of Paris, a German-Jewish bookbinder stumbles across a manuscript called *Crossings*. It has three narratives, each as unlikely as the next. And the narratives can be read one of two ways: either straight through or according to an alternate chapter sequence. The first story in *Crossings* is a never-before-seen ghost story by the poet Charles Baudelaire, penned for an illiterate girl. Next is a noir romance about an exiled man, modeled on Walter Benjamin, whose recurring nightmares are cured when he falls in love with a storyteller who draws him into a dangerous intrigue of rare manuscripts, police corruption, and literary societies.

Finally, there are the fantastical memoirs of a woman-turned-monarch whose singular life has spanned seven generations. With each new chapter, the stunning connections between these seemingly disparate people grow clearer and more extraordinary. Crossings is an unforgettable adventure full of love, longing and empathy.

The Forest of Hands and Teeth

First Grave on the Right is the smashing, award-winning debut novel that introduces Charley Davidson: part-time private investigator and full-time Grim Reaper. Charley sees dead people. That's right, she sees dead people. And it's her job to convince them to "go into the light." But when these very dead people have died under less than ideal circumstances (i.e., murder), sometimes they want Charley to bring the bad guys to justice. Complicating matters are the intensely hot dreams she's been having about an Entity who has been following her all her life and it turns out he might not be dead after all. In fact, he might be something else entirely. This is a thrilling debut novel from Darynda Jones, an exciting newcomer to the world of paranormal romantic suspense. First Grave on the Right is the winner of the 2012 Rita Award for Best First Book.

Beanstalker and Other Hilarious Scarytales

The second book in a new fantasy trilogy from New York Times bestselling author Kiersten White,

exploring the nature of self, the inevitable cost of progress, and, of course, magic and romance and betrayal so epic Queen Guinevere remains the most famous queen who never lived. EVERYTHING IS AS IT SHOULD BE IN CAMELOT: King Arthur is expanding his kingdom's influence with Queen Guinevere at his side. Yet every night, dreams of darkness and unknowable power plague her. Guinevere might have accepted her role, but she still cannot find a place for herself in all of it. The closer she gets to the people around her--Brangien, pining for her lost love Isolde; Lancelot, fighting to prove her worth as Queen's knight; and Arthur, everything to everyone and thus never quite enough for Guinevere--the more she realizes how empty she is. She has no sense of who she truly was before she was Guinevere. The more she tries to claim herself as queen, the more she wonders if Mordred was right: she doesn't belong. She never will. When a rescue goes awry and results in the death of something precious, a devastated Guinevere returns to Camelot to find the greatest threat yet has arrived. Not in the form of the Dark Queen or an invading army, but in the form of the real Guinevere's younger sister. Is her deception at an end? And who is she really deceiving--Camelot, or herself?

The Dark Descent of Elizabeth Frankenstein

There are three things you need to know about Sandra Fielding: 1) She makes all her first dates cry, 2) She hasn't been kissed in over two years, and 3) She knows how to knit. Sandra has difficulty removing

her psychotherapist hat. Of her last 30 dates, 29 have ended the same way: the man sobbing uncontrollably. After one such disaster, Sandra gives in to a seemingly harmless encounter with her hot waiter, Alex. Argumentative, secretive, and hostile Alex may be the opposite of everything Sandra knows is right for her. Love Hacked is book #3 in the Knitting in the City series. It's hard to be when you grow up at the Watcher's Academy, which is a bit different from your average boarding school. Here teens are trained as guides for Slayers—girls gifted with supernatural strength to fight the forces of darkness. But while Nina's mother is a prominent member of the Watcher's Council, Nina has never embraced the violent Watcher lifestyle. Instead she follows her instincts to heal, carving out a place for herself as the school medic. Until the day Nina's life changes forever. Thanks to Buffy, the

famous (and infamous) Slayer that Nina's father died protecting, Nina is not only the newest Chosen One—she's the last Slayer, ever. Period. As Nina hones her skills with her Watcher-in-training, Leo, there's plenty to keep her occupied: a monster fighting ring, a demon who eats happiness, a shadowy figure that keeps popping up in Nina's dreams... But it's not until bodies start turning up that Nina's new powers will truly be tested—because someone she loves might be next. One thing is clear: Being Chosen is easy. Making choices is hard.
