Real Estate Record and Builders' Guide

The Rough Guide to South America on a Budget is the definitive guide to making the most of this exotic region without breaking the bank. Backpackers, career-breakers, gap year travellers and those who want more bang for their buck, will find in-depth budget information for all twelve South American countries and every aspect of travel. From hotels, hostels and restaurants to special events, festivals and adrenalin-pumping outdoor activities, this guide is packed with the best budget information. You'll find "Treat Yourself" boxes that feature great places and things worth splashing out on and also a full-colour introduction with highlights for every country. There are reviews and recommendations for night-life, shopping, markets and entertainment, as well as useful words and phrases in every language and detailed maps for hundreds of locations.

Play Your Best Pool

The Rough Guide to Costa Rica

This book presents the game of pool as a body and mind experience that must be kept in sync. Physical concepts are presented in detail, but the author argues that in order to achieve maximum performance, psychological, intellectual and emotional elements must be incorporated into the player's development. In order to integrate physical, intellectual and emotional growth into a program for advancement, problems with hustling, gambling, alcoholism and drug abuse are addressed. The text suggests that positive lifestyle choices put the player into the

endless pursuit of achieving excellence and competitive greatness.

Belize Islands Guide

Break Shot Patterns

A Pool Player's Journey

"Pool Table Assembly" is a complete, detailed, and illustrated instruction manual for assembling almost any pool table. Mose Duane, author of A Rookie's Guide to, "Pool Table Maintenance and Repair," "Buying or Selling a Pool Table," and "Playing Winning Pool" wrote the manual. The need for it came about with the realization that far too many people are talked out of assembling their own pool table because "professionals" can do a better job. Nothing could be further from the truth. Assembling a pool table is not hard, and with a little insight and this manual, any rookie should be able to do a proficient job in an afternoon.

Explorer's Guide Tennessee

The Game of Billiards

In 1938, under the direction of novelist and historian Lyle Saxon, The Federal Writers' Project of the Works Progress Administration produced this delightfully detailed portrait of New Orleans. Containing recipes, photographs and folklore, it is consistently hailed as one of the best books produced about the city. Remarkably, many of the sites and attractions the WPA chronicled in 1938 are still around today.

The Rough Guide to South America On A Budget

The Not For Tourists Guide to Los Angeles is the essential urban handbook that thousands of Los Angelenos rely on daily. It divides the city into fifty-seven mapped neighborhoods and pinpoints all of the essential services and entertainment hotspots with NFT's user-friendly icons. The guide also includes: - A foldout highway map covering all of Los Angeles - Over 150 neighborhood and city maps - A guide to TV and movie studio locations - Details on sports and outdoor activities - Listings for the best shopping destinations Everything from supermarkets, cafes, bars, and gas stations to information on 24-hour services, beaches, public transportation, and city events—NFT will help you find a boutique for an Oscar gown and then show you how to get there.

Subic Bay Travel & Diving Guide

The Rough Guide to Central America On A Budget

Maxis book is an honest account of the whole Exotic Dance scene, good and bad, written by an insider who loves being an Exotic Dancer and isn't ashamed of her art, her life or her world. It's funny, wry, and candid and includes an excellent history of Exotic Dancing that goes back to Neolithic times.

Native's Guide to New York

"Consistently rated the best guides to the regions covered. Readable, tasteful, appealingly designed. Strong on dining, lodging, and history."—National Geographic Traveler This new guide covers both Myrtle Beach and its neighbors over the North Carolina border, including the fascinating seaports of Wilmington and Southport, a compact area that takes under three hours to drive from end to end but offers a wealth of different vacation options and activities. Distinctive for their accuracy, simplicity, and conversational tone, the diverse travel guides in our Explorer's Great Destinations series meet the conflicting demands of the modern traveler. They're packed full of up-to-date information to help plan the perfect getaway. And they're compact and light enough to come along for the ride. A tool you'll turn to before, during, and after your trip, these guides include chapters on lodging, dining, transportation, history, shopping, recreation, and more; a section packed with practical information, such as lists of banks, hospitals, post offices, laundromats, numbers for police, fire, and rescue, and other relevant information; maps of regions and locales, and more.

The Good Beer Guide to New England

The Rough Guide to Central America on a Budget is the definitive guide to making the most of this exotic region without breaking the bank. Backpackers, career-breakers, gap year travellers and those who want more bang for their buck, will find in depth budget information for all seven Central American countries and every aspect of travel. From accommodation and restaurants to special events, festivals and adrenalin-pumping outdoor activities, this guide is packed with the best budget information for night-life, shopping, markets and entertainment, as well as "Treat Yourself" boxes that highlight great places and things worth splashing out on. There is a full-colour introduction with highlights for every country. You'll also find useful words and phrases in every language and detailed maps for hundreds of locations. Make the most of your time with The Rough Guide to Central America on a Budget.

New Orleans City Guide

Plus, you can rely on up-to-date descriptions of the best hotels, eco-lodges, restaurants and cafés for all budgets. The guide also includes a full-colour section highlighting some of the country's amazing outdoor activities, with an engaging field guide to its abundant wildlife. Explore every region of this picturesque country with easy-to-use maps that make sure you

don't miss the unmissable. Make the most of your trip with The Rough Guide to Costa Rica.

The Rough Guide to Bangkok

Tobago offers an exquisite environment, but it has other major advantages. Until recently, Tobago's tourism industry was undeveloped. There were only a few resort-style hotels on the island, and none were more than three stories high. Numerous small hotels and guest houses dotted the towns, and there was a very low-key feel to the island. Tobago has now found itself on the tourist map, and hotels and holiday villa construction projects are in the works around the island. Tobago is still a very friendly and safe island. There are beautiful beaches, of course, but Tobago offers much more. It is a bird watcher's paradise. It also has the oldest national park in this hemisphere and some of the best scuba diving in the Caribbean for experienced divers. Tobago offers visitors a true Caribbean getaway. It is very relaxed, with sunning and swimming its major attractions. Golf, tennis, and numerous water sports are available, including snorkeling, windsurfing, diving, sailing, and deep-sea fishing. The natural environment is perfect for hiking along nature trails in the rain forest, and people in Tobago are open and friendly. Like us and so many others, you'll find yourself wishing a part of Tobago could be yours forever. There is an unwritten law in Tobago that buildings may not be taller than a palm tree. That unofficial rule is now becoming a part of development policy, and hotels may not be more than three stories high anywhere on the island. Attention is also being given to the delicate ecosystem and fragile nature of the land. While the number of hotel rooms will soon more than double, sites are being carefully selected to avoid damaging the very thing that makes the island special: its beautiful environment and clean waters. When visiting Trinidad and Tobago, remember that Tobago, especially, is still an island of villages and small-town friendliness. We got a lift from a farmer one day and as we rode along he talked about the strong village ties in Tobago. Village elders still try to keep everyone on the straight and narrow so there are fewer social problems in Tobago than in nearby, more urban Trinidad. Tobagoins are accepting of visitors and seem to have unending patience with the interruptions in their daily lives caused by tourists. While open-minded, the islanders are not sophisticated. Trinidad and Tobago both provide extraordinary opportunities to explore nature in all its forms. There are over 400 species of birds, over 600 varieties of butterflies, monkeys, armadillos, caiman, lizards, over a hundred species of snakes, and a huge variety of fish and other marine life. All of these find homes in an astonishing variety of natural environments - saltwater and freshwater mangrove swamps, mountain and coastal rain forests, savannahs, coral reefs, deepwater caves, freshwater rivers, and city parks. There are over 2,300 varieties of flowering plants and it seems there are almost as many micro-climates to support them. Tobago is a bird watcher's heaven. You will hear bird songs all over the island, and will see a variety of birds, large and small. On any window ledge you can create a bird feeder with a little sugar or a banana. We made a birdbath for the tinier birds with a bowl of water, and it was endless joy to see hummingbirds, canaries, and parakeets dine and bathe. This is the most in-depth guide to the island, with extensive information about what to see and do, where to stay and eat, the history and culture. And with color photos throughout.

The Illustrated Principles of Pool and Billiards

The most comprehensive and authoritative guide to the beautiful islands of Belize, including Ambergris Caye, Caye Caulker and the offshore cayes and atolls. This 200-page guide is by Lan Sluder, author of more than half a dozen books on Belize. It's packed with candid information and photos on hotels, restaurants, tours and activities on the cayes.
