Killers of the Flower Moon

From “one of the bonafide rock stars of the thriller genre” (The Real Book Spy) comes another tour de force in the #1 New York Times bestselling FBI Thriller series following agents Savich and Sherlock as they stumble into a bizarre case that’s more complicated and twisted than any they’ve ever encountered. On a Tuesday afternoon, Agent Sherlock is driving in downtown Washington when her Volvo is suddenly T-boned at an intersection. As her car spins out of control, a man’s body slams against her windshield and then—blackness. When she finally regains consciousness in the hospital, she’s told about the accident and the man she struck. No one knows yet who he is or where he is because he ran away. From DNA, they discover his name is Justice Cummings and he’s a CIA analyst at Langley...and he’s still missing. Meanwhile, in the small town of Gaffer’s Ridge, Virginia, Special Agent Griffin Hammersmith rescues a kidnapped woman claiming her captor had probably murdered three missing teenage girls. However, the man she accuses is the local sheriff’s nephew and a member of a very powerful family, reputed to have psychic powers. When the sheriff arrests Griffin and the rescued woman, Carson DaSilva, he calls Savich for help. Together they have to weave their way through a labyrinth of lies to find the truth of a terrible secret. “If there’s one thing that readers can count on in a Coulter novel it is that she always delivers amazingly eerie and complex thrillers” (RT Book Reviews), and Labyrinth is no different. With white-knuckled pacing and shocking twists and turns, this is another electrifying novel that will sink its teeth in you.

The Secret Power of Middle Children

"Natalie Black, the U.S. ambassador to the Court of St. James, has returned to Washington, her job in jeopardy. Her fiancé George McCallum, Viscount Lockenby, has died in a car accident, and mysterious rumors begin that she's responsible begin to surface: she broke off the engagement and, heartbroken, he killed himself. Then someone tries to force her off the M-2 outside London. Again, rumors claim it was a sympathy ploy. When she returns to the United States, she's nearly killed

when a car tries to mow her down while she's out for a run. No one believes her except FBI Special Agent Davis Sullivan. Meanwhile someone is following Sherlock. A stalker? Then someone tries to shoot her from the back of a motorcycle, but the assailant gets away. Sherlock next gets a call from an Atlanta mental hospital warning her that Blessed Backman has escaped. This is not good news. Blessed is a talented psychopath out for revenge against the agents, primarily Sherlock, whom his dying mother begged him to kill since she and Savich brought down her cult. How to find out who's trying to kill the ambassador to the U.K.? How can they get their hands on Blessed Backman before he succeeds and kills Sherlock? The clock is ticking and the danger intensifies"--

Bombshell

"American Spy updates the espionage thriller with blazing originality."—Entertainment Weekly "There has never been anything like it."—Marlon James, GQ "So much fun . . . Like the best of John le Carré, it's extremely tough to put down."—NPR NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • Entertainment Weekly • Esquire • BuzzFeed • Vulture • Real Simple • Good Housekeeping • The New York Public Library What if your sense of duty required you to betray the man you love? It's 1986, the heart of the Cold War, and Marie Mitchell is an intelligence officer with the FBI. She's brilliant, but she's also a young black woman working in an old boys' club. Her career has stalled out, she's overlooked for every high-profile squad, and her days are filled with monotonous paperwork. So when she's given the opportunity to join a shadowy task force aimed at undermining Thomas Sankara, the charismatic revolutionary president of Burkina Faso whose Communist ideology has made him a target for American intervention, she says yes. Yes, even though she secretly admires the work Sankara is doing for his country. Yes, even though she is still grieving the mysterious death of her sister, whose example led Marie to this career path in the first place. Yes, even though a furious part of her suspects she's being offered the job because of her appearance and not her talent. In the year that follows, Marie will observe Sankara, seduce him, and ultimately have a hand in the coup that will bring him down. But doing so will change everything she believes about what it means to be a spy, a lover, a sister, and a good American. Inspired by true events—Thomas Sankara is known as "Africa's Che Guevara"—American Spy knits together a gripping spy thriller, a heartbreaking family drama, and a passionate romance. This is a face of the Cold War you've never seen before, and it introduces a powerful new literary voice. NOMINATED FOR THE NAACP IMAGE AWARD • Shortlisted for the Center for Fiction First Novel Prize "Spy fiction plus allegory, and a splash of pan-Africanism. What could go wrong? As it happens, very little. Clever, bracing, darkly funny, and really, really good."—Ta-Nehisi Coates "Inspired by real events, this espionage thriller ticks all the right boxes, delivering a sexually charged interrogation of both politics and race."—Esquire "Echoing the stoic cynicism of Hurston and Ellison, and the verve of Conan Doyle, American Spy lays our complicities—political, racial, and sexual—bare. Packed with unforgettable characters, it's a stunning book, timely as it is timeless."—Paul Beatty, Man Booker Prizewinning author of The Sellout

Double Take

The New York Times bestseller—the inspiring personal story of American Idol's David Archuleta. In the New York Times bestseller *Chords of Strength*, American Idol favorite David Archuleta shares his unexpected and inspiring journey, including how he overcame vocal cord paralysis to achieve his dream of being a successful singer. David also opens up about the strength he draws from his unshakable faith and family. He pays tribute to those who continue to inspire him and, through their example, help him believe in himself, his talent, and his abilities. Intimate and uplifting, *Chords of Strength* allows a unique glimpse at the man behind the music and offers hope to anyone with a passion and a dream.

The Final Cut

The New York Times–bestselling author and cancer survivor tells how to hold on to joy in times of sorrow in this “absolutely beautiful book” (Sue Monk Kidd). The prize-winning author of such modern literary classics as *Practical Magic*, *The World That We Knew*, and *The Marriage of Opposites*, Alice Hoffman is also a cancer survivor. In *Survival Lessons*, she shares her transformative journey, showing us how to re-envision our own lives and relationships with our friends and family, and the significance of the everyday choices we make. Sorrow and joy are both part of the human experience, and the beauty of the world is easy to overlook during periods of crisis, illness, or loss. Here, Hoffman offers wit, wisdom, and comfort in “an optimistic instruction manual [for] anyone struggling with self-care in a time of trouble” (Story Circle Book Reviews). “In this gem of a book, Alice Hoffman acknowledges the sorrows of life, while reminding us of its joys. *Survival Lessons* is filled with love, insight, and lots of practical advice—including a crazy-good brownie recipe.” —Will Schwalbe, New York Times–bestselling author of *The End of Your Life Book Club* “Hoffman’s storytelling artistry enlivens each intimate, thoughtfully distilled, charming, and nurturing lesson in living.” —Booklist “[*Survival Lessons*] is not about [Hoffman’s] breast cancer per se but about making choices that will improve readers’ lives and relationships and remind them ‘of the beauty of life.’” —Library Journal “Full of smart intentions and kind reminders . . . Uplifting advice we’ll gladly take.” —Better Homes & Gardens

Never Split the Difference: Negotiating As If Your Life Depended On It

Agents Savich and Sherlock travel to the Kentucky mountains to discern the fates of a missing special agent and a doctor who is being protected by the FBI, only to find the case further complicated by a young woman on the run and the doctor's mental deterioration.

The Unholy

The number 1 New York Times–bestselling author is back with an electrifying new entry in the FBI series featuring Savich and Sherlock. FBI Special Agent Griffin Hammersmith, last seen in *Backfire*, has been recruited by Dillon Savich to join his unit in Washington, D.C. Savich sees something special in Hammersmith, an almost preternatural instinct for tracking criminals. While on his way to D.C., Hammersmith plans to visit his sister, Delsey, a student at Stanislaus School of Music in Maestro, Virginia. Before he arrives, he gets a phone call that Delsey was found naked, unconscious, and covered with blood after a wild party. The blood isn't hers—so who does it belong to? Meanwhile, back in D.C., Savich and Sherlock have their hands full when the grandson of former chairman of the Federal Reserve Bank is found murdered, every bone in his body broken, and frozen at the foot of the Lincoln Memorial. Was Savich right—is Griffin gifted with a unique ability to "see" how criminals think? And will he figure out who was behind the attempt on Delsey's life—before it's too late?

Power Play

#1 New York Times bestselling author Catherine Coulter returns with another pulse-pounding thriller featuring FBI agents Dillon Savich and Lacey Sherlock. A serial killer is on the loose, and it's up to FBI agents Dillon Savich and Lacey Sherlock to bring him down. They soon discover that the killer has blood ties to an infamous and now long-dead monster. Savich and Sherlock are joined by agents Lucy Carlyle and Cooper McKnight, and the chase is on. At the same time, Agent Carlyle learns from her dying father that her grandfather didn't simply walk away from his family twenty-two years ago: he was, in fact, murdered by his wife, Lucy's grandmother. Determined to find the truth, Lucy moves into her grandmother's Chevy Chase mansion. What she finds, however, is a nightmare. Not only does she discover the truth of what happened all those years ago, but she faces a new mystery, one that has been passed down from mother to daughter for generations. As the hunt for the serial killer escalates, Savich realizes he's become the killer's focus, and perhaps the next victim. It's up to Lucy to stop this madness before it's too late.

How to Be Richer, Smarter, and Better-Looking Than Your Parents

For what you did you deserve this. The mysterious note delivered to FBI agent Dillon Savich has him and his partner, Lacey Sherlock, on edge, just as they're starting an investigation into the shooting of their longtime friend Ramsey Hunt. The San Francisco judge was shot in the back during a high-profile murder trial—and now Sherlock's and Savich's search for the truth will take a shocking turn that no one could have seen coming... The Maze

This exhilarating FBI thriller by #1 New York Times bestselling author Catherine Coulter finds Savich and Sherlock confronting two baffling mysteries. A young wife is forced to confront a decades-old deadly secret when a medium connects her to her dead grandfather. A vicious psychopath wants ultimate revenge against Savich, but first, she wants to destroy what he loves most—his family. A series of three red boxes are delivered personally to Savich at the Hoover Building, each one containing puzzle pieces of a town only FBI agent Pippa Cinelli recognizes. Savich sends in Cinelli to investigate undercover but someone knows who she is. Savich and Sherlock are up to their eyebrows in danger, but can they figure out the red box puzzle and the young wife's secret before it's too late?

Enigma

Striking out on your own for the first time is exhilarating. But in a culture full of bad advice, predatory banks, and splurge-now-pay-later temptations, it can also be extremely dangerous—leading you to make financial decisions that could hurt you for years to come. Combine this with a slumped economy, mounds of student loans, and dubious examples from reality TV stars to politicians to your own parents, and it's no wonder so many twenty-somethings are struggling. Twenty-three-year-old Zac Bissonnette—the author of Debt-Free U—knows exactly what you're going through. He demystifies the many traps young people fall victim to in their post-college years. He offers fresh insights on everything from job hunting to buying a car to saving for retirement that will give you a foundation for a secure, stable, and happy life. In the process, he reveals why FICO scores are overrated, online job applications are a waste of time, car loans are for suckers, and credit card rewards are a scam. With detours to discuss wine connoisseurs, Really Broke Housewives, and Lenny Dykstra, Zac shows you how to make better choices today so you can be richer, smarter (and better-looking!) for years to come.

Deadlock

This myth-busting book shows how "forgotten" middle children can-and do-rule the world. In this counterintuitive book,

psychologist Catherine Salmon and journalist Katrin Schumann combine science, history, and real-life stories to reveal for the first time that our perception of middle children is dead wrong. Using unpublished and little-known research from evolutionary psychology, sociology, and communications, *The Secret Power of Middle Children* illustrates how adaptive strategies middleborns develop during childhood translate into stronger friendships, lasting marriages, successful careers, and effective parenting. Over seventy million adult Americans are middle children, and forty percent of young American families have middle children. With constructive advice on how to maximize the benefits and avoid the pitfalls of being a middle child, Salmon and Schumann help middle children at any age (and their parents) use birth order as a strategy for success.

American Spy

A heart-stopping story of romantic suspense from #1 New York Times bestselling author Catherine Coulter. Lindsay Foxe is a successful model in New York, a woman who hides behind a new name to protect herself from a past of betrayal and treachery and a present that becomes fraught with danger. The product of old San Francisco wealth, the daughter of a man who despises her, her life is forever changed when she is brutally assaulted by her sister's husband, and then rejected by her family. Lindsay is finally forced to face up to her past when she meets S.C. Taylor, a tough ex-cop, turned private investigator and computer troubleshooter. He is hired to protect her; but can he both win her trust and discover who is trying to kill her and why? From the Paperback edition.

Bombshell

In this "fast-paced" (Publishers Weekly) page-turner, the daughter of a murdered high-powered lawyer seeks sanctuary in a quaint little town, only to learn she can't escape her past-or FBI Special Agent Dillon Savich.

Writing Creative Nonfiction

For the first time: the FBI thrillers *Riptide* and *Hemlock Bay* together in one volume. Catherine Coulter's FBI series "twists at every turn" (San Diego Union-Tribune). In two of her most gripping books-*Riptide* and *Hemlock Bay*- FBI agents Dillon Savich and Lacey Sherlock face dangerous threats in both their professional and personal lives. In *Riptide*, trouble follows an intrepid reporter to the quiet coastal Maine community, and Savich and Sherlock must face down a KGB agent to find the truth. In *Hemlock Bay*, the two travel to Maryland to take down the satanic child-killing Tuttle twins.

TailSpin

The controversial New York Times–bestselling biography of America’s most infamous president written by a master of investigative political reporting. Anthony Summers’s towering biography of Richard Nixon reveals a tormented figure whose criminal behavior did not begin with Watergate. Drawing on more than a thousand interviews and five years of research, Summers traces Nixon’s entire career, revealing a man driven by addiction to power and intrigue. His subversion of democracy during Watergate was the culmination of years of cynical political manipulation. Evidence suggests the former president had problems with alcohol and prescription drugs, was mentally unstable, and was abusive to his wife, Pat. Summers discloses previously unrevealed facts about Nixon’s role in the plots against Fidel Castro and Salvador Allende, his sabotage of the Vietnam peace talks in 1968, and his acceptance of funds from dubious sources. The Arrogance of Power shows how the actions of one tormented man influenced 50 years of American history, in ways still reverberating today. “Summers has done an enormous service. . . . The inescapable conclusion, well body-guarded by meticulous research and footnotes, is that in the Nixon era the United States was in essence a ‘rogue state.’ It had a ruthless, paranoid and unstable leader who did not hesitate to break the laws of his own country.”—Christopher Hitchens, The New York Times Book Review “A superbly researched and documented account—the last word on this dark and devious man.”—Paul Theroux

A Shining Affliction

#1 NEW YORK TIMES BESTSELLER In his final hours in office, the outgoing President grants a controversial last-minute pardon to Joel Backman, a notorious Washington power broker who has spent the last six years hidden away in a federal prison. What no one knows is that the President issues the pardon only after receiving enormous pressure from the CIA. It seems that Backman, in his heyday, may have obtained secrets that compromise the world’s most sophisticated satellite surveillance system. Backman is quietly smuggled out of the country in a military cargo plane, given a new name, a new identity, and a new home in Italy. Eventually, after he has settled into his new life, the CIA will leak his whereabouts to the

Israelis, the Russians, the Chinese, and the Saudis. Then the CIA will do what it does best: sit back and watch. The question is not whether Backman will survive—there is no chance of that. The question the CIA needs answered is, Who will kill him? BONUS: This edition includes an excerpt from John Grisham's *The Litigators*.

The Devil's Triangle

Liza Wieland's mesmerizing new novel poses the questions: what if such a criminal, whose personal losses and obsessions have terrorized America, had a daughter--a beautiful blonde dancer in Las Vegas? What if she had a stepbrother who knew the truth? Wieland's novel suggests that the legacy of The Bomb detonated on July 16, 1945, is this mad professor's string of bombings, fifty years later. Through the personal stories of these three characters, Wieland shows that it's never clear where privacy ends and public life begins. And that we must take part in the lives around us, take blame, take care.

Insidious

Survival Lessons

When controversial US presidential candidate Dale Victor is killed in a plane explosion along with hundreds of passengers, it appears to be a clear-cut case of terrorism. The suspect has even confessed to the bombing. But as criminal barrister Michael Devlin is about to discover, everything is not as it seems. Assigned to investigate the bombing, intelligence agent Joe Dempsey also quickly suspects there are other forces at work. But who would have wanted Victor out of the way - and would be willing to commit mass murder to do it? As the evidence begins to mount, everything seems to point to the very top of the US government. And now someone is determined to stop Dempsey and Devlin from discovering the truth. At any cost. With countless more lives on the line, Dempsey must find a way to prove who's pulling the strings, and free the White House from the deadly grip that has taken hold of power.

Chords of Strength

The highly anticipated twenty-first FBI thriller by #1 New York Times bestselling author Catherine Coulter presents Agents Savich and Sherlock with two baffling mysteries. Working with Agent Cam Wittier (*Insidious*) and New York-based former Special Forces agent Jack Cabot, they must race against the clock to catch an international criminal and solve the enigma of the man called John Doe. When Agent Dillon Savich saves Kara Moody from a seemingly crazy man, he doesn't realize he will soon be facing a scientist who wants to live forever and is using "John Doe" to help him. But when the scientist, Lister

Maddox, loses him, he ups the stakes and targets another to take his experiments to the next level. It's a race against time literally as Savich and Sherlock rush to stop him and save both present and future victims of his experiments. In the meantime, Cam Wittier and Jack Cabot must track a violent criminal through the Daniel Boone National Forest. When he escapes through a daring rescue, the agents have to find out who set his escape in motion and how it all ties into the murder of Mia Prevost, the girlfriend of the president's Chief of Staff's only son, Saxton Hainny. It's international intrigue at the highest levels and they know they have to succeed or national security is compromised. Featuring Coulter's signature "breakneck plot and magnetic characters" (Huffington Post), Enigma is a shocking thrill ride that will keep you turning pages as fast as you can.

No Time to Die

Thousands of curious people visit a 30,000 sq. ft. unfinished mansion called "Longwood" every year in Natchez, Mississippi. Is it because it was built on the threshold of the Civil War by a man who lost 3 million dollars of property including 800 slaves which caused him to give up the will to live? OR IS IT BECAUSE OF HIS WIFE? Julia, Mistress of Longwood. Based on actual historical events told through fictional Diary entries from 1834-1897.

The Arrogance of Power

NEW YORK TIMES BESTSELLER - NATIONAL BOOK AWARD FINALIST "Disturbing and riveting It will sear your soul." —Dave Eggers, New York Times Book Review SHELF AWARENESS'S BEST BOOK OF 2017 Named a best book of the year by Wall Street Journal, The Boston Globe, San Francisco Chronicle, GQ, Time, Newsday, Entertainment Weekly, Time Magazine, NPR's Maureen Corrigan, NPR's "On Point," Vogue, Smithsonian, Cosmopolitan, Seattle Times, Bloomberg, Lit Hub's "Ultimate Best Books," Library Journal, Paste, Kirkus, Slate.com and Book Browse From New Yorker staff writer David Grann, #1 New York Times best-selling author of The Lost City of Z, a twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history In the 1920s, the richest people per capita in the world were members of the Osage Indian nation in Oklahoma. After oil was discovered beneath their land, they rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. Her relatives were shot and poisoned. And it was just the beginning, as more and more members of the tribe began to die under mysterious circumstances. In this last remnant of the Wild West—where oilmen like J. P. Getty made their fortunes and where desperadoes like Al Spencer, the "Phantom Terror," roamed—many of those who dared to investigate the killings were themselves murdered. As the death toll climbed to more than twenty-four, the FBI took up the case. It was one of the organization's first major homicide investigations and the bureau badly bungled the case. In desperation, the young director, J. Edgar Hoover, turned to a former Texas Ranger

named Tom White to unravel the mystery. White put together an undercover team, including one of the only American Indian agents in the bureau. The agents infiltrated the region, struggling to adopt the latest techniques of detection. Together with the Osage they began to expose one of the most chilling conspiracies in American history. In *Killers of the Flower Moon*, David Grann revisits a shocking series of crimes in which dozens of people were murdered in cold blood. Based on years of research and startling new evidence, the book is a masterpiece of narrative nonfiction, as each step in the investigation reveals a series of sinister secrets and reversals. But more than that, it is a searing indictment of the callousness and prejudice toward American Indians that allowed the murderers to operate with impunity for so long. *Killers of the Flower Moon* is utterly compelling, but also emotionally devastating.

Eleventh Hour

The highly anticipated twenty-first FBI thriller by #1 New York Times bestselling author Catherine Coulter presents Agents Savich and Sherlock with two baffling mysteries. The Broker

From the #1 New York Times bestselling author, Catherine Coulter, comes Eleventh Hour. The murder of a priest leads FBI agents Sherlock and Savich to their most baffling case yet, in this riveting novel of suspense. Catherine Coulter won acclaim for her "fast-paced twists and turns, believable dialogue, and case of well-developed characters" (San Francisco Chronicle). Now Coulter delivers the suspense thriller of her career in Eleventh Hour. When FBI agent Dane Carver's twin brother, Father Michael Joseph, is brutally murdered in his San Francisco church, husband-and-wife agents Lacey Sherlock and Dillon Savich take a personal interest in the investigation. Then Nicola "Nick" Jones, a homeless woman and the only witness to the shooting, is scared out of her mind because she's trying to hide from her own monsters - who are drawing closer and closer. The chase goes from San Francisco to the Premiere Studios in Los Angeles and its new television hit, a show all about murder. Packed with surprises, Eleventh Hour finds Catherine Coulter at her quintessential best.

Nemesis

Special agents Nicholas Drummond and Michaela Caine take on a criminal mastermind in the next captivating thriller in the New York Times bestselling A Brit in the FBI series. "Coulter and Ellison smoothly mix contemporary political issues with eerie historical legend in this fast-paced" (Publishers Weekly) thriller. The mystery: shocking. When several major political figures die mysteriously, officials blame their deaths on natural causes. However, when a small drone is spotted at the scene of the most recent death, it quickly becomes clear to FBI agents Nicholas and Michaela that there's more to this mystery than meets the eye. The key: indecipherable. Dr. Isabella Marin is a language expert, and she's dedicated her entire life to researching an ancient text that has long been considered indecipherable...that is, until now. When it becomes clear that there's an alarming pattern between the text and the recent deaths, she teams up with the FBI to find the link. It's clear that the manuscript is the key to catching the killer. But how? The case: nearly impossible. When Nicholas and Michaela uncover plans for a devastating attack on London, they must race against the clock to stop the killer before it's too late. Not only are they in danger of losing the manuscript—an object of extreme value—but they're also at risk of losing more innocent lives: including their own. With their signature heart-pounding tension and suspense, Catherine Coulter and

J.T. Ellison's *The Sixth Day* is “another amazing entry in this ongoing series” (Associated Press).

power to end the world as we know it. Galactus, France's answer to SpaceX, has just launched a communications satellite into orbit, but the payload actually harbors a frightening weapon: a nuclear bomb that can trigger a massive electromagnetic pulse (EMP). When the satellite is in position, Galactus's second-in-command, Dr. Nevaeh Patel, will have the power to lay waste to the world. A former astronaut, Patel believes she is following the directions of the Numen, aliens who saved her life when she space-walked outside the International Space Station. She is convinced that with the Holy Grail—just discovered by the owner of Galactus, eccentric treasure hunter Jean-Pierre Broussard—she can be reunited with the Numen, change the world's destiny, and become immortal with them. The countdown has begun when Special Agents Nicholas Drummond and Michaela Caine are thrown into the pending disaster. They must stop the EMP that would wreak havoc on communication and electronic systems on Earth, resulting in chaos and anarchy. With their high-octane and suspenseful prose, "Coulter and Ellison are a thriller writer's dream team, and *The Last Second* is some of their best work yet" (*The Real Book Spy*).
