Beezus and Ramona

The New Yorker called Beverly Cleary's first volume of memoirs, *A Girl From Yamhill*, a warm, honest book, as interesting as any novel. Now the creator of the classic children's stories millions grew up with continues her own fascination story. Here is Beverly Cleary, from college years to the publication of her first book. It is a fascinating look at her life and a writing career that spans three generations, continuing to capture the hearts and imaginations of children of all ages throughout the world.

Ramona and Her Mother

Ramona is back! New and old friends alike will rejoice in Beverly Cleary's latest book about spunky Ramona and the whole Quimby family. From the minute that Howie Kemp's "rich" Uncle Hobart arrives from Saudi Arabia, things are off to a rousing start. There are new beginnings and discoveries and two very special surprises -- one surprise is big and one is very little. It's a time of change for all the Quimbys; a time of new joys and little sadnesses, too. There are new worries -- Mr Quimby is worried about finding a teaching job, Ramona is worried they may have to move if he does, and Beezus is worried about her teenage complexion. And through it all Ramona, a grown up third-grader, remains a sometimes pesty, sometimes brave, sometimes blunderful, but always wonderful Ramona -- forever!

Dear Mr. Henshaw

The making of "Show ways," or quilts which once served as secret maps for freedom-seeking slaves, is a tradition passed

from mother to daughter in the author's family.

Ralph S. Mouse

Newbery Medal-winning author Beverly Cleary gives readers a hero they'll relate to—and root for—in this comical and inspiring novel about Henry Huggins's mission to prove himself worthy of his very own paper route. All the older kids work their own paper route, but because Henry is not eleven yet, Mr. Capper won't let him. Desperate to change his mind, Henry tries everything he can think of to show he's mature and responsible enough for the job. From offering free kittens to new subscribers, to hauling hundreds of pounds of old newspapers for his school's paper drive, there's nothing Henry won't try. But it might just be the irrepressible Ramona Quimby who shows Mr. Capper just how capable Henry is.

Muggie Maggie

A Navajo girl unravels a day's weaving on a rug whose completion, she believes, will mean the death of her grandmother.

Ways to Make Sunshine

In this humorous and relatable novel from Newbery Medal-winning author Beverly Cleary, a girl must overcome her rebellious attitude toward learning cursive. At first, Maggie is just feeling stubborn when she declares she won't learn cursive. What's wrong with print, anyway? And she can easily type on a computer, so why would she need to know how to read those squiggly lines? But soon all her classmates are buzzing about Maggie's decision, especially after her teacher, Mrs. Leeper, says Maggie's cursive is so sloppy that her name looks like "Muggie." With "Muggie Maggie" ringing in her ears, Maggie absolutely, positively won't back down until she's appointed class mail messenger. All the letters that Mrs. Leeper sends to the office are in cursive, and Maggie thinks they are written about her. But there's only way to know for sure—what's Maggie going to do? For generations, Beverly Cleary has captivated readers of all ages with beloved characters such as Ramona Quimby, Henry Huggins, Ribsy, and Ralph S. Mouse. Muggie Maggie follows suit with what School Library Journal calls "a likable, funny heroine whom readers will want to know."

The Ramona Collection, Volume 1

This is the delightfully warm and enjoyable story of an old Parisian named Armand, who relished his solitary life. Children, he said, were like starlings, and one was better off without them. But the children who lived under the bridge recognized a true friend when they met one, even if the friend seemed a trifle unwilling at the start. And it did not take Armand very long to realize that he had gotten himself ready-made family; one that he loved with all his heart, and one for whom he would have to find a better home than the bridge. Armand and the children's adventures around Paris -- complete with gypsies and a Santa Claus -- make a story which children will treasure.

The Old Man and the Sea - Literature Kit Gr. 9-12

One of the most popular characters ever created by Beverly Cleary is the small brown mouse named Ralph, whose modest appearance disguises the soul of a daredevil. Now he returns in a book that tells how he runs away from home on his mouse-sized motorcycle in search of freedom and adventure. Ralph's destination is a summer camp, where he hopes crumbs from peanut-butter-and-jelly sandwiches will be plentiful. But instead of finding freedom, he lands in a cage, doing endless loops on an exercise wheel. The story of how Ralph and a lonely boy named Garf discover they speak the same language involves a villainous cat, a grouchy hamster, and many campers. Each episode is funnier than the last. On one level, Mrs. Cleary's story is a delightful tour de force. On another, it delivers a message about running away that is all the more effective because it is unobtrusive.

It means that his teacher, Mrs. Simms, will hold a competition every month to see which student deserves to be awarded "the halo" - which student is best-behaved, kindest to others, and, in short, perfect. Suds is determined to be the first to earn the halo, but he's finding the challenge of always being good to be more stressful than he had anticipated. Does he have to be good even outside of school? (Does he have to be nice to his annoying little sister?) And if Mrs. Simms doesn't actually see him doing a good deed, does it even count? But Hillary is her next-door neighbor, and can’t say no when the unusual loner invites her over to play. In Sara-Kate’s overgrown backyard, Hillary will find proof of a world of magic—the kind that can only blossom between true friends. Among the rusted car parts and wild plants, a miniature village has sprung up. It has tiny houses made from string, sticks, and maple leaves; a well with a bottlecap for a bucket; and even a little playground with a Popsicle-stick Ferris wheel. But there’s absolutely no sign of who built this miniature world. To Sara-Kate, the answer is clear—only elves could be responsible for something so enchanted. As she and Hillary watch for their elusive new friends, they learn that friendship, like magic, springs up where you least expect it.
