The New Rolling Stone Record Guide

Arranged in sixteen musical categories, provides entries for twenty thousand releases from four thousand artists, and includes a history of each musical genre.

Schwann-1, Record & Tape Guide

Bonanza aired on NBC from September 12, 1959, to January 16, 1973, playing to 480,000,000 viewers in over 97 countries. It was the second longest running western series, surpassed only by Gunsmoke, and continues to provide wholesome entertainment to old and new fans via syndication. This book provides an in-depth chronicle of the series and its stars. A history of the show from its inception to the current made-for-television movies is provided, and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them, the dates they stayed with the show, date and time of original broadcast, writer, director, producer, executive producer, and supporting cast. Also provided are character sketches for each of the major recurring characters, career biographies of Lorne Green, Pernell Roberts, Dan Blocker, and Michael Landon, brief biographical sketches of the supporting cast, a discography of recordings of the Bonanza theme and recordings of the four major stars, and information on Bonanza television movies.

Schwann-2, Record & Tape Guide

The ultimate guide to classical composers and their music-for both the novice and the experienced listener Music, according to Aaron Copland, can thrive only if there are "gifted listeners." But today's listeners must choose between classical and rock, opera and rap, and the choices can seem overwhelming at times. In *The Essential Canon of Classical Music*, David Dubal comes to the aid of the struggling listener and provides a cultural-literacy handbook for classical music. Dubal identifies the 240 composers whose works are most important to an understanding of classical music and offers a comprehensive, chronological guide to their lives and works. He has searched beyond the traditional canon to introduce readers to little-known works by some of the most revered names in classical music-Bach, Haydn, Mozart, Schubert-as well as to the major works of lesser-known composers. In a spirited and opinionated voice, Dubal seeks to rid us of the notion of "masterpieces" and instead to foster a new generation of master listeners. The result is an uncommon collection of the wonders classical music has to offer.

Pearl Harbor

The Collector's Guide to the American Musical Theatre

Revisit the definitive book on Pearl Harbor in advance of the 75th anniversary (December 7, 2016) of the "date which will live in infamy" At 7:53 a.m., December 7, 1941, America's national consciousness and confidence were rocked as the first wave of Japanese warplanes took aim at the U.S. Naval fleet stationed at Pearl Harbor. As intense and absorbing as a suspense novel, *At Dawn We Slept* is the unparalleled and exhaustive account of the Japanese bombing of Pearl Harbor. It is widely regarded as the definitive assessment of the events surrounding one of the most daring and brilliant naval operations of all time. Through extensive research and interviews with American and Japanese leaders, Gordon W. Prange has written a remarkable historical account of the assault that-sixty years later-America cannot forget. "The reader is bound to feel its power.It is impossible to forget such an account." —The New York Times Book Review "At Dawn We Slept is the definitive account of Pearl Harbor." —Chicago Sun-Times From the Trade Paperback edition.

Forced to provide for his family from the age of 8 and thrown out of his home into a bitter Moscow winter at age 12, cellist Gregor Piatigorsky began his career as an archetypal struggling artist, using secondhand and borrowed instruments. When the October Revolution forced his escape to Warsaw, he enjoyed initial success with the Warsaw Philharmonic. Relocating to Berlin a few months later, he again struggled in poverty before eventually emerging as solo cellist with the Berlin Philharmonic. Settling in the United States during World II, Piatigorsky continued a brilliant career that cemented his place as one of the twentieth century's greatest musicians. This all-embracing chronicle of Piatigorsky's tempestuous life and career finally reveals the full life story of a musical legend.

Sketches of opera composers, opera synopses, and CD reviews.

ACLS Study Guide - E-Book

A Turing Award-winning computer scientist and statistician shows how understanding causality has revolutionized science and will revolutionize artificial intelligence "Correlation is not causation." This mantra, chanted by scientists for more than a century, has led to a virtual prohibition on causal talk. Today, that taboo is dead. The causal revolution, instigated by Judea Pearl and his colleagues, has cut through a century of confusion and established causality -- the study of cause and effect --

on a firm scientific basis. His work explains how we can know easy things, like whether it was rain or a sprinkler that made a sidewalk wet; and how to answer hard questions, like whether a drug cured an illness. Pearl's work enables us to know not just whether one thing causes another: it lets us explore the world that is and the worlds that could have been. It shows us the essence of human thought and key to artificial intelligence. Anyone who wants to understand either needs *The Book of Why*.

Record Collector's Price Guide

Pearl Harbor Attack

Using previously unreleased documents, the author reveals new evidence that FDR knew the attack on Pearl Harbor was coming and did nothing to prevent it.

Railway Signaling and Communications

Explores the anxious and emotional events surrounding the attack on Pearl Harbor, showing how the president and the American public responded in the pivotal hours that followed the attack.

Books and Pamphlets, Including Serials and Contributions to Periodicals

Includes Part 1A: Books and Part 1B: Pamphlets, Serials and Contributions to Periodicals

Catalog of Copyright Entries. Third Series

DVD provides over three hours of audio and video demonstrations of rehearsal techniques and teaching methods for jazz improvisation, improving the rhythm section, and Latin jazz styles.

At Dawn We Slept

These two fascinating cities reflect different aspects of China - Beijing is the traditional capital, the seat of political power and home to the ancient monuments of Imperial China; Shanghai is both a financial powerhouse and a city at the cutting edge of fashion with an interesting modern history. This DK Eyewitness Travel Guide provides in-depth coverage of these

cities, including Beijing's Great Wall and Forbidden City, Shanghai's Bund and the French Concession, as well as the water towns of Suzhou and Hangzhou, graced with serene and timeless gardens and lakes. Explore China's cultural heritage through richly illustrated features - on everything from Beijing Opera to Confucianism, Chinese Gardens, and the Cultural Revolution. Illustrated food features highlight the differing regional cuisines, and resident China experts have provided detailed listings of the best places to stay and eat. Specially devised walking tours take you easily to the heart of these bustling, enigmatic, and ultimately bewitching cities. Over 600 color photographs, maps & illustrations: -The flavors of Beijing and Shanghai - local produce and classic dishes -Cutaways and floor plans of all the major sights -Comprehensive selection of hotels and restaurants -3-D aerial views of Beijing and Shanghai's most interesting districts -Four Great Days Out in Beijing and Shanghai -Full-color Street Finder mapping

This fully updated edition includes prices for over one million records, listings for 45,000 artists, a color eight-page insert of record cover art, and a buyer-seller directory.

All Music Guide to Country

The Rough Guide to Opera

The New York Times–bestselling authors of *Miracle at Midway* delve into the surprise attack on Pearl Harbor during WWII in “a superb work of history” (*Albuquerque Journal Magazine*). In the predawn hours of December 7, 1941, a Japanese carrier group sailed toward Hawaii. A few minutes before 8:00 a.m., they received the order to rain death on the American base at Pearl Harbor, sinking dozens of ships, destroying hundreds of airplanes, and taking the lives of over two thousand servicemen. The carnage lasted only two hours, but more than seventy years later, terrible questions remain unanswered. How did the Japanese slip past the American radar? Why were the Hawaiian defense forces so woefully underprepared? What, if anything, did American intelligence know before the first Japanese pilot shouted “Tora! Tora! Tora!”? In this incomparable volume, Pearl Harbor experts Gordon W. Prange, Donald M. Goldstein, and Katherine V. Dillon tackle dozens of thorny issues in an attempt to determine who was at fault for one of the most shocking military disasters in history.

Jazz Pedagogy

Reflecting the 2010 Emergency Cardiovascular Care guidelines, *ACLS Study Guide, 4th Edition* offers a complete, full-color overview of advanced cardiovascular life support. An easy-to-read approach covers everything from airway management and rhythms and their management to electrical therapy, acute coronary syndromes, and acute stroke. In addition to the latest ACLS treatment algorithms, this edition includes new case studies, new photos and illustrations, a heart rate ruler, and a handy ACLS quick-reference card for use in the field. Written by Barbara Aehlert, *ACLS Study Guide* is the official

textbook for the American Safety & Health Institute ACLS certification course. A pretest and posttest -- each containing 50 questions with answers and rationales -- allow you to check your knowledge prior to and after your study. Chapter objectives preview the main points in each chapter. Stop and Review sections at the end of the chapters help you remember the most important information. ACLS Pearls boxes offer key points and useful tips for clinical practice. Keeping it Simple boxes provide essential information in a clear and concise manner. Ten case studies present real-life clinical situations, allowing you to make decisions based on information in the Preparatory section. Consistent format of case studies includes Objective, Skills to Master, Rhythms to Master, Medications to Master, Related Text Chapters, Essential Actions, and Unacceptable Actions. A heart rate ruler is included to help you interpret ECGs. 4 x 6 pocket-size quick-reference card contains key ACLS algorithms for field use. 100 new and updated photos and illustrations show key ACLS procedures and equipment. Pharmacological interventions are integrated into the chapters for a more cohesive learning experience. New streamlined approach reduces the number of pages and simplifies the information you need to know.

Popular Electronics

Provides over 10,000 current prices for soundtrack and original cast recordings. This guide is very comprehensive for US issues, but also includes selected Canadian and overseas releases.

The Essential Canon of Classical Music

- Rare photographs of Parton's early career from legendary photographer Les Leverett, retired staff photographer for the Grand Ole Opry
- Interviews with many of Parton's collaborators over the years, including producers, engineers, and other artists
- A discography of Dolly Parton's albums and hit songs and a list of her awards

All Music Guide

Reviews and rates the best recordings of country artists and groups, provides biographies of the artists, and charts the evolution of country music
