Fortune twists in the strongest hands. This is no repeat; this is what happens next. A man, once a legend who bound his soul to his sword as he lay dying, is now all but a boy nearing the end of his acolyte training. Stifled by life in the undersea city of Avalon, Arthur wants to fight side by side with the air-breathing Terrans, not spend his life as servant to the incorporeal sentient known as the Archive. Despite the restrictions put on him by Sanctuary, he is determined to help the surface-dwellers defeat predators whose sole purpose is to ensure their own survival, no matter the cost. Ashira, War Maid and princess of the surface-world, is ready to sacrifice her life to defend her kin, but when she is betrayed and cast out of the life chosen for her, she must choose whether to die with honor or become one of the creatures her kinsmen fear and loathe. Following two threads of time, CN Lesley's new incarnation of the Arthurian tales of old delivers the perfect blend of science fiction and fantasy.

Atlantis Rising

One decision changes everything in this Sliding Doors meets Anna and the French Kiss novel that explores split realities of romance and family loyalties, "recommended for fans of Sara Zarr, Elizabeth Scott, and Maureen Johnson (School Library Journal)." Caroline is at a crossroads. Her grandmother is sick and, like the rest of her family, Caroline's been at Gram's bedside since her stroke. With the pressure building, all Caroline wants to do is escape—both her family and the reality of Gram's failing health. So when Caroline's best friend offers to take her to a party one fateful Friday night, she must choose: stay by Gram's side, or go to the party for a few hours? The consequences of this one decision will split Caroline's fate into two separate paths—and she is about to live them both. Friendships are tested and family drama hits an all-new high as Caroline attempts to rebuild old relationships and even make a few new ones. If she stays, her longtime crush, Joel, might finally notice her, but if she goes, Chris, the charming college boy, might prove to be everything she's ever wanted. Though there are two distinct ways for her fate to unfold, there is only one happy ending...

Immortalis Carpe Noctem

Wood thrush, Kentucky warbler, the Eastern kingbird-migratory songbirds are disappearing at a frightening rate. By some estimates, we may already have lost almost half of the songbirds that filled the skies only forty years ago. Renowned biologist Bridget Stutchbury convincingly argues that songbirds truly are the "canaries in the coal mine"-except the coal

mine looks a lot like Earth and we are the hapless excavators. Following the birds on their six-thousand-mile migratory journey, Stutchbury leads us on an ecological field trip to explore firsthand the major threats to songbirds: pesticides, still a major concern decades after Rachel Carson first raised the alarm; the destruction of vital habitat, from the boreal forests of Canada to the diminishing continuous forests of the United States to the grasslands of Argentina; coffee plantations, which push birds out of their forest refuges so we can have our morning fix; the bright lights and structures in our cities, which prove a minefield for migrating birds; and global warming. We could well wake up in the near future and hear no songbirds singing. But we won't just be missing their cheery calls, we'll be missing a vital part of our ecosystem. Without songbirds, our forests would face uncontrolled insect infestations, and our trees, flowers, and gardens would lose a crucial element in their reproductive cycle. As Stutchbury shows, saving songbirds means protecting our ecosystem and ultimately ourselves.

There are bad boys and then there are the men of Devil's Rock . . . Some men come with a built-in warning label. Knox

Callaghan is one of them. Danger radiates from every lean, muscled inch of him, and his deep blue eyes seem to see right through to Briar Davis's most secret fantasies. But there's one major problem: Briar is a nurse volunteering at the local prison, and Knox is an inmate who should be off-limits in every way. Knox feels it too—a shocking animal magnetism that drives him to risk his own life to protect Briar's. Paroled at last, he tries to resist her. She's too innocent, too sweet, and she has no idea what Knox is capable of. But a single touch can lead to a kiss—and a taste . . . until the only crime is denying what feels so right . . . “When the prison doors are open, the real dragon will fly out.”—Ho Chi Minh

House Toustain House Maignart two royal houses once embroiled in a bloody feud Thirty years of peace now broken in an instant Sir Caden Maignart has been captured, beaten, locked in a dungeon, and wrongfully accused of kidnapping and oath-breaking. Determined to free himself and his men, and clear his besmirched name, Caden does not count on the willful nature of his captor, Lady Gwendolyn Toustain, the daughter of the man who was once his father's mortal enemy. After several attempts at escape, the lady orders him bound and chained to a wall in her chambers-where he will remain under her personal guard at all times and kept from conspiring with his men. While the lady's high-handedness infuriates him, Caden cannot deny that everything else about her drives him to distraction. Forced into close proximity with her, Caden soon finds it hard to remember his mission of escape. When Lady Gwendolyn of House Toustain first lays eyes on her prisoner, one thing about him is abundantly clear: Sir Caden of Daleraia is a dangerous man. Yet, she must show him no fear. The captured band of knights from Daleraia are her only clue in the mystery surrounding the disappearance of House Toustain's sons, and it falls to Lady Gwen to seek justice. Is this kidnapping merely the ploy of mercenaries out for a ransom? Or has Sir Caden acted on the order of the High Lord of Daleraia and broken the peace? As she searches for the answers, she never expects the surge of passion that ignites between herself and her prisoner. The longer he remains in her clutches, the more Gwen realizes that though she has him chained, she is the one who has been captured.

Together for the first time in one box set, the acclaimed and captivating trilogy of family saga, love and discovery, by New York Times bestselling author Diane Chamberlain. Keeper of the Light When Annie O'Neill dies on Dr. Olivia Simon's operating table, she leaves behind three other victims. Alec O'Neill, who thought he had the perfect marriage. Olivia's husband, Paul, whose fixation on Annie is unshakable. And Olivia, who is desperate to understand the woman who destroyed her marriage. Now they are left with unanswered questions about who Annie really was. And about the secrets she kept hidden so well. Kiss River Separated by a continent from her child, Gina Higgins comes to Kiss River with little more than a desperate plan. She is determined that the historic lens of the lighthouse holds the key to her future, but in a recent storm it sunk to the bottom of the ocean. Her quest to raise it draws in Clay O'Neill, who lives in the old light keeper's house with his sister, Lacey. But the lighthouse holds a secret that none of them can anticipate. Her Mother's Shadow When Lacey O'Neill finally learns the shattering truth about the mother she's spent a decade emulating, the foundation of her life begins to crumble. Then her closest childhood friend dies, leaving her teenage daughter, Mackenzie, in Lacey's care, and Lacey unwillingly finds herself in the role of mother. Uprooted, Mackenzie hates her new home. But the person who could understand her best might be the one she resents most: Lacey.

The Naked Guide to Cider

New York Times and USA Today bestselling authors Mercedes Lackey and James Mallory teamed up to write The Obsidian Trilogy, set in a wondrous world filled with magical beings, competing magic systems, and a titanic struggle between good and evil. That world proved so popular with the creators and readers alike that Lackey and Mallory have returned to it with The Phoenix Unchained, Book One of The Enduring Flame, the opening volume of a new epic fantasy trilogy. After a thousand years of peace, much Magick has faded from the world. The Elves live far from humankind. There are no High Mages, and Wild Mages are seen only rarely. Bisochim, a powerful Wild Mage, is determined to reintroduce Darkness to the world, believing that it is out of Balance. Tiercel, a young Armethalian nobleman, is convinced that High Magic is not just philosophy. He attempts a spell—and draws the unwelcome attention of Bisochim. Tiercel survives Bisochim's attack and begins trying to turn himself into a High Mage. Next in line to be Harbormaster of Armethalieh, Harrier instead finds himself regularly saving Tyr's life and meeting magickal people and creatures. To Harrier's dismay, it seems that he must become a hero. In The Phoenix Unchained, Harrier and Tiercel begin a marvelous journey to uncover their destinies. Along the way, they meet a charming female centaur, several snooty Elves, and the most powerful dragon their world has ever known. A new India is visibly emerging from within the folds of its many pasts. This new India needs to be seen with new eyes, free from the baggage of yesterdays characterizations. This is exactly what Santosh Desai, one of Indias best-known social commentators, does in this warm, affectionate and deliciously witty look at the changing urban Indian middle class. Writing as an insider, from personal experience, Desai cuts through the chaos and confusion of everyday India both yesterday and today, and suddenly, makes us see things clearly. Holding a mirror to our inner selves, Desai makes us see what drives us, what makes us tick, what makes our hearts beat, and how our mindsets and attitudes are changing, even as the past never quite leaves us. And Desai does so in short masterful essays, written with great humour and sensitivity. A big book about small things that truly matter.

The Complete Keeper Trilogy

When Darkness Falls, the third book in The Obsidian Trilogy from Mercedes Lackey and James Mallory Despite a great working of Wild Magic and High Magic that struck at the heart of the Demon Queen's evil plots, Knight-Mage Kellen and his Elven allies are still seen as enemies by the human Mage Council. The Elves and their allies must find a way to shatter the Demons' hold on the human Mages, for without their High Magic, the forces of Light will be destroyed by the forces of Darkness. The Commander of the Armies of Light decides to turn an Elven mine into a refuge for those driven from their homes by the war. Kellen is put in command of the force of engineers and warriors who will fortify the mine and does not learn until it is nearly too late that the caverns are full of Shadowed Elves. Vestakia, the half-human, half-Demon healer, finds that she has begun to be able to read the mind of her Demon father, Crown Prince Zyperis. The Demon Queen, Savilla, is preparing a great sacrifice that will summon He Who Is back to the world and make her the ultimate ruler forever. When Wild Mage Idalia learns of Savilla's plans, she knows there is only one way to prevent the coming of He Who Is. A very different sort of sacrifice must be made. To Light a Candle

Simon de Montfort was a man ahead of his time in the thirteenth century, a disinherited Frenchman who talked his way into an English earldom and marriage with a sister of the English king, Henry III. A charismatic, obstinate leader, Simon soon lost patience with the king's incompetence and inability to keep his word, and found himself the champion of the common people. This is his story, and the story of Henry III, as weak and changeable as Simon was brash and unbending. It is a tale of opposing wills that would eventually clash in a storm of violence and betrayal—an irresistible saga that brings the pages of history completely, provocatively, and magnificently alive.

Shadow Over Avalon

Follow Noel, a captured rebel of the human Resistance, as he endures his punishment at the hands of his supernatural enemies, the vampires. See where his fate lies. Highly erotic and extremely dark and twisted. Prepare yourself "I've been betrayed by someone I trusted. Because of him, I was captured by my loathed enemy: The vampires. Right now, the sun is still high in the sky, but I know when it sets, I'm as good as dead. They can't wait to get their fangs into me. I guess some would say I have it coming. I did raise a lot of hell with my Resistance crew, and I was planning on raising a hell of a lot more at dawn before I was sold out by Jonah. The vampires, werewolves and dragons, have been trying to track me down for months and I'd always been two steps ahead of them. I guess my number is up. I just hope they make it quick. You see, the vampires in my reality aren't the romantic lot you read about in books. They don't sparkle or hang out at high schools with their teenage girlfriends. Hell no, vampires are brutal, calculating, sadistic and bloodthirsty. As a matter of fact, all of the monsters are! That's how they were able to take over the world so easily and change an entire civilization to suit their needs. Whatever happens, I know it's not going to be pretty, so I'm preparing myself for the worst. May God help me." Warning: This novelette series contains hardcore sexual situations between men, not meant for sensitive eyes. I'm talking crude, lewd and full of attitude. This series will most likely either offend you or get ya revved up. This series isn't going to be pulling any punches whatsoever, so you've been warned. Mature Adult Content meant for readers looking for something dark, taboo, sexy, and unapologetic in their paranormal erotica. This is NOT a romance.

The Raven and the Dancing Tiger

In *The Outstretched Shadow*, which was named by VOYA as Best Science Fiction, Fantasy, and Horror book for 2003, Mercedes Lackey and James Mallory introduced readers to *The Obsidian Trilogy* and a complex new fantasy world populated by humans, centaurs, elves, talking unicorns, and demons. The Golden City of the Bells, where only humans live, is ruled by the Mage Council, practitioners of High Magic---a powerful magic that is stable and reliable, though rigidly controlled and performed only by men. Outside the City's walls, humans and magical beings mix freely and call upon Wild Magic---a system sometimes erratic, always driven by desire and need, and performed by both men and women. Now, in *To Light a Candle*, the Demon Queen sends her forces against her human and elven enemies, sowing distraction and death. In the human City, the Queen's agents work to divide the Council and foment rebellion among the City's citizens. In the countryside, they target the most vulnerable and valuable---the young Elf Prince and the Wild Mages who might be the Demons' most dangerous enemies. To his own surprise, young Kellen, once the disappointing son of the great Mage who leads the City's Mage Council, has become a powerful Knight-Mage. Valued for his bravery and his skills as both wizard and warrior, Kellen joins the Elves' war councils. Yet he cannot convince the City of his birth that it is in terrible danger. Kellen's sister Idalia, a Wild Mage with great healing ability, has pledged her heart to Jermayan, a proud Elven warrior. Someday

Idalia will pay a tragic Price for a world-saving work of Wild Magic, but until then, she will claim any joy life can offer her. Jermayan, who has learned much while fighting at Kellen's side and loving the human Idalia, finds that everything changes when he Bonds with a dragon while rescuing the Elf Prince and becomes the first Elven Mage in a thousand years. Furious at her enemies' success with the dragon, the Demon Queen attacks in force. Light struggles against Dark, like flickering candle flames buried deep in the shadow of Obsidian Mountain. Chained in Darkness

Now, fully revised and updated, the third edition of The Naked Guide to Cider includes more than 200 listings of cider producers, pubs, specialist shops and cider organisations as well as a colour section and a new fold-out cover map of Bristol's finest cider pubs. The Naked Guide to Cider is one of Tangent's best-selling titles and has enjoyed its success alongside the cider and perry boom. Today's new generation of cider enthusiasts want to do more than just drink cider. As sales of small-scale mills and presses show, they want to make cider for themselves. They also want to explore cider country - to drink in legendary cider pubs and learn about orchards and apple varieties. Today's consumers want experiences as much as products. They want to get involved, to make and discover things for themselves, and The Naked Guide to Cider will show them how. This is a new kind of cider book for a new generation of cider lovers. It is a guide book, but not like a CAMRA guide. The Naked Guide to Cider will introduce cider lovers to the history and culture of their favourite tipple, and demonstrate, with clear step-by-step instructions, how to make their own cider.

On one of Kathy's visits home that fall, she asked her mother, "What is our heritage?" To which her mother replied, "Why honey, you're a Texan!" I am not sure that was the answer Kathy was looking for, but, to my knowledge, she never questioned her mother's response. However, at that time I decided that some day I would research our Kale Family history so Kathy would know her family heritage beyond being a proud Texan. I hope she and her children, Julia Marie Routh and John Michael Routh, will come to appreciate their German heritage after reading about the Kehls who came to America in

The Outstretched Shadow

From acclaimed archaeologist and bestselling author Eric Cline, a breathtaking account of how the collapse of an ancient civilized world ushered in the first Dark Ages In 1177 B.C., marauding groups known only as the "Sea Peoples" invaded Egypt. The pharaoh's army and navy defeated them, but the victory so weakened Egypt that it soon slid into decline, as did most of the surrounding civilizations. Eric Cline tells the gripping story of how the end was brought about by multiple interconnected failures, ranging from invasion and revolt to earthquakes, drought, famine, and the cutting of international trade routes. Bringing to life a vibrant multicultural world, he draws a sweeping panorama of the empires of the age and shows that it may have been their very interdependence that hastened their dramatic collapse. Now revised and updated, 1177 B.C. sheds light on the complex ties that gave rise to, and eventually destroyed, the flourishing civilizations of the Late Bronze Age—and set the stage for the emergence of classical Greece and, ultimately, our world today.

Just Like Fate

The Outstretched Shadow, the first book in The Obsidian Trilogy from Mercedes Lackey and James Mallory Kellen Tavadon, son of the Arch-Mage Lycaelon, thought he knew the way the world worked. His father, leading the wise and benevolent Council of Mages, protected and guided the citizens of the Golden City of the Bells. Young Mages in training--all men, for women were unfit to practice magic--memorized the intricate details of High Magic and aspired to seats on the council. Then he found the forbidden Books of Wild Magic--or did they find him? The three slim volumes woke Kellen to the wide world outside the City's isolating walls. Their Magic was not dead, strangled by rules and regulations. It felt like a living thing, guided by the hearts and minds of those who practiced it and benefited from it. Questioning everything he has known, Kellen discovers too many of the City's dark secrets. Banished, with the Outlaw Hunt on his heels, Kellen invokes Wild Magic--and finds himself running for his life with a unicorn at his side. Kellen's life changes almost faster than he can understand or accept. Rescued by a unicorn, healed by a female Wild Mage who knows more about Kellen than anyone outside the City should, meeting Elven royalty and Elven warriors, and plunged into a world where the magical beings he has learned about as abstract concepts are flesh and blood creatures--Kellen both revels in and fears his new freedom. Especially once he learns about Demons. He'd always thought they were another abstract concept--a stand-in for ultimate evil. But if centaurs and dryads are real, then Demons surely are as well. And the one thing all the Mages of the City agreed on was that practicing Wild Magic corrupted a Mage. Turned him into a Demon. Would that be Kellen's fate? Deep in Obsidian Mountain, the Demons are waiting. Since their defeat in the last great War, they've been biding their time, sowing the seeds of distrust and discontent between their human and Elven enemies. Very soon now, when the Demons rise to make war, there will be no alliance between High and Wild Magic to stand against them. And all the world will belong to the Endarkened. The Complete Shadow Grail Series

From T.A. Barron, the New York Times bestselling author of the Merlin Saga, comes a new fantasy world about the origins of Atlantis, perfect for fans of The Lord of the Rings, Eragon, The Beyonders and Percy Jackson and the Olympians. In a magical land called Ellegandia, a young boy named Promi scrapes by, stealing pies, cakes and sweets to survive. But little does he know that his country is a pawn in an ages-old war between good and evil, battled both in the spirit realm and in the human world. Harboring secrets of his own, Promi teams up with a courageous girl named Atlanta and the two vow to save their land—and each other—no matter the cost. But their vow has greater repercussions than they ever could imagine—in fact, it may just bring about the creation of Atlantis, an island cut off from the rest of the world, where magic reigns supreme. With his trademark action, adventure, and poignancy, master of fantasy, T.A. Barron explores a new mythology—the origin of the legendary isle of Atlantis. This book is perfect for fans of Rick Riordan, Brandon Mull, Christopher Paolini and, of course, T. A. Barron’s Merlin Saga. Praise for T. A. Barron’s novels: “Brilliant, significant, and illuminating . . . an intense and profoundly spiritual adventure.”—Lloyd Alexander “A crescendo of miracles.”—Madeleine L’Engle “Interesting and august . . . compelling.”—The New York Times “In the best tradition . . . classic.”—Parents Magazine
