What's a corporate demon to do, when the voice in her head is devouring her sanity from the inside out, and the hosts of heaven and hell would rather see her destroyed than surrender a power no one should possess? Ronnie has the job any entry-level angel or demon would sell their soul for-she's a retrieval analyst for the largest search engine in the world. Ubiquity is a joint initiative between heaven and hell. Because what better way to track all of humanity's secrets, both good and bad, than direct access to their web browsing habits? She might appreciate the position a little more if a) she could remember anything about her life before she started working at Ubiquity, b) the damned voice in her head would just shut up already, and c) her boss weren't a complete control freak. As she searches for solutions to the first two issues, and hopes the third will work itself out in performance reviews, she uncovers more petty backstabbing than an episode of Real Housewives, and a conspiracy as old as Lucifer's descent from heaven. Now Ronnie's struggling to keep her sanity and job, while stopping the voice in her head from stealing her life. She almost misses the boredom of retrieval analysis at Ubiquity. Almost.

each. Unfortunately, the saloon station Nurse got distracted with her selfish boyfriend and overdosed the three subjects a much deeper dream state than the virtual reality sub-routine normally required for first timer users. One person was a young police detective who desired to see how it would be solving his first major case. The second person, a middle aged fireman wanted to relive the saving of a close friend and fellow firefighter. And the third person was a rookie NFL player who wanted to see what it would be like to the Superbowl in his first season. In the realm of virtual reality, one must know which realm to delve into. On the surface, the most popular realm is the third party realm if you will. Here is where you watch the implanted thought or idea manifest itself as you look on. The second, a deeper dream state realm called the interactive reality realm is where you the participant actually participate in the dream state thought. Using your own thoughts you interact with your surroundings and become a part of the dream. And then there is the deepest of the three dream state human science is aware of, the free fall realm. Here is where the client and the dream idea become one and anything and everything is possible. You interact in dream situations but the dream outcomes are random or in free fall so the interactions may actually become a new reality for those who manage to return from this deep dark continually evolving dream state. Here is where our three stay-cationers find themselves while the distracted nurse does whatever adult babysitters normally do until it is time to bring the stay-cationers out of their dream states. Join us on this wonderful thrill ride into the deepest dream state known to mankind the realm of "Sudden Reality".

Being a prophet entails receiving revelation from God, and being a king involves ruling and establishing God's kingdom on earth. Living out these three roles in full will enable Christians to fulfil their destinies, and ultimately, the corporate body of Christ will complete God's purpose for it, and God's kingdom will come on earth.

Empaths are sensitive, caring, responsive people who have at the core of their nature an innate ability to receive energy, information and awareness from others with a depth and intensity that is beyond our customary understanding of empathy. Yet, this very receptivity and permeability brings its own challenges. It is vital for empaths to recognize themselves as such and to consciously explore, understand and address this energetic flow in their life. ### **Earth's Angels**

Once I realized that each moment in real life is more dramatic than any novel or

screenplay ever written, I finally realized that reality was worth engaging. So often we wonder if anyone notices the lives we lead, but I believe God travels great distances to gather angels who long to see our stories unfold. He is like a director or writer who wants to show off His cast and characters. God, scripture, and truth stand firm, yet our stories and theology influence one another. What do you believe about God, Christ, and our identity as Christians? What are your thoughts on communion, worship, baptism, and heaven? What does God say about our struggle with Him and the emotions we carry inside us? What is the role of the church and the need we have for outside support? And finally, what are the true definitions of repentance and sanctification within the context of a grace-based theology? In your hands, you hold the intersection of my story and my theology. You hold my "Storiology". May it point you to God, igniting a desire to find Him in the middle of your own dramatic, valuable story. Even angels long to look into these things. - 1 Peter 1:12

The picture in the book that shows the Violet Sphere that I am holding in my hands contains the Frequencies and the Keys that will become the Merkaba Crystal Space Ship to carry the Cosmic Twins back to Tara, Gaia and beyond. The Violet Sphere was created by following the directions of the Elohim Angels and the Sirian Council. The picture was taken during the moment of the Stellar Wave Infusion of the Violet Wave from Sun Alcyone and the Stellar Wave Activation of the Sirian Spiral in 2008. The Stellar Waves activated our 5 DNA and began the initiation of the 12 subharmonics into the 6 DNA. Dr. Barnett shows herself holding the Violet Sphere that identifies her as a Violet Flame Holder. She uses this picture to explain to others how it is that this Violet Sphere of Plasma is the exact substance that our

Normal Spiritual Body is made of and how it will be the actual absorption of this light and sound energy from these plasma balls that transforms our bodies into light. The Cosmic Twins came to Earth to tune the Earth into the Music of the Spheres by bringing the Highest Frequencies to Earth through music. The Ascension Portal - that the Cosmic Twins at this very time assisted in - for the Fifth Dimensional Dolphins allowed them to ascend into their Sixth Dimensional Bodies in the Cloud Cities during the moment of this picture of the Violet Sphere. Dr. Barnett is truly the Doctor of DNA. She explains how the etheric sub harmonics of the DNA strands are not something that can be seen with the doctor's microscopes. The DNA braids together the Consciousness of the Individual between the Harmonic Universes which carry specific Frequency Signatures of the Individual's Consciousness in different Frequency Ranges of Density. The higher the Frequency is, the less density is in the reality. When the Consciousness is braided into the 12th Dimensional Realm, there is zero density. This 12th Dimensional Frequency is the Resonance that is needed lock the human consciousness into oneness with the Human Angelic Consciousness of this Human Race Line's origins. The Kingdom of Heaven is being brought to Earth through Music. It is the Music of the Spheres dancing to a new rhythm. As the Frequency Music weaves this Consciousness into the Earth's Biosphere it becomes available for each individual to Inhale the Light and Sound into their own DNA and neuronet system. Absolute evidence of the True Divinity and Sovereignty of the Man who has activated 12 DNA sub harmonic strands into each of the 5 DNA. The power of

immortality is revealed through the Music of the Spheres raising Man back into His Normal Reality. Dr. Barnett explains how she was trained by a group of Elohim Angels to bring the highest frequencies of Consciousness to Earth through Music. She shows how she uses that formula in creating the Frequency Music that can be heard and purchased at her website, [crystalmagicorchestra.com](http://crystalmagicorchestra.com). This Extraordinary, True and Accurate revelation of how the Resurrection was performed by the Elohim Angels through the Holograms they created in the Jesus and Mary Story. This exact same process of Raising the Dead into Eternal Life was revealed once again through the shocking story of one man who had his body completely mutated by three ten ton trucks hitting his body on the freeway and five more cars running over his body before the traffic could be stopped. The body of "aDolphino" had been possessed by three demonic entities called the FAtale that the Grey Zeta Rigelians had prepared the interdimensional passage for. This Actual Event occurred to show that everything the Guardians taught as the KeyLontic Science of the Music of the Stars is an absolute reality. This magical light and the magical sound that comes from the formula given by the Angels is the Creation Substance that we will all be learning to use as our new Prana and Manna of Manifestation. The story of the Cosmic Twins is what the Elohims told us was their new Jesus and Mary story.

### **Earth Angels**

In the Spirit Worlds and the dimensions that exist, reside numerous kingdoms that house a plethora of Spirits that inhabit various forms. One of these tribes is called the Wise Ones, a darker breed in the spirit realm who often chooses to incarnate into a human body one lifetime after another for important purposes. The Realm of the Wise One takes you on a magical journey to the spirit world where the Wise Ones dwell. This is followed with in-depth and detailed information on how to recognize a human soul who has incarnated from the Wise One Realm. Author, Kevin Hunter, is a Wise One who uses the knowledge passed onto him by his Spirit team of Guides and Angels to relay the wisdom surrounding all things Wise One. He discusses the traits, purposes, gifts, roles, and personalities among other things that make up someone who is a Wise One. Wise Ones have come in the guises of teachers, shaman, leaders, hunters, mediums, entertainers and others. Realm of the Wise One is an informational guide devoted to the tribe of the Wise Ones, both in human form and on the other side. This book requires an untainted open mind to what's unseen or misunderstood. What readers have said about the "Realm of the

Wise One": "Read the book Realm of the Wise One and what an awesome book! It was full of wisdom and beauty that it touched my heart." - A Reader "Reading Realm of the Wise One had calmed my anxiety down within minutes. I have shared this book with a few people that are ready to receive the messages and they've told me it helped their journey tremendously. Thank you Kevin Hunter for your work here on earth and beyond." - A Reader "I'm devouring Realm of the Wise One for the second time. I went through it so fast the first time it was a bit of a whirlwind. Much of it got blown away by all of the "Oh my God, so it's not just me" emotions. I've read Doreen Virtue's information on realms, but that was barely an appetizer. This book explains it to me with all the words I had inside me already. Fascinating!" - A Reader "I'm about 100 pages into the book, "Realm of the Wise One". I woke up at 2:45 one morning and rather than going online I started reading it. It has helped me connect to the spirit dimensions in a very visceral way. I feel the presence of the spirit realms in a way that felt more elusive before. I definitely see so much of myself in the wise one archetype. It has helped me own those parts of myself rather than thinking I should be different - in particular the introverted part of me that has about zero tolerance for small talk or BS. I don't identify with all of it so I am thinking I might have some other archetypes mixed in there, but I definitely have a lot of the wise one in me. And there are some definite unicorns in my life. It's fascinating to read about all of this. I look forward to learning more. Thank you to the author for gifting the book to the Universe!" - A Reader "I bought Realm of the Wise One and it had me hooked. I liked this one so much and would

be interested to read more books on Wise Ones by this author." - A Reader "I'm on the last chapter of the book, "Realm of the Wise One". I have so much to say I don't even know where to begin. First of all, AWESOME BOOK! It made me understand and see some people in my own life and where they are coming from. One of them being my uncle. I see so much of a Wise One in him that it's not even funny. But what made me laugh so hard is the way Incarnated Angels are portrayed. I loved that chapter because it's like it was describing me to a tee!" - A Reader "I've been reading the book, "Realm of the Wise One", and it's a page-turner to me! Wow!" - A Reader "Love the book 'Realm of the Wise One'! Actually reading the book again to absorb the invaluable information. The first time I came across the Wise One Realm was in Doreen Virtue's book. The information seemed a little limited. I had to find more information, but couldn't find it anywhere. I asked my Spirit Family for help for about a year. And one day I was guided to look for a new book to read. I almost fell out of my chair and started laughing when I saw this book! It definitely has answered many questions about who I am. Great book!" - A Reader "I am on page 99 of the "Realm of the Wise One" book, and this book is so positively energetic I love it!" - A Reader "I have been reading this book and can't put it down! It's so good! Kevin Hunter should be a teacher in a school or college, or counselor. This stuff he wrote is right to the point and right on the mark. I kept thinking, damn he's good! I'm just about to start chapter 8 and each chapter is like wow, "He's so right on! Great job with this. What a gifted Angel Wise One this author is and a true Warrior for sharing the right stuff! Thank you!" - A Reader

"Wow! The "Realm of the Wise One" book arrived this afternoon (today - the day of the Equinox), I took it to the gorgeous Lake Alpsee and I read the first 29 pages. I could hardly stop. I am impressed! And moved. The unicorns have been knocking on my door for a few months now and they keep knocking. It's like my heart is remembering something, and now I read in this book that there is a connection between unicorns and Sagittarius! Thank you for writing this great book!" - A Reader "I directed the Realm of the Wise One book to a Wise One who seemed to be in need of a change from his day job. He teaches meditation and self-empowerment courses, but he needed more stimulation, as he sounded bored with that, so I gave him this book and he said it helped him. We love this book!" - A Reader "I read the book "Realm of the Wise One" the other night in one sitting. When I got to the description of the author's home and the different beings I started to cry. I immediately recognized my friend in this as a Wise One. I messaged her and demanded, cajoled and begged her to immediately buy the book. I said to her You KNOW this guy or you will know him. I can see it as plain as day. She's now read it and came back to me with, "You're right! There's someone like me!" So uh yeah, guilty as charged for that one." - A Reader "I recently picked up the book REALM OF THE WISE ONE from a stall in India. I turned over to the back of the book and a picture of the author was printed. I saw the picture and my heart started racing at like 250 bpm. I knew I had to buy this book and I'm glad I did. What an amazing book!" - A Reader "WOW! What a fantastic book Realm Of The Wise One is! I've been reading it off and on all afternoon. Great book! Makes

you think whoa! Things were said that hit me like POW! This is such an insightful book! I'm loving it and will be reading it again." - A Reader "I'm not even a Wise One and I found the Realm of the Wise One book richly informative and a thoroughly enjoyable read. Hope the author gets inspired to write more on the other Realms someday. He has such an incisive way of animating the material." - A Reader "Realm of the Wise One was enchanting I loved it. This author is a trendsetter. A man writing the truth that others are drinking up. You know the magick. The magick of being a Wise One is showing others the truth and giving them the option to drink up the Truth or to spit it back out and keep grunting like Neanderthals." - A Reader "It has come to my attention that the author and I "see" the same places. I find this unusual. Thy Realms he speaks of in his book, "Realm of the Wise One", are known to me as Fey or Fae Realms. It is the places between The Veil. I am drawn in, but wary and I cannot place why. It is not fear of embarrassment (think me a fool it doesn't unsettle me). Rather a strange sensation of being seen, of knowing you are from my home, a nakedness of spirit perhaps. I have ridden the white horse with wings all my life, visited crystal cities that seem to burn in the setting sun only to return to cool shining glassy crystal in the purple of evening. Yet it was the waterfalls he describes, or most specifically the grass, of every shade of green that brought me to tears of knowing. Even the cover of the book is familiar to me. I called it my House Tree as a child with stairs that wind both up and down. And a doorway that is higher up to settle and watch the lights in the leaves in the evening. I will look for this author in my forest and

perhaps in the mountains too, or maybe I will return to the crystal city and the dancing there. This was an amazing book to me." - A Reader
