Sati

I once knew this girl who thought she was God. She didn't give sight to the blind or raise the dead. She didn't even teach anything, not really, and she never told me anything I probably didn't already know. On the other hand, she didn't expect to be worshipped, nor did she ask for money. Given her high opinion of herself, some might call that a miracle. I don't know, maybe she was God. Her name was Sati and she had blonde hair and blue eyes. For all who meet her, Sati will change everything. Sati may change everything for you.

The Secret Path

Spooksville is in trouble. Huge crabs have appeared on the beach. The crabs keep coming, and it seems no weapon can stop them.

Gimme a Kiss

From New York Times bestselling author Christopher Pike comes the first novel in the young adult fantasy Alosha Trilogy, featuring a teenager discovering her true identity and potential destiny. Every young girl dreams that she's secretly a princess of a far-off land and that someday her true parents will come to claim her and usher her into a life of luxury, a fabulous existence where she might even have magical powers and be swept off her feet by a handsome prince. Teenager Ali Warner has reason to cling to such a fantasy. Her mother died in a car accident a year ago. Her father, a trucker determined to work through his grief, hasn't acknowledged Ali's burgeoning figure or complicated emotions. Her friends still aren't sure how to talk about her mother's death. And the Southern California forest that has always been Ali's refuge is about to be ravaged by logging. Ali is about to discover that she is a princess--a fairy princess. And that she has to save the world. For real. To claim her fairy powers, Ali must overcome seven potentially lethal challenges. Then she must scale a mountain and confront the King of the

Dwarves and the King of the Elves, whose armies are poised to invade Earth. With her bemused 21st century friends, a sly leprechaun, and an extremely loyal, extremely ugly, troll by her side, Ali begins the most momentous journey of her young life, a journey during which she will learn much about herself and the past she thought she knew. She will conquer fire and water, earth and air, and even time itself. She will be both betrayer and betrayed, will see death close at hand, and will snatch victory from the jaws of defeat. Ali Warner is Alosha. Welcome to her world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Bound to You

Philip Marlow and Lew Archer would recognize a kindred spirit in Jimmy Gage, reporter for SLAP magazine, troublemaker by trade and inclination, and the hero of Robert Ferrigno's sinuous new crime novel. While taking part in a Hollywood scavenger hunt, Jimmy meets Garret Walsh, a bad-boy movie maker in the truest sense: He's just been released from prison after serving seven years for the murder of a teenaged girl. But Walsh claims he was framed and is writing a screenplay to prove it. He wants Jimmy to help him peddle it, sight unseen. The next time Jimmy sees the director, he's floating face-down in a koi pond and "The Most Dangerous Screenplay in Hollywood" has disappeared. Is Walsh a casualty of bad habits or has somebody crossed him off a list? And is Jimmy next? Combining

The Last Story

Alfred Hitchcock takes on Sigmund Freud in this thriller in which psychologist Ingrid Bergman tries to solve a murder by unlocking the clues hidden in the mind of amnesiac suspect Gregory Peck. Among the highlights is a bizarre dream sequence seemingly designed by Salvador Dali--complete with huge eyeballs and pointy scissors. Although the film is in black and white, the original release contained one subliminal blood-red frame, appearing when a gun pointed directly at the camera goes off. Spellbound is one of Hitchcock's strangest and most atmospheric films, providing the director with plenty of opportunities to explore what he called "pure cinema"--i.e., the power of pure visual associations. Miklós Rózsa's haunting score (which features a creepy theremin) won an Oscar, and the movie was nominated for best picture, director, supporting actor (Michael Chekhov), cinematography, and special visual effects.
