A Finalist for the Edgar Award for Best First Novel “Remarkable . . . This isn’t your ordinary coming-of-age novel, but with his bone-cutting insights into these men and the region that bred them, Joy makes it an extraordinarily intimate experience.”—Marilyn Stasio, The New York Times Book Review "Lyrical, propulsive, dark and compelling. Joy knows well the grit and gravel of his world, the soul and blemishes of the place."--Daniel Woodrell In the country-noir tradition of Winter's Bone meets 'Breaking Bad,' a savage and beautiful story of a young man seeking redemption. The area surrounding Cashiers, North Carolina, is home to people of all kinds, but the world that Jacob McNeely lives in is crueler than most. His father runs a methodically organized meth ring, with local authorities on the dime to turn a blind eye to his dealings. Having dropped out of high school and cut himself off from his peers, Jacob has been working for this father for years, all on the promise that his payday will come eventually. The only joy he finds comes from reuniting with Maggie, his first love, and a girl clearly bound for bigger and better things than their hardscrabble town. Jacob has always been resigned to play the cards that were dealt him, but when a fatal mistake changes everything, he’s faced with a choice: stay and appease his father, or leave the mountains with the girl he loves. In a place where blood is thicker than water and hope takes a back seat to fate, Jacob wonders if he can muster the strength to rise above the only life he’s ever known. From the Hardcover edition.

In the House of Wilderness

A stunning New York Times bestselling novel that intertwines the stories of an escaped slave in 1852 Virginia and an ambitious young lawyer in contemporary New York and asks: is it ever too late to right a wrong? Lynnhurst, Virginia, 1852. Seventeen-year-old Josephine Bell decides to run away from the failing tobacco farm where she is a slave and nurse to her ailing mistress, the aspiring artist Lu Anne Bell. New York City, 2004. Lina Sparrow, an ambitious first-year associate in an elite law firm, is given a difficult, highly sensitive assignment that could make her career: finding the “perfect plaintiff” to lead a historic class-action lawsuit worth trillions of dollars in reparations for descendants of American slaves. It is through her father, the renowned artist Oscar Sparrow, that Lina discovers Josephine Bell and a controversy rocking the art world: are the iconic paintings long ascribed to Lu Anne Bell really the work of her house slave, Josephine? A descendant of Josephine’s—if Lina can locate one—would be the perfect face for the reparations lawsuit. While following the runaway house girl’s faint trail through old letters and plantation records, Lina finds herself questioning her own family history and the secrets that her father has never revealed: how did Lina’s mother die? And why will he never speak about her?

Bluebird, Bluebird

Rain is a young woman under the influence of a charismatic drifter named Wolf and his other “wife,” Winter. Through months of wandering homeless through the cities, small towns, and landscape of Appalachia, the trio have grown into a kind of desperate family, a family driven by exploitation and abuse. A family that Rain must escape. When she meets Stratton Bryant, a widower living alone in an old east Tennessee farmhouse, Rain is given the chance to see a bigger world and find herself a place within it. But Wolf will not let her part easily. When he demands loyalty and obedience, the only way out is through an episode of violence that will leave everyone involved permanently damaged. A harrowing story of choice and sacrifice, Charles Dodd White’s *In the House of Wilderness* is a novel about the modern South and how we fight through hardship and grief to find a way home.

The River of Kings

Bellwether Prize winner Hillary Jordan’s provocative new novel, *When She Woke*, tells the story of a stigmatized woman struggling to navigate an America of a not-too-distant future, where the line between church and state has been eradicated and convicted felons are no longer imprisoned and rehabilitated but chromed—their skin color is genetically altered to match the class of their crimes—and then released back into the population to survive as best they can. Hannah is a Red; her crime is murder. In seeking a path to safety in an alien and hostile world, Hannah unknowingly embarks on a path of self-discovery that forces her to question the values she once held true and the righteousness of a country that politicizes faith.

A Tale for the Time Being

A blistering novel of violence and deliverance set against the mythic backdrop of the Mississippi Delta. The acres and acres of fertile soil, the two-hundred-year-old antebellum house, all gone. And so is the woman who gave it to Jack, the foster mother only days away from dying, her mind eroded by dementia, the family legacy she entrusted to Jack now owned by banks and strangers. And Jack's mind has begun to fail, too. The decades of bare-knuckle fighting are now taking their toll, as concussion after concussion forces him to carry around a stash of illegal painkillers and a notebook of names that separates friend from foe. But in a single twisted night, Jack loses his chance to win it all back. Hijacked by a sleazy gambler out to settle a score, Jack is robbed of the money that will clear his debt with Big Momma Sweet -- the queen of Delta vice, whose deep backwoods playground offers sin to all those willing to pay -- and open a path that could lead him back home. Yet this sudden reversal of fortunes introduces an unlikely savior in the form of a sultry, tattooed carnival worker. Guided by what she calls her "church of coincidence," Annette pushes Jack toward redemption, only to discover that the world of Big Momma Sweet is filled with savage danger. Damaged by regret, crippled by twenty-five years of fists and elbows, heartbroken by his own betrayals, Jack is forced to step into the fighting pit one last time, the stakes nothing less than life or death. With the raw power and poetry of a young Larry Brown and the mysticism of Cormac McCarthy, Michael Farris Smith cements his place as one of the finest writers in the American literary landscape.

Home When it comes to law and order, East Texas plays by its own rules--a fact that Darren Mathews, a black Texas Ranger, knows all too well. Deeply ambivalent about growing up black in the lone star state, he was the first in his family to get as far away from Texas as he could. Until duty called him home. When his allegiance to his roots puts his job in jeopardy, he travels up Highway 59 to the small town of Lark, where two murders--a black lawyer from Chicago and a local white woman--have stirred up a hornet's nest of resentment. Darren must solve the crimes--and save himself in the process--before Lark's long-simmering racial fault lines erupt. From a writer and producer of the Emmy winning Fox TV show Empire, Bluebird, Bluebird is a rural noir suffused with the unique music, color, and nuance of East Texas. "In Bluebird, Bluebird Attica Locke has both mastered the thriller and exceeded it." --Ann Patchett

A Hundred Summers

"Reeled out with the chilling calmness of a Hitchcock film, Above haunts as it illuminates. Deftly told, this tale of human resilience in the face of madness is a horror classic for our times" (Lynn Cullen, bestselling author of Mrs. Poe). Blythe Hallowell is sixteen when she is abducted by a survivalist and locked away in an abandoned missile silo in Eudora, Kansas. At first, she focuses frantically on finding a way out, until the harrowing truth of her new existence settles in—the crushing loneliness, the terrifying madness of a captor who believes he is saving her from the end of the world, and the persistent temptation to give up. But nothing prepares Blythe for the burden of raising a child in confinement. Determined to give the boy everything she has lost, she pushes aside the truth about a world he may never see for a myth that just might give meaning to their lives below ground. Years later, their lives are ambushed by an event at once promising and devastating. As Blythe's dream of going home hangs in the balance, she faces the ultimate choice—between survival and freedom. Above is a riveting tale of resilience in which "stunning" (Daily Beast) new literary voice Isla Morley compels us to imagine

what we would do if everything we had ever known was taken away. Like the bestselling authors of *Room* and *The Lovely Bones* before her, Morley explores the unthinkable with haunting detail and tenderly depicts our boundless capacity for hope.

Look for special features inside. Join the Random House Reader's Circle for author chats and more. Twelve-year-old William Eng, a Chinese American boy, has lived at Seattle's Sacred Heart Orphanage ever since his mother's listless body was carried away from their small apartment five years ago. On his birthday—or rather, the day the nuns designate as his birthday—William and the other orphans are taken to the historical Moore Theatre, where William glimpses an actress on the silver screen who goes by the name of Willow Frost. Struck by her features, William is convinced that the movie star is his mother, Liu Song. Determined to find Willow and prove that his mother is still alive, William escapes from Sacred Heart with his friend Charlotte. The pair navigate the streets of Seattle, where they must not only survive but confront the mysteries of William's past and his connection to the exotic film star. The story of Willow Frost, however, is far more complicated than the Hollywood fantasy William sees onscreen. Shifting between the Great Depression and the 1920s, *Songs of Willow Frost* takes readers on an emotional journey of discovery. Jamie Ford's sweeping novel will resonate with anyone who has ever longed for the comforts of family and a place to call home. A Wedding Gift

A brilliant, unforgettable novel from bestselling author Ruth Ozeki—shortlisted for the Booker Prize and the National Book Critics Circle Award “A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be.” In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, A Tale for the Time Being is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

Creole Belle

For young Mark, the world has turned as bleak and gray as the Brighton winter. Separated from his real father and home in London, he's come to live with his mother and her new husband in an old house near the sea. He spends his days alone, trying to master the skateboard, while other boys his age are in school. He hates the unwanted stepfather who barged into Mark's life to rob him of joy. Worst of all, his once-vibrant mother has grown listless and weary, no longer interested in anything beyond her sitting room. But on a damp and chilly evening, an accident carries Mark into the basement flat of the old woman who lives at the bottom of his stepfather's house. She offers tea, cakes, and sympathy . . . and the key to a secret, bygone world. Mark becomes caught up in the frenetic bustle of the human machinery that once ran a home, and drawn ever deeper into a lost realm of spirits and memory. Here below the suffocating truths, beneath the pain and unhappiness, he finds an escape, and quite possibly a way to change everything. A richly evocative, poignantly beautiful modern-day ghost story, *The Servants* marks the triumphant return of Michael Marshall Smith—the first novel in a decade from the multiple award-winning author of *Spares*.

Desperation Road

Winner of the Tony Hillerman Prize, winner of the Spur Award for Best Western Contemporary Novel, a finalist for the Shamus Award for Best First P.I. Novel, and a finalist for the Edgar Award for Best First Novel, a debut mystery set in the Southwest starring a former rodeo cowboy turned private investigator, told in a transfixingly original style. Rodeo Grace Garnet lives with his old dog in a remote corner of Arizona known to locals as El Hoyo. He doesn't get many visitors in The Hole, but a body found near his home has drawn police attention to his front door. The victim is not one of the many undocumented immigrants who risk their lives to cross the border in Rodeo's harsh and deadly "backyard," but a member of a major Southwestern Indian tribe, whose death is part of a mysterious rompecabeza—a classic crime puzzler—that includes multiple murders, cold-blooded betrayals, and low-down scheming, with Rodeo caught in the middle. Retired from the rodeo circuit and scraping by on piecemeal work as a bounty hunter, warrant server, and divorce snoop, Rodeo doesn't have much choice but to say yes when offered an unusual case. An elderly Indian woman from his own Reservation has hired him to help discover who murdered her grandson, but she seems strangely uninterested in the results. Her attitude seems heartless, but as Rodeo pursues interrelated cases, he learns that the old woman's indifference is nothing compared to true hatred, and aligned against a variety of creative and cruel foes, the hard-pressed PI is about to discover just how far hate can go. CB McKenzie's *Bad Country* is a noir novel that is as deep and twisty as a desert arroyo. With confident, accomplished prose, McKenzie captures the rough-and-tumble outer reaches of the Southwest in a transfixingly original style that transcends the traditional crime novel.

In this short story prequel to Michael Farris Smith's widely acclaimed novel *Rivers* (a Best Book of 2013 in BookRiot, Daily Candy, and Hudson Booksellers), a series of catastrophic hurricanes along the Gulf Coast prompts the government to institute "The Line," a boundary between the coastal region and the rest of the country, effectively creating a lawless no-man's land without electricity, resources, or basic services. Those left behind include Aggie, a snake-handling preacher with a questionable past; Bub and Ava, who live in a FEMA trailer held down by cinderblocks; and Cohen, who refuses to evacuate and leave behind the graves of his late wife and child. As all four struggle to survive below The Line, their stories intersect with violent and unexpected consequences.

The Maid's Version

In The Shadow Of The Banyan

For fans of Cormac McCarthy and Annie Proulx, "a wonderfully cinematic story" (The Washington Post) set in the post-Katrina South after violent storms have decimated the region. It had been raining for weeks. Maybe months. He had forgotten the last day that it hadn't rained, when the storms gave way to the pale blue of the Gulf sky, when the birds flew and the clouds were white and sunshine glistened across the drenched land. The Gulf Coast has been brought to its knees. Years of catastrophic hurricanes have so punished and depleted the region that the government has drawn a new boundary ninety miles north of the coastline. Life below the Line offers no services, no electricity, and no resources, and those who stay behind live by their own rules—including Cohen, whose wife and unborn child were killed during an evacuation attempt. He buried them on family land and never left. But after he is ambushed and his home is ransacked, Cohen is forced to flee. On the road north, he is captured by Aggie, a fanatical, snake-handling preacher who has a colony of captives and dangerous visions of repopulating the barren region. Now Cohen is faced with a decision: continue to the Line alone, or try to shepherd the madman's prisoners across the unforgiving land with the biggest hurricane yet bearing down—and Cohen harboring a secret that poses the greatest threat of all. Eerily prophetic in its depiction of a Southern landscape ravaged by extreme weather, *Rivers* is a masterful tale of survival and redemption in a world where the next devastating storm is never far behind. "This is the kind of book that lifts you up with its mesmerizing language then pulls you under like a riptide" (The Atlanta Journal-Constitution).

In the tradition of *The Stranger* and *The Old Man and the Sea*, this taut novella by critically acclaimed novelist Michael Farris Smith (*Rivers*, 2013) explores the human spirit and its capacity for faith and forgiveness in an imperfect world. What happens to a marriage when a child vanishes? Jon and Estelle walk the picturesque Paris streets, but are living through the cruelest of realities—the disappearance of their nine-year-old daughter Jennifer, abducted from the Musée D'Orsay during a class field trip. His time now up, and believing his debt paid, he returns home only to discover that revenge lives and breathes all around. On the day of his release, a woman named Maben and her young daughter trudge along the side of the interstate under the punishing summer sun. Desperate and exhausted, the pair spend their last dollar on a motel room for the night, a night that ends with Maben running through the darkness holding a pistol, and a dead deputy sprawled across the road in the glow of his own headlights. With dawn, destinies collide, and Russell is forced to decide whose life he will save – his own or that of the woman and child? 'Flickers with poetic splendour Repetitions, the falling cadences of country music, phrases strung together in long passages of sustained beauty: it's rare for desperation to be rendered with such intensity' - Spectator 'Smith depicts a steamy American South redolent of lawless menace in sparse, simple, lyrical prose. Where All Light Tends to Go

"The Altamaha River, Georgia's "Little Amazon," has been named one of the 75 "Last Great Places in the World." Crossed by roads only five times in its 137-mile length, the blackwater river is home to thousand-year-old virgin cypress, descendants of 18th-century Highland warriors, and a motley cast of rare and endangered species. The Altamaha has even been rumored to harbor its own river monster, as well as traces of the most ancient European fort in North America. Brothers Hunter and Lawton Loggins set off to kayak the river, bearing their father's ashes toward the sea. Hunter is a college student, Lawton a Navy SEAL on leave; both young men were raised by an angry, enigmatic shrimper who loved the river, and whose death remains a mystery that his sons hope to resolve. As the brothers proceed downriver, their story is interwoven with that of Jacques Le Moyne, an artist who accompanied the 1564 expedition to found a French settlement at the river's mouth, which began as a search for riches and ended in a bloody confrontation with Spanish conquistadors and native tribes. In *The River of Kings*, SIBA-bestselling author Taylor Brown artfully weaves three narrative strands--the brothers' journey, their father's past, and the dramatic history of the river's earliest people--to evoke a legendary place and its powerful hold on the human imagination"--

But when he returns home, he soon discovers that revenge lives and breathes all around him. On the same day that Russell is released from prison, a woman named Maben and her young daughter trudge along the side of the interstate under the punishing summer sun. Desperate and exhausted, the pair spend their last dollar on a room for the night, a night that ends with Maben running through the darkness holding a pistol, and a dead deputy sprawled in the middle of the road in the glow of his own headlights. With the dawn, destinies collide, and Russell is forced to decide whose life he will save -- his own or those of the woman and child. Delivered in powerful and lyrical prose, *Desperation Road* is a story of troubled souls twisted with regret and bound by secrets that stretch over the years and across the land.

The Past Is Never

Precocious and shocking when first published in 1956, *Chocolates for Breakfast* is a candid coming-of-age story of a young girl's sudden awakening to love and desire written by 18-year-old Pamela Moore. Disaffected, sexually precocious 15-year-old Courtney Farrell splits her time between her parents' homes in New York and Los Angeles. When a crush on a female teacher in boarding school ends badly, Courtney sets out to know everything fast—from tasting dry martinis to engaging in a passionate love affair with an older man. Considered an American response to French sensation *Bonjour Tristesse*, *Chocolates for Breakfast* is also a tale of Courtney's close and ultimately tragic friendship with her roommate, Janet Parker, and a moving account of how teenagers approach love and sex for the first time. This edition of *Chocolates for Breakfast* features 16 pages of insights into the book, including author interviews, recommended reading, and more.

Nick

Critically acclaimed novelist Michael Farris Smith pulls Nick Carraway out of the shadows and into the spotlight in this fascinating look into his life before *Gatsby*. Before Nick Carraway moved to West Egg and into *Gatsby*'s periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance—doomed from the very beginning—to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. A name=_Hlk41548694Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades./a

Rivers

In this timeless, mythical tale of unforgiving justice and elusive grace, rural Mississippi townsfolk shoulder the pain of generations as something dangerous lurks in the enigmatic kudzu of the woods. The town of Red Bluff, Mississippi, has seen better days, though those who've held on have little memory of when that was. Myer, the county's aged, sardonic lawman, still thinks it can prove itself -- when confronted by a strange family of drifters, the sheriff believes that the people of Red Bluff can be accepting, rational, even good. The opposite is true: this is a landscape of fear and ghosts -- of regret and

violence -- transformed by the kudzu vines that have enveloped the hills around it, swallowing homes, cars, rivers, and hiding a terrible secret deeper still. Colburn, a junkyard sculptor who's returned to Red Bluff, knows this pain all too well, though he too is willing to hope for more when he meets and falls in love with Celia, the local bar owner. The Deep South gives these noble, broken, and driven folks the gift of human connection while bestowing upon them the crippling weight of generations. With broken histories and vagabond hearts, the townsfolk wrestle with the evil in the woods -- and the wickedness that lurks in each and every one of us.

The Servants

A stunning, powerful debut novel set against the backdrop of the Cambodian War, perfect for fans of Chris Cleave and Chimamanda Ngozi Adichie For seven-year-old Raami, the shattering end of childhood begins with the footsteps of her father returning home in the early dawn hours bringing details of the civil war that has overwhelmed the streets of Phnom Penh, Cambodia's capital. Soon the family's world of carefully guarded royal privilege is swept up in the chaos of revolution and forced exodus. Over the next four years, as she endures the deaths of family members, starvation, and brutal forced labour, Raami clings to the only remaining vestige of childhood - the mythical legends and poems told to her by her father. In a climate of systematic violence where memory is sickness and justification for execution, Raami fights for her improbable survival. Displaying the author's extraordinary gift for language, *In the Shadow of the Banyan* is a testament to the transcendent power of narrative and a brilliantly wrought tale of human resilience.
