The Krytos Trap: Star Wars Legends (X-Wing)

The first novel in a new trilogy starring veteran New Republic pilots! On the brink of victory in a brutal war, five New Republic pilots transform from hunted to hunters in this epic Star Wars adventure. Set after Return of the Jedi, Alphabet Squadron follows a unique team, each flying a different class of starfighter as they struggle to end their war once and for all. The Emperor is dead. His final weapon has been destroyed. The Imperial Army is in disarray. In the aftermath, Yrica Quell is just one of thousands of defectors from her former cause living in a deserters' shantytown—until she is selected to join Alphabet Squadron. Cobbled together from an eclectic assortment of pilots and starfighters, the five members of Alphabet are tasked by New Republic general Hera Syndulla herself. Like Yrica, each is a talented pilot struggling to find their place in a changing galaxy. Their mission: to track down and destroy the mysterious Shadow Wing, a lethal force of TIE fighters exacting bloody, reckless vengeance in the twilight of their reign. The newly formed unit embodies the heart and soul of the Rebellion: ragtag, resourceful, scrappy, and emboldened by their most audacious victory in decades. But going from underdog rebels to celebrated heroes isn't as easy as it seems, and their inner demons threaten them as much as their enemies among the stars. The

wayward warriors of Alphabet Squadron will have to learn to fly together if they want to protect the new era of peace they've fought so hard to achieve. Part of a Marvel and Del Rey crossover event, Alphabet Squadron is the counterpart to Marvel's TIE Fighter miniseries, which follows the exploits of Shadow Wing as they scheme to thwart the New Republic.

They are the galaxy's most elite fighting force. And as the battle against the Empire rages, the X-wing fighters risk life and machine to protect the Rebel Alliance. Now they must go on a daring undercover mission--as the crew of an Imperial warship. It is Wedge Antilles' boldest creation: a covert-action unit of X-wing fighters, its pilots drawn from the dregs of other units, castoffs and rejects given one last chance. But before the new pilots can complete their training, the squadron's base is attacked by former Imperial admiral Trigit, and Wraith Squadron is forced to swing into action--taking over an Imperial warship and impersonating its crew. The mission: to gain vital intelligence about Trigit's secret weapons, to sabotage the admiral's plans, and to lure him into an Alliance trap. But the high-stakes gamble pits Wraith Squadron's ragtag renegades against the Empire's most brilliant master of guile and deception. Are they up to the challenge? If not, the penalty is instant death. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from
