The Agenda Mover

A Praying Life

More than 300,000 copies sold! “This book will be like having the breath of God at your back. Let it lift you to new hope.” —Dan B. Allender, PhD, author of *Bold Love*

This new edition includes an expanded chapter on using the practical “prayer cards”—a hallmark of the teaching found in *A Praying Life*—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has discipled thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays

out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

The Extraordinary Life of Sam Hell

Films and Other Materials for Projection

Did you really wash your hands well enough? Are you sure? Germs are everywhere! Sam is so concerned about getting sick with some horrible disease that he just can't stop having desperate thoughts about it and washing his hands over and over again just to make sure that he really scrubs down good. This is Sam's secret, but, what will happen if it's revealed? This book is part of the Storybook Illustrated Guides (<https://www.siguides.com/>), which main goal is to serve as an educational resource that will benefit parents and children alike. The fictional stories include characters, who are just like you/your child, that discover why they are different and learn that they can overcome and lead normal lives. Each book is fundamentally divided in three sections: 1) Created for parents and caregivers, practical and useful tips to help recognize symptoms of conditions covered in each book. 2) The stories themselves, illustrated to capture children's interest while educating them about various illnesses. 3) A list of online resources

where adults can go and learn more about conditions.

Leadership Pain

Piecing Me Together

Real leadership that leads to high engagement, higher performance, and a culture of accountability As president and CEO of Scripps Health, one of America's most prestigious health systems, Chris Van Gorder presided over a dramatic turnaround, catapulting Scripps from near bankruptcy to a dominant market position. While hospitals and health systems nationwide have laid people off or are closing their doors, Scripps is financially healthy, has added thousands of employees (even with a no-layoff philosophy), and has developed a reputation as a top employer. What are the secrets to this remarkable story? In *The Front-Line Leader*, Chris Van Gorder candidly shares his own incredible story, from police officer to CEO, and the leadership philosophy that drives all of his decisions and actions: people come first. Van Gorder began his unlikely career as a California police officer, which deeply instilled in him a sense of social responsibility, honesty, and public service. After being injured on the job and taking an early retirement, Van Gorder had to reinvent himself, taking a job as a hospital security director, a job that would change his life.

Through hard work and determination, he rose to executive ranks, eventually becoming CEO of Scripps. But he never forgot his own roots and powerful work ethic, or the time when he was a security officer and a CEO would not make eye contact with him. Van Gorder leads from the front lines, making it a priority to know his employees and customers at every level. His values learned on the force—protecting the community, educating citizens, developing caring relationships, and ultimately doing the right thing—shape his approach to business. As much as companies talk about accountability, managers seldom understand what practical steps to take to achieve an ethic of service that makes accountability meaningful. The Front-Line Leader outlines specific tactics and steps anyone can use starting today to take responsibility, inspire others, and achieve breakout results for their organizations. Van Gorder reveals how a no-layoff philosophy led to higher accountability, how his own attention to seemingly minor details spurred larger change, and how his own high standards for himself and his team improved morale and productivity. From general strategy to the tiny, everyday steps leaders can take to create the kind of culture and accountability that translates into major competitive advantage, The Front-Line Leader charts a path to better leadership and a more engaged, higher-performing organization.

Pro Football Guide

Facilitator's Guide to Participatory Decision-Making

No more hiding or people-pleasing up in here, sisters. No more being sidelined in your own life. It is time for us to be brave, to claim our gifts and quirks and emotions. You are set free and set up and set on fire. NOW you can get busy doing what you were placed on this planet to do. NOW you can be honest, honest, honest about all of it, even the hard stuff, even the humiliating stuff, even the secret stuff. NOW you can walk in your convictions of faith and ask new questions unafraid. NOW you can be so free, because you are not searching for value from any source other than your own beautiful soul made piece by piece by God who adores you and is ready to get on with the business of unleashing you into this world. In this book, I break it down into five self-reflective categories—who I am, what I need, what I want, what I believe, and how I connect—and by working your way through them, you will learn to own your space, ground, and gifts (they are YOURS, sister); be strong in your relationships and lay down passive aggression, resentment, drama, and compliance; say GUILT-FREE what you want and what you need; and welcome spiritual curiosity and all the fantastic change that doing so creates. You with me, beloveds? If we do this work on our own selves now, not only will we discover a life truly worth living, but we will free our daughters to rise up behind us, with spines straight, heads up, and coated in our strength.

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

The Front-Line Leader

Do you want to be a better leader? Raise the threshold of your pain. Do you want your church to grow or your business to reach higher goals? Reluctance to face pain is your greatest limitation. There is no growth without change, no change without loss, and no loss without pain. Bottom line: if you're not hurting, you're not leading. But this book is not a theological treatise on pain. Rather in *Leadership Pain* Samuel Chand—best-selling author recognized as "the leader's leader"—provides a concrete, practical understanding of the pain we experience to help us interpret pain more accurately and learn the lessons God has in it for us. Chand is ruthlessly honest and highly practical as he examines the principles and practices that make our pain a means of fulfilling God's divine purposes for our churches, communities, and us. These features are included in this leadership treasure trove: POWERFUL, personal stories from some of the finest leaders in the world, such as Craig Groeschel, Benny Perez, Mike Kai, Lisa Bevere, Mark Chironna, Dale Bronner, Philip Wagner, Michael Pitts, and numerous others REVEALING

Flip Your Classroom

From #1 Wall Street Journal and New York Times bestselling author Robert Dugoni. Sam Hill always saw the world through different eyes. Born with red pupils, he was called "Devil Boy" by his classmates; "God's will" is what his mother called his ocular albinism. Her words were of little comfort, but Sam persevered, buoyed by his mother's devout faith, his father's practical wisdom, and his two other misfit friends. Sam believed it was God who sent Ernie Cantwell, the only African American kid in his class, to be the friend he so desperately needed. And that it was God's idea for Mickie Kennedy to storm into Our Lady of Mercy like a tornado, uprooting every rule Sam had been taught about boys and girls. Forty years later, Sam, a small-town eye doctor, is no longer certain anything was by design--especially not the tragedy that caused him to turn his back on his friends, his hometown, and the life he'd always known. Running from the pain, eyes closed, served little purpose. Now, as he looks back on his life, Sam embarks on a journey that will take him halfway around the world. This time, his eyes are wide open--bringing into clear view what changed him, defined him, and made him so afraid, until he can finally see what truly matters.
