The Unauthorized Guide to iPhone, iPad, and iPod Repair

This volume constitutes the refereed proceedings of the 6th International Conference on Cross-Cultural Design, CCD 2014, held as part of the 16th International Conference on Human-Computer Interaction, HCI International 2014, held in Heraklion, Crete, Greece, jointly with 13 other thematically similar conferences. The total of 1476 papers and 220 posters presented at the HCII 2014 conferences was carefully reviewed and selected from numerous submissions. The papers address the latest research and development efforts and highlight the human aspects of design and use of computing systems. They thoroughly cover the entire field of human-computer interaction, addressing major advances in knowledge and effective use of computers in a variety of application areas. The 76 papers included in this volume deal with the following topics: cross-cultural product and service design; cross-cultural issues in interaction; social aspects and implications of cross-cultural design; cross-cultural issues in e-commerce, marketing and branding; cross-cultural design for knowledge sharing and learning; cross-cultural design for the smart city and cross-cultural design for creativity.

Keep Chopping Wood is an engaging and inspirational book that tells the colorful life story of Lawson H. (Mike) Hardwick, III, one of the most well-known businessmen and philanthropists in Nashville, Tennessee and around the country. He tells his story with passion and heart, from growing up as the son of a pastor, who founded a church in Nashville that grew to roughly 8,000 members during his tenure of over sixty years, to building many successful businesses, surviving depression and creating a corporate culture dedicated to serving others. His compelling story is also filled with life lessons on how to achieve a better and happier life which he shares in a lively and interesting manner. Readers from all walks of life will enjoy and learn from his many experiences and reflections as well as his captivating storytelling.

Galaxy S II: The Missing Manual

A young woman living in a rigid, puritanical society discovers dark powers within herself in this stunning, feminist fantasy debut. In the lands of Bethel, where the Prophet's word is law, Immanuelle Moore's very existence is blasphemy. Her mother's union with an outsider of a different race cast her once-proud family into disgrace, so Immanuelle does her best to worship the Father, follow Holy Protocol, and lead a life of submission, devotion, and absolute conformity, like all the other women in the settlement. But a mishap lures her into the forbidden Darkwood surrounding Bethel, where the first prophet once chased and killed four powerful witches. Their spirits are still lurking there, and they bestow a gift on Immanuelle: the journal of her dead mother, who Immanuelle is shocked to learn once sought sanctuary in the wood. Fascinated by the secrets in the diary, Immanuelle finds herself struggling to understand how her mother could have consorted with the witches. But when she begins to learn grim truths about the Church and its history, she realizes the true threat to Bethel is its own darkness. And she starts to understand that if Bethel is to change, it must begin with her.

My Samsung Galaxy Tab 4

The first comprehensive guide to discovering and preventing attacks on the Android OS As the Android operating system continues to increase its share of the smartphone market, smartphone hacking remains a growing threat. Written by experts who rank among the world's foremost Android security researchers, this book presents vulnerability discovery, analysis, and exploitation tools for the good guys.
