In this inspiring book, Jackson Galaxy, star of Animal Planet's hit television show My Cat from Hell,tells the story of the cat who saved his life and set him on the path to becoming America's Cat Daddy. When Benny arrived in his life, Galaxy was a down-and-out rock musician with not much more going on than a part-time job at an animal shelter and a drug problem. Benny's previous owner brought the cat to the shelter in a cardboard box to give him up. He had seen better days - his pelvis had just been shattered by the wheels of a car, and his owner insisted he'd been 'unbondable' from day one. Nothing could have been further from the truth. An

inspiring account of two broken beings who fixed each other, Cat Daddyis laced throughout with Galaxy's amazing 'Cat Mojo' advice for understanding what cats need most from us humans in order to live happier, healthier lives. 'A joy . . . Sometimes the biggest stories are actually the smallest ones - one man, one cat, and a quiet love that was large enough to save them both.' Gwen Cooper, author of the New York Timesbestseller Homer's Odysseyand Love Saves the Day 'This book is no ordinary cat memoir, nor is it an ordinary cat advice book. It is an inspirational tour de force that offers an intimate glimpse of Jackson, the man, and Jackson, the Cat Daddy.' Las 101 cagadas del español es un ameno bestiario de desafueros lingüísticos escrito por María Irazusta, en colaboración con un grupo de periodistas, que han salido al rescate de nuestra maltratada lengua siguiendo la consigna platónica de que aprender es recordar. Una obra didáctica, entretenida e irónica que señala los errores más frecuentes de nuestro idioma y se cuestiona incluso algunas

decisiones contradictorias de la RAE: ¿por qué acepta aberraciones como almóndiga o asín y, sin embargo, destierra negrísimo para defender nigérrimo? Pero ya mucho antes, Lope de Vega, Umbral, Torrente Ballester o el mismísimo Delibes la cagaron. Y partiendo del error humano y de la naturaleza mutable del lenguaje, aquí hallarás algunas claves (y otras curiosidades) para reaprender español. El escritor y crítico literario Ramón Pernas prologa esta cruzada contra los constantes agravios al segundo idioma más hablado del mundo. La autoría del libro pertenece a Irazusta Comunicación. Un libro soñado, arropado, mimado y, casi alumbrado, por María Irazusta. El equipo de redacción ha estado compuesto, además, por la periodista Beatriz Fernández, como líder del proyecto y para quien el tesón no tiene límites; el periodista Nacho Miquel, con su escrutadora mirada que todo lo ve y que todo lo eleva con su depurada prosa;la comunicóloga Noemí Sánchez, para quien la cultura popular no tiene secretos; y la filósofa Acacia Núñez como coordinadora, que ha sabido subirse a un tren en marcha y llenarlo de combustible.
