A great many of the papers in this volume were first read at the Annual Meeting of the German Association of Applied Linguistics (GAL), which took place at Heidelberg University from 1 - 3 October 1987. Dr. Jung - Convenor of CETaLL, AILA's Scientific

Commission on Educational Technology and Language Learning - took the opportunity to enlarge this basic stock by inviting internationally recognized scholars to contribute articles on topics which were not or only sparingly represented at the GAL meeting. With reports on the situation of CALL in more than 10 countries around the world, a comprehensive glossary of terms and articles on hard- and software in both research and practice the result comes very close to a CALL Handbook.

Kayla Rose, a crazy cat lady at heart, has collected over a hundred cat whiskers that she found around the house over two decades from a medley of family pets. She wrote the poem to honor all the past, present, and future cats who bring joy into their lives. Amber Rose photographed both their own cats and cats from around the neighborhood to accompany the poem and immortalize these treasured companions.

discover irresistible opportunities . . . Nicholas Lyon gambled his way into a fortune and ownership of the most opulent, notorious gentlemen's club in England. But when Nick's cruel brother dies, he inherits a title he never wanted. The sooner Nick is rid of the estate that has always haunted him, the sooner he can return to the life he's built in London. But there's one obstacle—the exquisite Thomasina Thorne. When the new heir to the Tremayne dukedom suddenly appears in Mina Thorne's life, she's flustered. Not only is he breathtakingly handsome, but he's also determined to take away her home and position as steward of the Enderley estate. If Mina learns what makes the enigmatic duke tick, perhaps she can change his mind—as long as she doesn't get too close to him. With each day Nick spends with Mina, his resolve weakens as their colliding wills lead to explosive desire. Could she be the one woman who can help him finally bury the ghosts of his past?
