A sparkling romantic comedy that vividly evokes the lost glamour of aristocratic life in England between the wars. Polly Hampton has long been groomed for the perfect marriage by her mother, the fearsome and ambitious Lady Montdore. But Polly, with her stunning good looks and impeccable connections, is bored by the monotony of her glittering debut season in London. Having just come from India, where her

father served as Viceroy, she claims to have hoped that society in a colder climate would be less obsessed with love affairs. The apparently aloof and indifferent Polly has a long-held secret, however, one that leads to the shattering of her mother's dreams and her own disinheritance. When an elderly duke begins pursuing the disgraced Polly and a callow potential heir curries favor with her parents, nothing goes as expected, but in the end all find happiness in their own unconventional ways. Featuring an introduction by Flora Fraser.

If there's one obstacle to selling wellness books to guys, it's this: none of them are written by professional wrestlers. In the nick of time, the one and only DDP-Diamond Dallas Page-steps out of the ring and onto the mat to offer Yoga for Regular Guys. Most yoga books marketed to men are earnest and straightforward. Yoga for Regular Guys brims with guy humour and an extremely irreverent attitude but still manages to pack in a legitimate, comprehensive and rigorous introduction to real yoga practice. The foreword is written by Rob Zombie of the band White Zombie.

He is determined to persist in the routines of his former life. *A Single Man* follows him over the course of an ordinary twenty-four hours. Behind his British reserve, tides of grief, rage, and loneliness surge—but what is revealed is a man who loves being alive despite all the everyday injustices. The #1 New York Times bestselling classic frontier adventure novel that inspired two award-winning films! Charles Portis has long been acclaimed as one of America's foremost writers. True Grit, his most famous novel, was first published in 1968, and became the basis for two movies, the 1969 classic starring John Wayne and, in 2010, a new version starring Academy Award® winner Jeff Bridges and written and directed by the Coen brothers. True Grit tells the story of Mattie Ross, who is just fourteen when the coward Tom Chaney shoots her father down in Fort Smith, Arkansas, and robs him of his life, his horse, and \$150 in cash. Mattie leaves home to avenge her father's blood. With one-eyed Rooster Cogburn, the meanest available U.S. Marshal, by her side, Mattie pursues the killer into Indian Territory. True Grit is eccentric, cool, straight, and unflinching, like Mattie herself. From a writer of true status, this is an American classic through and through.
