Light in the Shadow of Jihad

Bestselling author Dr. David Jeremiah explores the book of Daniel, finding comfort in God's specific and powerful promises for the future. The book of Daniel offers some of the most vivid and descriptive portions of prophecy in all of God's Word. And through the instruction of world-renowned Bible teacher Dr. Jeremiah, Daniel's visions come alive like never before. In *The Handwriting on the Wall*, Dr. Jeremiah uses his clear and approachable style to help readers see Daniel's incredible accuracy in prophesying about events in human history that have already come true, find comfort in God's specific and powerful promises for the future, place their trust in the reliability of God's Word rather than the instability of today's headlines, be assured that evil is on a leash and God is in control, and much more. For Christians of every generation, understanding the truth of biblical prophecy offers confidence and hope for the future. But that's not all—to know the book of Daniel is to

open a pathway for dynamic, faithful living today.

Jesus the Fool

With all the poignancy, hilarity, and wisdom that are the hallmarks of her fiction, Ellen Gilchrist introduces a gallery of unforgettable characters-Southern women and men whose off-kilter lives are delicately revealed by the author's keen and forgiving gaze. This jubilantly acclaimed collection affirms anew why, as the Washington Post puts it, 'Ellen Gilchrist should be declared a national treasure.' - Since winning the National Book Award for Victory Over Japan in 1985, Gilchrist has established a large and devoted readership. - Rhoda Manning, one of Gilchrist's most beloved recurring characters, returns in several of these stories-as a child, as a divorced mother of three sons, and as an older woman who recalls the curse and blessing of being Big Dudley's only daughter.

Is the Bible Intolerant?

Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character, Richard,

eavesdrops, asking himself the most important question of all: Does it really matter what I believe?

Reclaiming Love

What does it all mean? Why does it often seem that the things that happen in the world are random? Is there a purpose for my life? This book is the perfect gift for those asking the tough questions about life and wondering how they fit into God's plan. Featuring 96 short, easy-to-read pages, and including topical Scripture verses, this book is sure to speak to those searching for meaning. Content is excerpted from *The Grand Weaver* by Ravi Zacharias.

I, Rhoda Manning, Go Hunting with My Daddy

Ravi Zacharias deals with five questions September 11 raised, showing how God's imprint is not only in the answers but in the questions themselves.

There Is a Plan

A refreshing argument for the Bible's trustworthiness provides a deeper understanding of the Word of God and its surprising relevance to this generation, tackling postmodern critiques of the Bible, such as oppression, sexism, relativism, and much more. Original.

Deliver Us from Evil

Retail supply chain consists of multiple segments from sales to distribution to finance. Retail manufacturers rely on a complicated web of suppliers. Customer demand and market competition today requires extreme efficiency from end to end. This book offers the retail supply chain executive with the tools needed for full strategic advantage. The new edition gives special attention to recent challenges, such as vast technological change, higher levels of customer personalization, and more global supply chains.

Retail Supply Chain Management

In 1 Corinthians 13, Paul places love at the very center of what it means to embrace life in Christ. All other spiritual gifts are worth nothing in comparison. But the love explained in those verses is nothing short of radical. Fernando's pastoral work—in the midst of the cultural and ethnic tensions of Sri Lanka—often brought up a very real and honest question: "Can the biblical teaching about love actually be practiced?" The answer he discovered is a resounding "yes." The radical love of God is not only real, but it is the key to experiencing joy in the pain and suffering of this world. Believers must look to the Scriptures for God's teaching on the true nature of love, its divine origins, and its power for those who trust in Christ. This book offers reflections on the Bible's consistent teaching on love and shares real-life experiences of learning to love in difficult situations.

New Birth or Rebirth?

In the twenty-fourth chapter of Genesis a beautiful young woman offers assistance to a weary traveler and his camels, and out of that simple action, a marriage results—a marriage that offers profound lessons to couples today. Bible scholar and renowned speaker Ravi Zacharias draws five points critical to the long-lasting success of every marriage from the biblical story of the marriage of Isaac and Rebekah. "Real love folds together both the emotions and the will," writes Zacharias. "Without the emotions, marriage is a drudgery; without the will, it is a mockery." Building upon that foundational truth, Zacharias goes on to explain the principles of seeking the counsel of others when finding a mate, cherishing your partner, remaining pure, becoming a man or woman of prayer, and, finally, risking everything in a relationship in order to experience God's ideal for love. Couples everywhere, from those about to be married, to those who have been married for decades, will draw strength and wisdom for the journey of marriage as they learn from Ravi what it means to move from romance to lasting love.

I, Isaac, Take Thee, Rebekah

Social observer Ravi Zacharias shows how many of today's most popular ideas, seemingly innocent thoughts, and beliefs, are vandalizing our culture.

Has Christianity Failed You?

In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to

address the subject: "Has Christianity Failed You?" Tickets were sold for the event and--to the complete surprise of everyone--the event was sold out with a capacity crowd of over 5,000. People lined up offering to buy tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the question is real and troubling. Why is it that many live with silent doubt, many leaving the "evangelical fold" for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. "Why has God made it so hard to believe in Him?" Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the point: Why it is actually so hard

to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.

Sense and Sensuality

"One who is strengthened by God professes himself to be an utter fool by human standards, because he despises the wisdom men strive for."--Thomas Aquinas "Go and do likewise. . . ."--Luke 10:37

Missiologist Michael Frost is looking for the real Jesus--the man who didn't care what people thought, worked on the Sabbath, touched the unclean, ate with sinners, and generally contradicted what was acceptable to the leadership of his day. He's searching for the Jesus who embodies all the characteristics of the ancient tradition of the holy foolish paradigm as described and commended by Paul, the church fathers, and the medieval saints. And he finds him. . . . Sainly fools prefer life out in the open in the secular world, intentionally make themselves conspicuous, and consistently defy rules set by society. Frost directs our minds and hearts to the greater story of Jesus. He reminds us that following the Savior is rarely safe--and that Christ will continue to redraw our blueprint of what's right and what's righteous; and will persist in calling us to take the alternative, dangerous, ridiculous road walked by wise fools down through the centuries of the church. A much-needed and longed-for challenge to

emergent, contemporary, and traditional gatherings and churches alike.

A Shattered Visage

The real face of atheism -- whether disguised in Eastern mysticism or American cynicism -- is despair. A witty and thought-provoking comparison of atheistic and Christian beliefs.

The Handwriting on the Wall

WHY versus WHY NOT? Why did God place us in a world full of pleasures if we aren't meant to pursue them all? In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation. Playwright, dramatist, poet, critic—Wilde openly defied the mores of Victorian society. His literary repartee fueled an “if it feels good, do it” humanistic philosophy that is still prevalent in the world today. SO WHAT does JESUS SAY?
