The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I’d had in my desk drawer when I was starting out (or even, let’s be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck

Once a year, on her birthday, Madame Chapeau ventures out in her favorite bonnet to dinner. This time, a crow snatches her hat and flies away. Mon dieu! As she chases the crow through the streets of Paris, a baker, a policeman, a cowboy, and others offer her their own hats to wear. None of them are quite right, though, until one special little girl offers her a hat "knitted with love and [her] best birthday wish." From the bestselling team behind Iggy Peck, Architect and Rosie Revere, Engineer comes this delightful and very stylish story about love, community, and friendship, with some fancy hats thrown in for good measure. Praise for Happy Birthday, Madame Chapeau "Beauty carries the bounces and lilt to the very last page. A collection of authentic Italian family recipes from the Season 4 winner of MasterChef! Most of Italian chef Luca Manfe's early memories, especially of family holidays, revolve around food. Passed down from his nonnas, these recipes reflect the warm, rustic flavors of Friuli, Italy: rich frico, risotto, and savory polenta. Also showcased are the lighter bites that pair perfectly with a glass of wine: crostini with ricotta and honey, or a tramezzini, the Italian version of English high-tea sandwiches. Standout desserts include the tiramisu he made with his mother when he was eight years old and his now-famous basil panna cotta that helped win him the title of MasterChef. "I love to teach," says Manfe, "I'll show you the fundamentals of fantastic Italian food, including homemade stock (I swear, it's easy), pasta from scratch, and more. My Italian Kitchen is packed with the food that I love and that you and your family will love too."

Martha Stewart's Encyclopedia of Crafts

During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her fear, confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances. Written with her husband, Jeanne delivers a powerful first-person account that reveals her search for the meaning of Manzanar. Farewell to Manzanar has become a staple of curriculum in schools and on campuses across the country. Last year the San Francisco Chronicle named it one of the twentieth century's 100 best nonfiction books from west of the Rockies. First published in 1973, this new edition of the classic memoir of a devastating Japanese American experience includes an inspiring afterword by the authors.
