Storytelling

Ephesian Miracle

Type: novella word count about 39,300 A new approach to the classic fairy tale. The story of Beauty and the Beast with a twist. What if the woman was the one turned into the creature? A realm of adventure and peril mingled with romance, friendship, magic, and sword and sorcery. Join Pluck in this novella series as she travels through a strange land of danger and intrigue as she finds allies and foes alike in her search to lift her monstrous curse. A story like Beauty and the Beast but with more action adventure and menacing darkness. On the planet Terra when recorded history began, Man coexisted with the Necroms. The dawn of this period was known as the First Age of Magic. In the Second Age of Magic, a war broke out between Man and the Necroms and by the middle of the Second Age, Man was nearly wiped from creation. Those who survived fled Wellspring and journeyed across the sea into the unknown, finding new homes and creating fortified domains. In the Third and final Age of Magic, Man established five island kingdoms: Commery, Fletching, Morgog, Sweldom, and Hort. For generations, the wars continued until an arranged marriage between the two strongest kingdoms of Commery and Morgog ceased the bloodshed, and so Man established the first Emperor and Empress and the tradition of Amalgamation. When both the Emperor and Empress of the Five Kingdoms died, the two strongest kingdoms' heirs married and crowned a new dynasty and so began the Age of Amalgamation. During this age, a witch placed a curse on a girl named Pluck. The curse had been meant for a boy, Prince Edward of Fletching, for stealing the Mystic Rose. Pluck transformed into a Necrom with the Kiss, Edward's first kiss, as her only redemption. The Kiss wouldn't be an easy task since showing her face meant her death. Pluck goes through her young adult life training to become a High Guard as a means to lift her

curse but it never comes. What does the future hold for her? Beauty Of The Beast Epic Fantasy Action-Adventure Sword and Sorcery Dark Fantasy YA Novella Series: 1. BOTB1A: The Flower, The Sword, And The Kiss 2. BOTB1B: A Vow Of Love And The Challenge 3. BOTBC: Hearts Betrayed And Blood Revealed Pluck looks like a Necrom (tiger, lion, cheetah, and panther) an animal that should only exist in mythic fiction. Young adult Pluck grows into a heroic warrior and faces her curse as the Prince leaves their island in this high fantasy adventure. She will encounter new realms and magical realism lands full of supernatural races that should only live in legend or myth. This Beauty and the Beast like story will take her to a land of untold dangers. In this retelling of Beauty and the Beast, she must find a way to exist in her cat-like form that others see as hideous long enough to gain her freedom. A not so classic approach to a version of the famous fairytale. Sword and sorcery with a little romance thrown in will delight anyone who enjoys fairy tales as they journey with the Beast Woman. This book uses a mixture of YA fantasy to create a book for all ages to enjoy. Will she finally receive the Kiss in this romantic fantasy and finally end the hex that has kept her hidden away from everyone? Her survival depends on whether or not she can earn the trust of Edward and help him remember who she was to him as children. As young adults, they were close. She had been brought in to learn with him as a preteen and she went through schooling with him. All of that is in the past now Now everything depends on the Prince and what he will do once he realizes what she truly is. What will he do once he sees the Beauty of the Beast? YA Beauty and the Beast retelling of the classic fairytale to delight and tickle hearts of all ages with friendship, love, romance, and struggle of good versus evil.

Strange Brew

Mystic Trinity

When Some Practical Magic isn't enough . . . When Endora Bast is asked for help by the same witch Tribunal that reduced her magic to almost nothing, she wonders why she should bother. Years ago, they punished her harshly, all because she'd fallen in love. Now, they desperately need her to save the entire witch community. Endora is in for a shock when she's told she must stop her old nemesis, Obsidian Ashmedai, before he regains his full magical powers. If she does, she'll regain all of her magic and have her record expunged. If she doesn't, Ashmedai will become the most powerful being in the world. Only one other witch can help Endora defeat Ashmedai. Marcus Morion, her former lover, was also punished by the Tribunal. As

a penalty, Endora and Marcus were forced to remain apart, indefinitely. But now, without benefit of full magical powers, they are the witches' only hope of survival. Failure might cost them their lives. But if they succeed, the happiness they've always yearned for will be theirs for the taking . . .

The Mystic Spell

In Ephesian Miracle things begin on an ominous note. Two Christian priests are murdered in Istanbul shortly before Art and his fiancée Marissa are to be married in the Chora Church in that cosmopolitan city. On top of that, it appears the bones of Mary the mother of Jesus have been found in Ephesus! Art and Marissa's honeymoon plans go awry when suddenly Marissa is missing and a ransom note is found by Art under the door of his hotel room in Kushadasi. It will take a miracle, an Ephesian miracle, to save her life. Fascinating archaeological discoveries, a romantic mid-life wedding and honeymoon, kidnapping and the martyring of Christians dot the landscape of this sixth thriller in the Art West series.

Mystic Healers & Medicine Shows

"Strange Brew" is the title of a 1967 hit song from Cream's album *Disraeli Gears*, which featured the most psychedelic cover art ever. The song is what postmodern scholars, influenced by Fredric Jameson, would call a pastiche: its lyrics combine images of love, witchcraft, and getting stoned with a note-for-note rendition of Albert King's traditional blues song "Oh Pretty Woman." The song's title is a metaphor suggesting that words and music can mix to become a kind of magic potion. *Strange Brew: Metaphors of Magic and Science in Rock Music* traces the evolution of psychedelic music from its roots in rock and roll and the blues to its influence on popular music today, shows how metaphor is used to create the effects of songs and their lyrics, and explores how words and music came together as both a cause and effect of the cultural revolution of the nineteen-sixties.

Zelma, the Mystic

She's the only one who can pull him from the darkness... As Commander of the Fae army, Aimery is used to tracking evil and putting an end to it. When one of the rare and treasured blue dragons is killed and an egg stolen, Aimery is ordered to find the murderer. He never expects it to be one of his closest friends... Kyndra is a priestess of the Dragon Order sworn to protect all dragons in the Realm of the Fae. She is sent by the high priestess to accompany Aimery and return the killer for execution. Aimery is instantly drawn to the sword-wielding priestess, but he knows he cannot have Kyndra. Her life is sworn to the dragons, to be touched by no man. Neither expects to find desire and unyielding passion in the other. Yet when they track the killer to another realm, Aimery's life is at stake and Kyndra gives herself to him and the love she cannot deny in order to save him...

"Collection includes some of the author's most important essays written during 25 years of research among the Warao of the Orinoco Delta. Focus is on religious life, for which author provides in-depth comparative and historical interpretations of the symbolic values the Warao bestow on environmental, material, and social processes, revealing how Warao experience of life and the material conditions of existence are endowed with religious and mystical significance. This approach, outside of studies of the Guarani, has rarely been explored in South American ethnology"--Handbook of Latin American Studies, v. 57.

Beauty of the Beast #1 The Mystic Rose: Part A: The Flower, The Sword, And The Kiss

The Celtic Monthly

Iconic, tough-but-tender Boston PI Spenser delves into the black market art scene to investigate a decades-long unsolved crime of dangerous proportions. The heist was legendary, still talked about twenty years after the priceless paintings disappeared from one of Boston's premier art museums. Most thought the art was lost forever, buried deep, sold off overseas, or, worse, destroyed as incriminating evidence. But when paint chips from the most valuable piece stolen, Gentlemen in Black by a Spanish master, arrives at the desk of a Boston journalist, the museum finds hope and enlists Spenser's help. Soon the cold art case thrusts Spenser into the shady world of black market art dealers, aged Mafia bosses, and old vendettas. A five-million-dollar-reward by the museum's top benefactor, an aged, unlikable Boston socialite, sets Spenser and pals Vinnie Morris and Hawk onto a trail of hidden secrets, jailhouse confessions, and decades-old murders. Set against the high-society art scene and the low-life back alleys of Boston, this is classic Spenser doing what he does best.

Acts of Magic

Most of the histories of the West are obsessed with the shoot-em-ups. But what about the patch-em-ups? Who had to deal with all that famous carnage? With all the bloodletting depicted by pop culture historians, it almost seems a miracle anyone survived to settle the West. Prior to World War II regular, or allopathic, physicians trained in mainstream medicine were often outnumbered by alternative practitioners--folk curers, herbalists, faith healers, homeopaths, patent medicine promoters, and medicine showmen. Mystic Healers and Medicine Shows profiles many of the most significant of these healers as well as a few other colorful regular doctors.

The Old Testament in the Light of the Ancient East

This is the first in-depth study of the Malay martial art, silat, and the first ethnographic account of the Haqqani Islamic Sufi Order. Drawing on 12 years of research and practice, the author provides a major contribution to the study of Malay culture.

Ticket to Everywhere

Followers of the New Thought movement of the early 20th century sought to find God through explorations of the metaphysical. Here, one of the most influential thinkers of this early "New Age" philosophy takes a fresh look at the life and teachings of Jesus Christ through a New Thought lens. In this series of "lessons" originally published as a series of monthly missives in 1907 and 1908, we discover the previously hidden esoteric meanings behind much of the story of Jesus, from the foretelling of his birth to the strange mysteries of his healing of the sick to the occult ceremony of the Last Supper. This is an eye-opening reinterpretation of a familiar story. American writer WILLIAM WALKER ATKINSON (1862-1932) was editor of the popular magazine New Thought from 1901 to 1905, and editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books under numerous pseudonyms, including "Yogi Ramacharaka" and "Theron Q. Dumont." ALSO FROM COSIMO: Atkinson's Memory: How to Develop, Train and Use It; Advanced Course in Yogi Philosophy and Oriental Occultism; The Art and Science of Personal Magnetism: The Secret of Mental Fascination; The Science of Psychic Healing; Thought Vibration or the Law of Attraction in the Thought World; and others
