I: Books 1-4

For Kivrin, preparing an on-site study of one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin -- barely of age herself -- finds she has become an unlikely angel of hope during one of history's darkest hours. Five years in the writing by one of science fiction's most honored authors, *Doomsday Book* is a storytelling triumph. Connie Willis draws upon her understanding of the universalities of human nature to explore the ageless issues of evil, suffering and the indomitable will of the human spirit. From the Paperback edition.

I killed a girl last night. I did it with my bare hands and an old piece of pipe I found lying next to the dumpster. But that's not the part that got me. The part that scared me, the part I can't seem to wrap my head around and still has me reeling, was that when she charged me, her body shifted – and then she was a wolf. All snapping teeth and extended claws. But by the time I stood over her lifeless body, she was a girl again. That's about the time I went into shock... And that was the moment he showed up. And even now there are two thoughts that are so clear, they feel branded into my mind: One, Werewolves do exist, and two, I was born to kill them.

The Avoiding Series Boxset

The three book box set of The CONduct Series by Jennifer Lane includes *With Good Behavior*, *Bad Behavior*, and *On Best Behavior*. *With Good Behavior*: The romantic leads in *With Good Behavior* are two law-abiding citizens who unwittingly got mixed up with a Mafia capo, Logan Barberi, which led them both to prison sentences. The story begins as Sophie and Grant are starting parole and attempting to rebuild their lives and their dignity. Sophie Taylor is a former psychologist who's an intelligent, spunky, strawberry-blond beauty. She has a tendency to open her heart to wounded people, including the "bad-boy" boyfriends littering her past. Grant Madsen is a former Navy lieutenant who's hard-working and kind, with dark Italian features and stunning crystal-blue eyes. He has a penchant for brooding and self-sacrifice. Their paths collide outside their parole officer's door, and both have no idea about the explosive hidden connection waiting for them like a ticking bomb down the road. Re-Release in 2017! We have re-edited *With Good Behavior* (Conduct #1), book one of a complete romantic suspense trilogy. *Bad Behavior*: Grant Madsen's got issues. He's still battling his Mafia family and doing everything possible to keep his loved ones safe. With the cruising season coming to an end, he has to find another job soon or he'll rejoin his father in

prison. And he's trying to convince his rebellious teenage nephew to stay away from their criminal relatives (you can imagine how that's going). But worst of all, Grant's parole officer has mandated that he attend therapy. The only saving grace is that they're couples sessions with his girlfriend, Sophie Taylor, a fellow parolee who's struggling with a few issues of her own. Sophie desperately hopes her past with Grant's brother won't destroy her future with him. There's a sleazy professor at work who revels in sexually harassing women in the psychology department. And her father still hates Grant. Their psychologist has his work cut out for him. When Grant's ruthless father hints at a plot to get out of prison, Grant must use everything he's learned in therapy and beyond to try to stop him. It's a race against time -- and a race to rescue Sophie from the Mafia's clutches once again. But this time McSailor and Bonnie refuse to play victims. This time the cuffs are coming off. On Best Behavior: Planning a wedding is never easy--especially when the Russian Mafia wants you dead. On Best Behavior--the third and final book in The Conduct Series--finds our favorite couple moving forward, despite the odds. Following a pardon by the Governor of Illinois, ex-cons Sophie Taylor and Grant Madsen are finally free to pursue their love and the life that lies ahead for them. Grant now fights the forces that have hurt his loved ones by working undercover for the FBI, and he has infiltrated the Russian Mafia in Chicago. Sophie dives into swimming with Grant's nephew, Ben, and into her career as a psychology professor. Thankfully, now it's Ben's turn to heal through therapy sessions with Dr. Hunter Hayes. With so many things going right for Grant and

File Type PDF The Avoiding Series Boxset 1 3 Ka Linde

Sophie, it's too bad the Russians aren't their only threat. When Grant's father, Enzo Barberi, discovers his own son thwarted his plan to break out of prison, his overdeveloped sense of vengeance flares to life. As Sophie scrambles to save her fiancé, it's impossible to say who will kill Grant first--the Russians or his Italian family. Can love triumph over evil? Are hard work and a pledge to be on best behavior ever enough?

Cam Montgomery is a single full time dad who knows his priorities: his kids, his job, his team, his side business. Dealing with his disaster of an ex-wife is bad enough, not to mention delinquent football players and a meddlesome mother. Cam doesn't have the luxury of time for anything more, especially a relationship. Even if it is sassy-wiseass Paige Carpino, who can still be sweet, but at every turn knocks him on his ass with the unexpected. That's figuratively speaking of course. Paige might come in a small package, but she makes up for it in spirit. An energetic spit-fire who has some heat to her sauce, she's dedicated to her new business ventures, her family and a select group of friends. She's never put herself out there, but then again, there's never been anyone worthy of putting herself out there for. Until one day in a burger joint, an asshole practically enters her into a wet t-shirt contest with his drink. Who knew a wet t-shirt could be the beginning of your life. Or more importantly, that asshole would be your reason for being. But anything and all of the above can happen when you finally put yourself out there for a

The three book box set of The Heart Series by Mary

File Type PDF The Avoiding Series Boxset 1 3 Ka Linde

Whitney includes *Beside your Heart*, *Disclosure of the Heart*, and *Forever Your Heart*. *Beside Your Heart*: Late one night, Nicki Johnson plays with emotional fire and Googles her high school love, only to find his name splashed across the British gossip columns. Back in his native England, Adam Kincaid is successful and dating a woman from an aristocratic family like his own. With a career in politics, Nicki's no slouch, but she knows Adam is living a world away from her life. Yet there was a time he was no farther than the next locker. Nicki will never forget their year together in high school--the year of her sister's death, the year her mother checked out. Adam helped Nicki through suffocating grief, and she led him through coming of age. But when is a high school crush something more? *Disclosure of the Heart*: Sixteen years is a long time to wait for your true love to reappear, and, anyway, Nicki Johnson couldn't wait for the impossible to happen. Hard life lessons have taught her that fairy tales are children's stories, and fate is cruel. Burying her hopes, she's spent the last sixteen years focused and driven toward her career, and it's landed her with a job at the White House with a gem of a boyfriend. But when her high school love, Adam Kincaid, walks into the White House as a BBC reporter, Nicki's world is thrown into turmoil as she relives their past. Adam has come back for her, but has he arrived too late? *Forever Your Heart*: I'm a journalist--Adam Kincaid, BBC reporter, to be exact, so I'm not going to bury the lead. I'm about to see the woman I never got over. I know that because I've been back in America for years now, and I still don't date American girls. My dad would say I've come to my senses, sticking to my own British patrician kind, but that's crap. Mum, the

psychologist, would more wisely say it's my unresolved issues around Nicki. My teenage years are long behind me, yet my guilt over her remains. So I've avoided all things Nicki, though the irony is she's the one avoiding me. Maybe if we see each other, we can both move on. Could she ever forgive me? Can you forgive yourself when you hurt someone you love? But please, don't answer yet. I've jumped ahead of the story, and as a reporter, I should give you more background to get to the root of it all. So let me tell you my story. Then you can be the judge.

Relax & Renew: Mindfulness For Every Day! - 4 In 1 Box Set

This omnibus collection includes *Days Gone Bad*, *Wolves and the River of Stone*, and *Winter's Demon* in one trade paperback. That's three complete novels of Damian's dark, gritty, and occasionally hilarious urban-fantasy adventures.

Days Gone Bad (Book 1) My name is Damian Valdis Vesik. I am a necromancer, an ability feared and hated as much as the powers my master and I set ourselves against. We've vanquished many evils, but now something is releasing an old darkness, forcing us to hunt an enemy beyond anything I've faced before. I was already busy enough with vampires, fairies, witches, Watchers, weddings, and damn, I need a vacation.

Wolves and the River of Stone (Book 2) Philip, Zola's boyfriend from 150 years ago, is not nearly as dead as we thought. I really wish he was. Not only has he kidnapped Zola, but he's raising an army to scour humanity from the Earth. Hopefully the local werewolf pack will help. What

could possibly go wrong? Winter's Demon (Book 3) Some things can never be undone. The horrors I've defeated - or even caused - with my own hands they are nothing compared to what's coming. Philip Pinkerton has brought his madness upon my family, my own blood. His army of necromancers is on the move, harbingers of a great darkness. I fear the war has begun and damn, I don't get paid enough for this.

Blowback: After the circumstances of Agent 17's death, the CIA turns to a specialist to help track down the man they think is responsible--John Smith. Feeling the walls closing in, Jones wants to pack up and move to a new city, though Recker has

reservations about leaving. It all boils down to a final confrontation between Recker and his former employers--one he may not survive.
