### The Light of the World: The Light

Brutally honest, often hilarious, hard-won lessons in learning to love and care for yourself from a young vice president at Comedy Central who was called "ahead of her time" by Jordan Peele "Compelling, persuasive, and useful no matter where you are in your life."--Chelsea Handler, #1 New York Times bestselling author of Life Will Be the Death of Me "A bracingly honest, funny read . . . like Wild meets You Are a Badass."--Adam Grant, #1 New York Times bestselling author of Give and Take, Originals, and Option B By the time she was in her late twenties, Tara Schuster was a rising TV executive who had

worked for The Daily Show with Jon Stewart and helped launch Key & Peele to viral superstardom. By all appearances, she had mastered being a grown-up. But beneath that veneer of success, she was a chronically anxious, self-medicating mess. No one knew that her road to adulthood had been paved with depression, anxiety, and shame, owing in large part to her minimally parented upbringing. She realized she'd hit rock bottom when she drunk-dialed her therapist pleading for help. Buy Yourself the F\*cking Lilies is the story of Tara's path to re-parenting herself and becoming a "ninja of self-love." Through simple, daily rituals, Tara transformed her mind, body, and relationships, and shows how to \* fake gratitude until you actually feel gratitude \* excavate your emotional wounds and heal them with kindness \* identify your self-limiting beliefs, kick them to the curb, and start living a life you choose \* silence your inner frenemy and shield yourself from self-criticism \* carve out time each morning to start your day empowered, inspired, and ready to rule \* create a life you truly, totally f\*cking LOVE This is the book Tara wished someone had given her and it is the book many of us desperately need: a candid, hysterical, addictively readable, practical guide to growing up (no matter where you are in life) and learning to love yourself in a non-throw-up-in-your-mouth-it's-so-cheesy way.

As they travel around the city performing clown routines, the children fall in love with each other and dream up a plan for the most extraordinary and seductive circus show the world has ever seen. Separated as teenagers, sent off to work as servants during the Great Depression, both descend into the city's underworld, dabbling in sex, drugs and theft in order to survive. But when Rose and Pierrot finally reunite beneath the snowflakes - after years of searching and desperate poverty - the possibilities of their childhood dreams are renewed, and they'll go to extreme lengths to make them come true. Soon, Rose, Pierrot and their troupe of clowns and chorus girls have hit New York, commanding the stage as well as the alleys, and neither the theater nor the underworld will ever look the same.
