## The Madness of Hallen

An Arabic influenced adventure fantasy series, following two brothers, Ohrl and Faerl, in their quest against Na'ilah, blood heir to the mind of Husam al-Din. A 'swords and arrows' blend of the unification of the desert tribes by T.E Lawrence during WWI, and a less than romantic view of Islamic warrior Saladin during the 12th century crusades.

## Planning the Farm for Profit and Stability

## **Race Against Time**

The end has come. The army of the 'silent ones' is sweeping across the land, annihilating towns and cities; slaughtering all they encounter. In a desperate bid to save the lives of uncounted innocents, the allied forces of elf, dwarf, and human, must face these savage and seemingly unstoppable warriors. But the silent ones are unlike any enemy the people of Lumnia have faced before - corrupted and made enormously strong by the vile magic of Shinzan. They do not care who is friend or who is foe. They do not feel fear or pity. And they will never stop. For the silent ones do not fight for victory. They have but one purpose - to bring death to the world. Though Ethan's power could save many lives should he join in this fight, his path lies elsewhere. The rendezvous with destiny is at hand. He will battle Shinzan one final time. But first, he must face the choice he has avoided from the moment he arrived. And that decision will determine the fate of all races and Lumnia herself.

## **Drowning Mermaids**

A tender affair and the redemptive power of art are at the core of this compelling novel from National Book Award finalist Allegra Goodman, "a romantic realist who dazzles with wit [and] compassion" (The Wall Street Journal). Collin James is young, creative, and unhappy. A college dropout, he waits tables and spends his free time beautifying the streets of

Cambridge, Massachusetts, with his medium of choice: chalk. Collin's art captivates passersby with its vibrant colors and intricate lines—until the moment he wipes it all away. Nothing in Collin's life is meant to last. Then he meets Nina. . . . The daughter of a tech mogul who is revolutionizing virtual reality, Nina Lazare is trying to give back as a high school teacher—but her students won't listen to her. When Collin enters her world, he inspires her to think bigger. Nina wants to return the favor—even if it means losing him. Against this poignant backdrop, Allegra Goodman paints a tableau of students, neighbors, and colleagues: Diana, a teenage girl trying to make herself invisible; her twin brother, Aidan, who's addicted to the games produced by Nina's father; and Daphne, a viral-marketing trickster who unites them all, for better or worse. Wise, warm, and enchanting, *The Chalk Artist* is both a finely rendered portrait of modern love and a celebration of all the realms we inhabit: real and imagined, visual and virtual, seemingly independent yet hopelessly tangled. Advance praise for *The Chalk Artist* “Allegra Goodman creates suspense where you might least expect to find it.”—*The Atlantic* “All the characters in *The Chalk Artist* are questers. An inexperienced English teacher yearns to inspire her students, an artist learns to embrace his talent and a gaming addict finds an unexpected connection to the non-virtual world. This deft novel is filled with the exquisite pleasures one expects from Allegra Goodman, richly layered and emotionally resonant. I absolutely devoured it.”—Geraldine Brooks, author of *March* and *People of the Book* “What begins as a sparkling love story of an idealistic young teacher,

## File Type PDF The Madness Of Hallen Khalada Stone 1 Russell Meek

Nina, and artist Collin, who works only in chalk, becomes a stunning, rich exploration of whether love, art, literature, and nature can compete with breathtaking virtual worlds.”—Helen Simonson, author of *Major Pettigrew’s Last Stand* and *The Summer Before the War* “Once again Allegra Goodman displays her extraordinary talent, range, and reach. Who else could write such a tender, soulful novel about love and speculative virtual realities?”—Lily King, author of *Euphoria* and *Father of the Rain* “What do you do when ambition collides with love? Goodman answers this messy question with nuance in this heartfelt story about class.”—Booklist “Richly textured . . . Goodman probes the meaning and place of art in contemporary culture in her intricate and empathic novel.”—Publishers Weekly “Goodman’s eighth novel takes place in two skillfully evoked worlds that are at war for the hearts and minds of young people: video games versus education. . . . A very relevant love story with strong crossover possibilities.”—Kirkus Reviews

### **Shadow of a Dead God**

Viewed as a flashpoint of the Scientific Revolution, early modern astronomy witnessed a virtual explosion of ideas about the nature and structure of the world. This study explores these theories in a variety of intellectual settings, challenging our view of modern science as a straightforward successor to Aristotelian natural philosophy. It shows how astronomers dealt with celestial novelties by deploying old ideas in new ways and identifying more subtle notions of cosmic

rationality. Beginning with the celestial spheres of Peurbach and ending with the evolutionary implications of the new star Mira Ceti, it surveys a pivotal phase in our understanding of the universe as a place of constant change that confirmed deeper patterns of cosmic order and stability.

### **The Lessons Never Learned**

Sometimes fate brings you together...only to tear you apart Growing up in the foster system, Quinn O'Meara made a point of never getting involved. But when she discovers a crying baby amid a fiery crime scene, she knows she has no choice. Suddenly in way over her head, Quinn turns to the police, unintentionally positioning herself in the crosshairs of a deadly human-trafficking ring. The last time homicide detective Nick Saldano saw Quinn, she was still the young girl he'd shared a foster home with. The girl who'd loved and cared for him when no one else had. Now here she was, gorgeously all grown-up—and in terrible danger. Unwilling to lose her again, Nick insists on keeping Quinn close, especially when the bond they once shared heatedly slides into desire. Quinn finally has someone worth holding on to, but what kind of future can they have when she might not live to see tomorrow?

famous writer and his assistant—a richly plotted novel of friendship and love, artistic ambition, the perils of celebrity, and the power of an unexpected legacy. When the revered children's book author Mort Lear dies accidentally at his Connecticut home, he leaves his property and all its contents to his trusted assistant, Tomasina Daulair, who is moved by his generosity but dismayed by the complicated and defiant directives in his will. Tommy knew Morty for more than four decades, since meeting him in a Manhattan playground when she was twelve and he was working on sketches for the book that would make him a star. By the end of his increasingly reclusive life, she found herself living in his house as confidante and helpmeet, witness not just to his daily routines but to the emotional fallout of his strange boyhood and his volatile relationship with a lover who died of AIDS. Now Tommy must try to honor Morty's last wishes while grappling with their effects on several people, including Dani Daulair, her estranged brother; Meredith Galarza, the lonely, outraged museum curator to whom Lear once promised his artistic estate; and Nicholas Greene, the beguiling British actor cast to play Mort Lear in a movie. When the actor arrives for the visit he had previously arranged with the man he is to portray, he and Tommy are compelled to look more closely at Morty's past and the consequences of the choices they now face, both separately and together. Morty, as it turns out, made a confession to Greene that undermines much of what Tommy believed she knew about her boss—and about herself. As she contemplates a future without him, her unlikely alliance with Greene—and the loyalty they share toward the man

whose legacy they hold in their hands—will lead to surprising upheavals in their wider relationships, their careers, and even their search for love.

### **Secrets**

Get in on the action with this riveting start to a new DARK EPIC FANTASY series. Perfect for fans of Sarah J. Maas and Leigh Bardugo. **WHAT WOULD IT TAKE FOR YOU TO BREAK THE LAWS YOU VOWED TO ENFORCE?** Cadet ranger Troa Travay has dreamed her whole life of earning a captainship, and given her squad's accomplishments while under her command, she's well on her way. Far removed from the dazzling society of magic-wielding Magi and Radiant HighCastes, the rural Shinador Region draws an abundance of outlaws. The rangers spend their days hauling those outlaws in. For Troa, it's a perfect life until she uncovers her mother's plot to assassinate Shinador's Radiant governor, the very man she unwittingly kissed the other night--the Radiant ruler the law forbids her from being with. Now, Troa finds herself caught in a whirlpool of forbidden passion, murder, and deadly, illegal magic. With both her career and the lives of those closest to her hanging in the balance, will she honor the law she took an oath to uphold? Or, will she sacrifice her lifelong dreams to do right by her heart? Land of Perpetual Night is a full-length prequel to the upcoming Blood Forest trilogy. If you like resilient heroines, fathomless friendships, and a side of steam served with your magic, heartache, and battles, then this gripping story is for you. \*\*This Upper YA/NA series is intended for mature audiences

### **Dragonseer**

Three women fight for the chance to raise the child they've all come to love When Lilia Swallow's husband, Graham, goes into remission after a challenging year of treatment for lymphoma, the home and lifestyle blogger throws a party. Their best friends and colleagues attend to celebrate his recovery, but just as the party is in full swing, a new guest arrives. She presents Lilia with a beautiful baby boy, and vanishes. Toby is Graham's darkest secret—his son, conceived in a moment of despair. Lilia is utterly unprepared for the betrayal the baby represents, and perhaps more so for the love she begins to feel once her shock subsides. Now this unasked-for precious gift becomes a life changer for three women: Lilia, who takes him into her home and heart; Marina, who bore and abandoned him until circumstance and grief changed her mind; and Ellen, who sees in him a chance to correct the mistakes she made with her own son, Toby's father. A custody battle begins, and each would-be mother must examine her heart, confront her choices and weigh her dreams against the fate of one vulnerable little boy. Each woman will redefine family, belonging and love—and the results will alter the course of not only their lives, but also the lives of everyone they care

for.

## **A Brother's Bond**

Time doesn't heal all wounds. It makes them deeper. Alfred White's only concern in life is his career. Until he meets Pacific, a mysterious man who questions Alfred's obedience to a system designed to harvest people's time. Yes. Time. Pacific seems to know the inner truth behind time, and he will share this knowledge—if Alfred will accept his mentorship for one day. But Alfred soon learns that the road to temporal knowledge is paved with death and destruction. And, as the day continues, Alfred discovers another truth: there is nothing Pacific wouldn't do for more time. *Lord of Time* is an exciting, thought-provoking new fantasy novel perfect for fans of *The Name of the Wind* and *American Gods*.

## **The Swallow's Nest**

The witches, they are real... A series of bizarre assaults is mystifying Boston police: an unknown attacker is viciously beating random strangers and leaving a note quoting an old warning about witchcraft. History professor Alex Maple was one of the victims, and now he's gone missing. Vickie Preston is certain that someone has taken her friend for malicious purposes. She's having blood-drenched visions that seem to be staining her waking life, and the escalating attacks suggest that a dangerous cult is at work behind the scenes—a cult so powerful that its members would rather die than be apprehended.

## File Type PDF The Madness Of Hallen Khalada Stone 1 Russell Meek

Vickie is grateful to have Special Agent Griffin Pryce and the FBI's elite Krewe of Hunters on her side. She and Griffin are finding their way in an increasingly passionate relationship, and Griffin is desperately trying to keep her safe and the two of them sane amid the disturbing investigation. The search for Alex will take them deep into the wilderness of Massachusetts on the trail of a serial killer, and it will take everything they have to survive the ancient evil that awakens and threatens not just the man they're striving to save but their very souls.

### **Era of Undying**

## File Type PDF The Madness Of Hallen Khalada Stone 1 Russell Meek

In a land where women of wealth fight one another for more power and men are oppressed and forced to veil themselves, Lexa, daughter of the powerful Farwan family finds her fortunes suddenly upended. Suddenly she must rely on a man whose unwillingness to be subjugated both intrigues and unnerves her, for help in restoring her family's fortunes.

### **A Wizard's Forge**

-With a thunderous roar it fell from the sky, all gleaming yellow scales, talons the size of broad swords with fanged teeth to match, wings held out from its sides like sails, magnificent and glorious.- The time has come for thirteen-year-old Rachaya to embrace her dragon heritage. Not everyone is pleased by her arrival on the dragon sanctuary, Fyrebyrne Island, however, and her mother's enemies may well have become her own. Will Rachaya live long enough to take on the mantle of Queen of the Dragons or will her enemies prevail?

### **Fyrebyrne Island**

Mazael, now Lord of Castle Cravenlock, has subdued the demonic power within his soul, though at terrible cost to himself. Yet peace remains elusive. Mazael's former overlord plans a war of pride. A corrupt order of militant knights scheme for brutal and bloody conquest. The serpent people and their followers plot a terrible vengeance upon Mazael and his sister. And a foe more terrible than any he has yet faced awaits. For Mazael was not the only child of the Old Demon

## **A House Among the Trees**

On a planet far from Earth, descendants of marooned space travelers fight a decades-long war. Shy scholar Victoria knows nothing of this conflict until pirates kidnap and sell her to the sadistic tyrant behind it. He keeps her naked and locked in a tower, subjecting her to months of psychological torture. After seizing an opportunity to escape, Vic joins the fight against her former captor and begins walking a bloody path toward revenge. As the Blade, Vic gains glory raiding her enemy's forces, but the ordeal in his tower haunts her. Bitter memories keep her from returning the love of the kindhearted Prince Ashel, whose family has fended off the tyrant's invading army for a generation. When enemy soldiers capture Ashel, Vic embarks on a quest to rescue him and, on the journey, discovers a source of spectacular power. With wizardry, Vic can rescue the prince, end the war, and wreak the vengeance she craves, but she might also destroy her only chance for peace.

flee to Alaska. Doing all she can to keep her younger sisters safe, Aazuria tries to assimilate and work among the Americans, with her feisty red-haired bodyguard at her side. This refuge holds pleasant surprises, for the princess meets a somber gentleman in a dark corner who promises to show her his world. Trevain Murphy is a successful crab fisherman who has spent his life building an empire above the sea, but knows nothing of the greater empire beneath the surface. When a graceful dancer captures his attention, he becomes fascinated with her. As it becomes clear that the dark-haired woman is much more than she seems, Trevain is unprepared to uncover the staggering secrets behind her innocent facade. Neither the captain nor the princess can imagine that their lives will become forcibly entwined as a common enemy threatens both of their worlds

Fathoms of Forgiveness There is no divorce in the undersea kingdom of Adlivun. Marriage is a bond that lasts until death--even if death comes in several centuries, and in that time your spouse happens to become your sworn enemy. This is the conflict that General Visola Ramaris faces when she learns that the mighty Vachlan is behind the attacks on her kingdom. She has sworn to protect Adlivun with her life, but long ago, she also swore to love and honor her husband Princess Aazuria forbids Visola from taking matters into her own hands, but she cannot protect her friend from the evil grip of her former lover. Visola must choose whether she will destroy Vachlan once and for all, or attempt the hardest thing conceivable: communication. After two hundred years of desertion, she has no faith in their feeble bond and knows she can never forgive him. When he threatens

the person dearest to her, she must take action. Confronting Vachlan on enemy territory will be nothing short of suicide, but she has no choice. Boundless Sea With Queen Aazuria missing, the undersea kingdom of Adlivun has been thrust into political unrest and turmoil. Elandria is expected to take over her sister's responsibilities, but she is overwhelmed with depression. The sea-dwellers are desperately in need of protection from the foreign submarine superpower known as The Clan of Zalcan. Although it is ancient tradition for the mermaids to conceal and protect their people from land-dwelling societies, they decide to finally reveal themselves to the American public and seek assistance. After much political debate by the countries of the Pacific Rim, America and Russia have decided to help: on one condition. The mermaids must join APEC and contribute endless labor to the organization, helping to build and indefinitely maintain a massive trans-pacific highway tunnel which will link Alaska to the Chukotka Peninsula. This will allow land-traffic to travel between North America and Eurasia for the first time, changing the economy of the world forever. Abyssal Zone Aazuria Vellamo has returned to the undersea kingdom of Adlivun only to find that the place she called home for over five hundred years has changed drastically. Having been forsaken as dead several years ago, she finds her husband in the arms of another woman. Once the beloved rightful queen, Aazuria is now an outcast hiding among the commoners. She observes the political situation from a distance, trying to maneuver her daughter into the safest place possible-- but Aazuria quickly discovers that no part of the expanding nation is safe any

Forged from the abyss by the elder gods, the history of Soria spans over 10,000 years. In this time, the people of the world have seen bloody wars, the rise and fall of divine empires, pitched struggles between dragons and unicorns--the very children of the gods who created men. Though the seed of civilization was planted on the continent of Elitor, people crossed the wide oceans to other lands, and to divergent evolutions. Today the world revolves around two great powers: Telsemar in the east, and Drumnaught in the west. It is from the dusty volumes in the duty halls of these cities' grand depositories, that we look back on the tumultuous history of Soria and the tales of Metal and Magic. Some believe Bedford, Maine, is cursed. Its bloody past, endless rain, and the decay of its downtown portend a hopeless future. With the death of its paper mill, Bedford's unemployed residents soon find themselves with far too much time to dwell on thoughts of Susan Marley. Once the local beauty, she's now the local whore. Silently prowling the muddy streets, she watches eerily from the shadows, waiting for . . . something. And haunting the sleep of everyone in town with monstrous visions of violence and horror. Those who are able will leave Bedford before the darkness fully ascends. But those who are trapped here—from Susan Marley's long-suffering mother and younger sister to her guilt-ridden, alcoholic ex-lover to the destitute and faithless with nowhere else to go—will soon know the fullest and most terrible meaning of nightmare.

## **Shields in Shadow**

Rectar has always had his sights set on conquering the human lands. His demonic invasion of the west is gaining momentum - an unrelenting horde unhindered by food or sleep. Now, only the undermanned Splintering Isles lie between the demons and the human kingdom of Brevia. If the islands fall, the rest of Tenalp will soon follow. The Three Races must work together if they are to survive, but they have another problem - Castallan. The traitorous wizard has raised a deadly rebellion and declared himself King of Humans. He believes himself safe in the bowels of his impenetrable Bastion fortress, but Darnuir, now King of Dragons, intends to
