Rathod hasn't seen her husband in twenty years—not since she was promised to him at the age of four. Yet marriage has allowed Mili a freedom rarely given to girls in her village. Her grandmother has even allowed her to leave India and study in America, all to make her the perfect modern wife. Which is exactly what Mili longs to be—if her husband would just come and claim her. Bollywood's favorite director, Samir Rathod, has come to Michigan to secure a divorce for his older brother. Persuading a naïve village girl to sign the papers should be easy for someone with Samir's tabloid-famous charm. But Mili is neither a fool nor a gold-digger. And before he can stop himself, Samir is immersed in Mili's life—cooking her dal and rotis, escorting her to her roommate's elaborate Indian wedding, and wondering where his loyalties and happiness lie. Heartfelt, witty, and thoroughly engaging, Sonali Dev's novel is both a vivid exploration of modern India and a deeply honest story of love, in all its diversity. “Deeply romantic and emotional, with characters I fell in love with...simply unputdownable.” —Nalini Singh, New York Times bestselling author “An impressive debutVibrant and exuberantly romantic, *Affair* is chock full of details that reflect India's social and cultural flux.” —NPR.com, A 2014 Best Reads Selection “This tasty Indian American confection will satisfy female readers of any ageA contemporary, transcontinental romance told with a light touch and lots of sizzle.” —Library Journal, A Best Romance of 2014 Selection

Free Souls (Mindjack: Kira Book Three)

The 1915 Western Electric Employee Picnic is the social highlight of the year in Cicero, Illinois. Five steamers wait to ferry seven thousand passengers to the picnic grounds in Michigan City, Indiana. As teenager Dee Pageau packs her picnic basket and prepares to board the SS Eastland, she anticipates this will be the best day of her life. Dee hopes to spend time with her best friend, Mae Koznecki-but she also wants to get to know Mae's handsome brother, Karel, a little better. Dee has no idea that in a matter of hours, tragedy will strike. Despite her mother's dark premonition that death awaits her if she boards the SS Eastland, Dee decides the risk is worth a chance for more time with Karel. Dee's excitement quickly turns to terror, though, when the ship capsizes at the dock, threatening the lives of everyone on board. Rescued from certain death-not once, but twice-by Karel and a mysterious stranger, Dee soon discovers that Mae is nowhere to be found. Dee can only sit back and wait to hear if she is trapped in the flooding bowels of the capsized ship or worse yet, dead. In this captivating historical tale, Dee takes a coming-of-age journey like no other as she soon realizes that surviving the disaster is only the beginning.

Dark is filled with thrilling romance, exciting adventure, and ancient magic. Shana Abé brilliantly captures the drama of post-Victorian England, while unfolding a passionate love story that defies time. “With every fiber of my being, I yearned to be normal. To glide through my days at Iverson without incident. But I’d have to face the fact that my life was about to unfold in a very, very different way than I’d ever envisioned. Normal would become forever out of reach.” Lora Jones has always known that she’s different. On the outside, she appears to be an ordinary sixteen-year-old girl. Yet Lora’s been keeping a heartful of secrets: She hears songs that no one else can hear, dreams vividly of smoke and flight, and lives with a mysterious voice inside her that insists she’s far more than what she seems. England, 1915. Raised in an orphanage in a rough corner of London, Lora quickly learns to hide her unique abilities and avoid attention. Then, much to her surprise, she is selected as the new charity student at Iverson, an elite boarding school on England’s southern coast. Iverson’s eerie, gothic castle is like nothing Lora has ever seen. And the two boys she meets there will open her eyes and forever change her destiny. Jesse is the school’s groundskeeper—a beautiful boy who recognizes Lora for who and what she truly is. Armand is a darkly handsome and arrogant aristocrat who harbors a few closely guarded secrets of his own. Both hold the answers to her past. One is the key to her future. And both will aim to win her heart. As danger descends upon Iverson, Lora must harness the powers she’s only just begun to understand, or else lose everything she dearly loves. Filled with lush atmosphere, thrilling romance, and ancient magic,

Broken Wide (Mindjack: Zeph Book Three)

Warrior faery princes can be very stubborn. Especially when they possess your body. Fourteen-year-old Finn just wants to keep his little sister out of Child Protective Services—an epic challenge with their parentally-missing-in-action dad moving them to England, near the famous Stonehenge rocks. Warrior faery Prince Zaneyr just wants to escape his father’s reckless plan to repair the Rift—a catastrophe that ripped the faery realm from Earth 4,000 years ago and set it adrift in an alternate, timeless dimension. When Zaneyr tricks Finn into swapping places, Finn becomes a bodiless soul stuck in the Otherworld, fighting spriggans with sharp teeth and rival faery Houses. Back on Earth, Zaneyr uses Finn’s body to fight off his father’s seekers and keep the king’s greatest weapon—himself—out of his hands. Between them, they have two souls and only one body... and

Pretenders

A GHOST OF A CHANCE A voice, an icy, whispering voice, came out of the darkness from all around her; from everywhere, yet nowhere. It could have been born of her imagination, yet Rune knew the voice was the Ghost's, and that to run was to die. Instantly, but in terror that would make dying seem to last an eternity. "Why have you come here, stupid child " it murmured, as fear urged her to run away. "Why were you waiting here For me Foolish child, do you not know what I am What I could do to you " Rune had to swallow twice before she could speak, and even then her voice cracked and squeaked with fear. "I've come to fiddle for you-sir " she said, gasping for breath between each word, trying to keep her teeth from chattering. The Ghost laughed, a sound with no humor in it, the kind of laugh that called up empty wastelands and icy peaks. "Well, then, girl. Fiddle, then. And pray to that Sacrificed God of yours that you fiddle well, very well. If you please me, if you

CLONES: The Anthology

Evelina Cooper, the niece of the great Sherlock Holmes, is poised to enjoy her first Season in London Society. But there's a murderer to deal with—not to mention missing automatons, a sorcerer, and a talking mouse. In a Victorian era ruled by a council of ruthless steam barons, mechanical power is the real monarch and sorcery the demon enemy of the

Empire. Nevertheless, the most coveted weapon is magic that can run machines—something Evelina has secretly mastered. But rather than making her fortune, her special talents could mean death or an eternity as a guest of Her Majesty’s secret laboratories. What’s a polite young lady to do but mind her manners and pray she’s never found out? But then there’s that murder. As Sherlock Holmes’s niece, Evelina should be able to find the answers, but she has a lot to learn. And the first decision she has to make is whether to trust the handsome, clever rake who makes her breath come faster, or the dashing trick rider who would dare anything for her if she would only just ask. Praise for *A Study in Silks* “This book has just about everything: magic, machines, mystery, mayhem, and all the danger one expects when people’s loves and fears collide. I can’t wait to return to the world of Evelina Cooper!”—Kevin Hearne, *New York Times* bestselling author of *The Iron Druid Chronicles* “As Sherlock Holmes’s niece, investigating murder while navigating the complicated shoals of Society—and romance—in an alternate Victorian England, Evelina Cooper is a charming addition to the canon.”—Jacqueline Carey, *New York Times* bestselling author of the *Kushiel’s Legacy* series “Holloway takes us for quite a ride, as her plot snakes through an alternate Victorian England full of intrigue, romance, murder, and tiny sandwiches. Full of both thrills and frills.”—Nicole Peeler, author of the *Jane True* series “*A Study in Silks* is a charming, adventurous ride with a heroine who is both clever and talented. The brushes with the Sherlock Holmes mythos only add to the fun of this tale, and readers are bound to fall in love with Evelina

and the London she inhabits.”—Philippa Ballantine, author of *Geist* “In *A Study in Silks*, Emma Jane Holloway has created a wonderful reimagining of the Sherlock Holmes mythos set in a late-Victorian Britain ruled by nefarious industrial titans called steam barons. Holloway’s clever writing, attention to detail, and sublime characters forge a fascinating world that combines brass-plated steampunk technology with magic. By turns a coming-of-age story, a gas-lamp thriller, and a whimsical magical fantasy, *A Study in Silks* is the premiere novel of an author to watch.”—Susan Griffith, author of the *Vampire Empire* series “Holloway stuffs her adventure with an abundance of characters and ideas and fills her heroine with talents and graces, all within a fun, brisk narrative.”—*Publishers Weekly* “Splendid . . . The characters are thoroughly charming and the worldbuilding is first-rate.”—*RT Book Reviews* (four stars) From the Paperback edition.

Spiral of Hooves

There's something compelling about the shine of clicking brass clockwork and hiss of steam-driven automatons. But there was something missing. It was easy to find excellent stories of American and British citizens but we rarely got to see steampunk from the point of view of the rest of the world. Until now. *Steampunk World* is a showcase for nineteen authors to flip the levers and start the pistons and invite you to experience the entirety of steampunk.

the smooth veneer of a dashing playboy; his layabout mentor, Nick Barker, who prefers a good pub to thrilling heroics; and the self-possessed alchemist Kate Anstruther, who is equally at home in a ballroom as she is on a battlefield. After a lycanthrope targets Kate's vulnerable younger sister, the three join forces with fierce Scottish monster-hunter Malcolm MacFarlane—but quickly discover they're dealing with a threat far greater than anything they ever imagined. Praise for *The Shadow Revolution* "Team Griffith creates a number of really compelling characters whose exploits will keep readers glued to the pages! Terrific!"—RT Book Reviews "A fast-paced, action-filled dark fantasy that is just sheer fun to read . . . *The Shadow Revolution* kicks off the *Crown & Key* series in spectacular fashion!"—Fresh Fiction "Werewolves, mad science, and plenty of smiting. Pass the popcorn."—Emma Jane Holloway, author of *The Baskerville Affair* series "A thrilling read! Clay and Susan Griffith have crafted a gritty, action-packed Victorian-era fantasy world full of dark creatures, mystery, and magic—a must read for steampunk fans!"—Shawntelle Madison, author of the *Coveted* series "What happens when you kick off a new urban fantasy series with a fantastic setting and unique characters, and you throw in some dangerous, supernatural creatures, evil madmen, murder and mayhem? You get a kick-ass book to read. . . . I want more, please!"—Book Swoon "If summer blockbuster action movies existed back in the Victorian era, they would look a lot like *The Shadow Revolution*. This book doesn't mess around. . . . Highly recommended."—The BiblioSanctum "One hell of a read . . . [With] unforgettable characters and magic

In 1842, the gunpowder might of China's Qing Dynasty fell to Britain's steam engines. Furious, the Emperor ordered the death of his engineers—and killed China's best chance of fighting back... Since her father's execution eight years ago, Jin Soling kept her family from falling into poverty. But her meager savings are running out, leaving her with no choice but to sell the last of her father's possessions—her last memento of him. Only, while attempting to find a buyer, Soling is caught and brought before the Crown Prince. Unlike his father, the Emperor, the Prince knows that the only chance of expelling the English invaders is to once again unite China's cleverest minds to create fantastic weapons. He also realizes that Soling is the one person who could convince her father's former allies—many who have turned rebel—to once again work for the Empire. He promises to restore her family name if she'll help him in his cause. But after the betrayal of her family all those years ago, Soling is unsure if she can trust anyone in the Forbidden City—even if her heart is longing to believe in the engineer with a hidden past who was once meant to be her husband... What if you knew there was life after death? Eli is back from the dead... and determined to stop the powerful ascenders who blasted him out to the void. But in the three days he was gone, the world moved on. The girl he loves is determined to build an army of augmented humans to fight the ascenders—with herself as the next Offering. The ascenders are lining up in a death cult based on the charismatic ascender Eli accidentally released from storage—and all the restraints that have kept the ascender world in balance are now off. Everyone is rushing to be the first to bring a Second Singularity—to reach the numinous world from which Eli just returned—regardless of the cost. And the chaos and bloodshed of the first Singularity show just how high that cost can be. How can he stop the world from hurtling off the cliff when he's the one who proved there's something to reach, if only you could learn how to fly? The Last Mystic is the thrilling conclusion to the Singularity series. This philosophical, HopePunk sci-fi series explores the intersection of mind, body, and soul in a post-Singularity world. human/machine hybrid—after all, they’re smarter, more enlightened, more compassionate, and above all, achingly beautiful. But Eli is a legacy human, preserved and cherished for his unaltered genetic code, just like the rainforest he paints. When a fugue state possesses him and creates great art, Eli miraculously lands a sponsor for the creative Olympics. If he could just master the fugue, he could take the gold and win the right to ascend, bringing everything he’s yearned for within reach... including his beautiful ascender patron. But once Eli arrives at the Games, he finds the ascenders are playing games of their own. Everything he knows about the ascenders and the legacies they keep starts to unravel... until he’s running for his life and wondering who he truly is. The Legacy Human is the first in a philosophical HopePunk sci-fi series that explores the intersection of mind, body, and soul in a post-Singularity world. for Doctors Without Borders in a Mumbai slum, his wife, Jen, discovered a black market organ transplant ring. Before she could expose the truth, Jen was killed. Two years after the tragedy, Nic is a cruise ship doctor who spends his days treating seasickness and sunburn and his nights in a boozy haze. On one of those blurry evenings on deck, Nic meets a woman who makes a startling claim: she received Jen's heart in a transplant and has a message for him. Nic wants to discount Jess Koirala's story as absurd, but there's something about her reckless desperation that resonates despite his doubts. Jess has spent years working her way out of a nightmarish life in Calcutta and into a respectable Bollywood dance troupe. Now she faces losing the one thing that matters—her young son, Joy. She needs to uncover the secrets Jen risked everything for; but the unforeseen bond that results between her and Nic is both a lifeline and a perilous complication. Delving beyond the surface of modern Indian-American life, acclaimed author Sonali Dev's page-turning novel is both riveting and emotionally rewarding—an extraordinary story of human connection, bravery, and hope. Open Minds (Mindjack: Kira Book One)

When you control minds, only your heart can be used against you. Eight months ago, Kira Moore revealed to the mindreading world that mindjackers like herself were hidden in their midst. Now she wonders if telling the truth was the right choice. As wild rumors spread, a powerful anti-jacker politician capitalizes on mindreaders' fears and strips jackers of their rights. While some jackers flee to Jackertown—a slum rife with jackworkers who trade mind control favors for cash—Kira and her family hide from the readers who fear her and jackers who hate her. But when a jacker Clan member makes Kira's boyfriend Raf collapse in her arms, Kira is forced to save the people she loves by facing the thing she fears most: FBI agent Kestrel and his experimental torture chamber for jackers.

The Legacy Human (Singularity Series Book 1)

The Third Daughter of the Queen wants her birthday to arrive so she'll be free to marry for love, but rumors of a new flying weapon may force her to accept a barbarian prince's proposal for a peace-brokering marriage. Desperate to marry the charming courtesan she loves, Aniri agrees to the prince's proposal as a subterfuge in order to spy on him, find the weapon, and hopefully avoid both war and an arranged marriage to a man she does not love. Third Daughter is the first book in the The Dharian Affairs Trilogy (Third Daughter, Second Daughter, First Daughter). This steampunk-goes-to-Bollywood (Bollypunk!) romance takes place in an east-Indian-flavored alternate world filled with skyships, saber duels, and lots of royal intrigue. And, of course, kissing.
