### The Ninjabread Man

When a group of immortal vigilantes threatens millions, only one man is brave enough to stand in their way. Their story didn't start this year...or even this millennium. It began when Moses was on Mt. Sinai. Tired of waiting on the One True God, the twelve tribes of Israel began worshipping a golden calf through pagan revelry. Many received immediate death for their idolatry, but 40 were handed a far worse punishment—endless life on earth with no chance to see the face of God. This group of immortals became the 13th Tribe, and they've been trying to earn their way into heaven ever since—by killing sinners. Though their logic is twisted, their brilliance is undeniable. Their wrath is unstoppable. And the technology they possess is beyond anything mere humans have ever seen. Jagger Baird knows nothing about the Tribe when he's hired as head of security for an archaeological dig on Mt. Sinai. The former Army Ranger is still reeling from an accident that claimed the life of his best friend, his arm, and his faith in God. The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance. When Jagger's wife and son are caught in the crossfire, he'll stop at nothing to save them. But how can one man stand against an entire tribe of immortals? "Liparulo plunges deep into the pages of Scripture to find intriguing what-if's and stunning revelations—all woven into a tale that is both skin-tinglingly supernatural and thought-provokingly real. Packed with high-tech gadgetry, action, and heart . . . Read this novel! Seriously!" —TED DEKKER, New York Times best-selling author of *Forbidden* and the Circle Series "The author of *Comes a Horseman* ushers in an exciting new series with this action-packed and intricately plotted spiritual thriller that should appeal to fans of Frank Peretti and Oliver North." —Library Journal "A fantasy-thriller with overt (but not overly intrusive) Christian themes . . . The book can be read as a story of a man's spiritual transition, or it can be read as a fast-paced thriller with fantasy elements. Either way, it's a success." —Booklist "Liparulo opens the Immortal Files series with a bang . . . Liparulo has concocted a fast-moving, imaginative narrative that examines moral questions . . . every reader is in for roller-coaster action, competently done, with a late-breaking major plot curve that leaves the door open for more." —Publishers Weekly "If you're a fan of suspense or biblical fiction, this is one book you won't want to miss. Its mind-blowing action will keep readers totally immersed." —RT Book Review, 4 1/2 stars

## **Tramp**

2016 Christian Book Award finalist (Fiction category) When New York Times foreign correspondent J. B. Collins hears rumors that an al-Qaeda splinter cell—ISIS—has captured a cache of chemical weapons inside Syria, he knows this is a story he must pursue at all costs. Does the commander of the jihadist faction really have weapons of mass destruction? If so, who is the intended target? The U.S.? Israel? Or someone else? With tensions already high, the impending visit of the American president to the region could prove to be the spark that sets off an explosion of horrendous proportions. Knowing that terrorist forces are already trying to bring down two Arab governments in the region—Iraq and Syria—can Collins uncover the truth before it's too late? Or will the terrorists succeed in setting their sights on the third target and achieving genocide?

## **The Secret of Ka**

Dropped by helicopter into the remote Canadian wilderness, Hutch, Terry, Phil, and David are looking to escape the events of a tumultuous year--a bitter divorce, bankruptcy, depression, and job loss--for two weeks of hunting, fishing, and camping. Armed only with a bow and arrow and the basics for survival, they've chosen a place far from civilization, a retreat from their turbulent lives. But they quickly discover that another group has targeted the remote region and the secluded hamlet of Fiddler Falls for a more menacing purpose: to field-test the ultimate weapon. With more than a week before the helicopter rendezvous and no satellite phone, they must risk everything to help the townspeople who are being held hostage and terrorized. An intense novel of character forged in the midst of struggle, survival, and sacrifice, *Deadfall* is highly-acclaimed author Robert Liparulo's latest rivetingly smart thriller.

Thankfully, it's just the kind of environment Hutch thrives best in . . . if he can survive the next three days. *Deadlock* will grab you from the riveting first page to its white-knuckle climax. "With a blistering pace and irresistible characters, *Deadlock* is the best of high-octane suspense." - Gayle Lynds, *New York Times* best-selling author of *The Last Spymaster*

## **Kill Zone**

What if praying became a curse instead of a blessing? Former Army Ranger Jagger Baird thought he had his hands full with the Tribe—the band of immortal vigilantes fighting to regain God's grace by killing those opposed to Him. But that was before he encountered the ruthless group of immortals called the Clan. The Clan is after a prize that would give them unimaginable power—a piece of the Ten Commandments known as the Judgment Stone. Those who touch the Stone can see into the spiritual world: angelic warriors, treacherous demons, and the blue threads of light that signal the presence of believers in communion with God. By following the blue beam radiating from those closest to God, the Clan plans to locate His most passionate followers and destroy them. Jagger quickly realizes his high-tech gadgetry and training are no match for these merciless immortals. But how can he defeat an enemy who hunts believers through their prayers . . . and won't stop until they've annihilated all those close to Him? In this high-action thriller, best-selling author Robert Liparulo examines the raging battle between good and evil on earth . . . and beyond.

## **Mortal Sight**

## **The Butcher's Boy**

"He will be the preacher." Whether this was just an offhand remark or the woman leaning over his crib was speaking under inspiration from the Holy Spirit, either way, her prediction came to pass. This is the story of a shy, wisecrack kid from rural Canada becoming a well-known American preacher. It's a story of seemingly random events deciding one man's destiny. But most of all, it's a story of God leading one of His dear children along. Join Erwin Lutzer on this tour of his life—from a Saskatchewan farm to a Dallas seminary to the historic Moody Church in Chicago. Hear his personal reflections and tales of pastoral hardship. Meet the people who have shaped him: his parents, professors, family, and even the great evangelist Billy Graham. And see how his many roles—author, speaker, evangelist, historian, and cultural critic—have carried his prophetic voice beyond Moody's pulpit, even abroad. Part story and part reflection, full of heart with a dose of wit, *He Will Be the Preacher* is a personal and engaging witness to the providence of God.

But no college acceptance letters have arrived yet, and she's beginning to worry about where she'll end up come fall—and if it will be anywhere near her boyfriend, Ryan. But that's not the only uncertainty Daisy's dealing with. There's a vamps-versus-shifters war going on in Nightshade, and things are so tense that there is talk of canceling the prom. The conflict is carrying over to the Giordano home, since Rose and Daisy are both dating werewolves and Poppy's new boyfriend is a vampire. Can the paranormal community in Nightshade finally find peace? And will Daisy and her friends survive graduation? All of these questions and more are answered in this explosive installment in the *Dead Is* series. "Once again, Perez offers up a clever mix of reality—senioritis, high-school graduation events, part-time jobs, and young love—and paranormal elements . . . Although familiarity with the other four books in the series will certainly give readers an advantage here, newcomers to Nightshade High will have few problems following the sometimes tense, often humorous plotlines."—Booklist

## **Frenzy**

Charlie Chaplin made an amazing seventy-one films by the time he was only thirty-three years old. He was known not only as the world's first international movie star, but as a comedian, a film director, and a man ripe with scandal, accused of plagiarism, communism, pacifism, liberalism, and anti-Americanism. He seduced young women, marrying four different times, each time to a woman younger than the last. In this animated biography of Chaplin, Joyce Milton reveals to us a life riddled with gossip and a struggle to rise from an impoverished London childhood to the life of a successful American film star. Milton shows us how the creation of his famous character—the Tramp, the Little Fellow—was both rewarding and then devastating as he became obsolete with the changes of time. Tramp is a perceptive, clever, and captivating biography of a talented and complicated man whose life was filled with scandal, politics, and art.

## **The Raven and Noah's Ark**

The young orphaned boy was abandoned and raised in an Ethiopian monastery. He has never seen outside its walls -- at least, not the way most people see. Now he must flee those walls or die. But the world is hardly ready for a boy like Caleb. When relief expert Jason Marker agrees to take Caleb from the monastery, he unwittingly opens humanity's doors to an incredible journey filled with intrigue and peril. Together with Leiah, the French Canadian nurse who escapes to America with them, Jason discovers Caleb's stunning power. But so do the boy's enemies, who will stop at nothing to destroy him. Jason and Leiah fight for the boy's survival while the world erupts into debate over the source of the boy's power. In the end nothing can prepare them for what they will find.
