Spiritual Leadership

Lead-er-shift [verb]: The act of nimbly adapting one's leadership in the midst of rapid change. The term leadership may be new to you, but the climate of change that demands it is not. As a leader, you already know that it takes more than staying the course to be successful. The key to not just surviving but to continual innovation, improvement, and influence is to learn how to leadership. In the Leadership Shift Workbook, based on the bestselling book of the same name, author John C. Maxwell helps leaders make the changes the current fast-paced environment demands. He begins by helping leaders embrace seven principles to face every situation with flexibility and confidence: Continually learn, unlearn, and relearn Value yesterday, but live in today Rely on speed, but thrive on timing See the big picture as the picture keeps getting bigger Live in today, but think about tomorrow Move forward courageously in the midst of uncertainty Realize today's best will not meet tomorrow's challenges In each of the lessons in this workbook, John shares the critical shifts he has personally made over the course of his long and successful leadership career, including the Adaptive Shift from Plan A to Option A, the Production Shift from Ladder Climbing to Ladder Building, and the Influence Shift from Positional Authority to Moral Authority. These leadership shifts will change the way you think, act, and ultimately lead so you can be proactive and successful in an ever-changing world. Designed for use with the Leadership Shift book (9780718098506).

The Maxwell Daily Reader

Jack Welch took a company that was already flying high and rocketed it into the stratosphere. What did he use as the launching pad? The Law of Priorities, of course.

The Complete 101 Collection

#1 New York Times bestselling author John C. Maxwell brings his common sense self-help lessons to teens! Any setback--a championship loss, a bad grade, a botched audition--can be seen as a step forward when teens possess the right tools to turn that loss into a gain of knowledge. Drawing on nearly fifty years of leadership experience, Dr. Maxwell provides a roadmap for becoming a true learner, someone who wins in the face of problems, failures, and losses. The teachings from *Sometimes You Win, Sometimes You Learn* have been edited and adapted just for teens. This Young Readers edition features all-new stories of real life figures that overcame adversity early in their lives, including entrepreneur Steve Jobs, Olympic Gold Medalists Gabby Douglas and Mikaela Shiffrin, and Nobel Peace Prize nominee Malala Yousafzai.

Breakthrough Parenting

The youngest living Medal of Honor recipient delivers an unforgettable memoir that "will inspire every reader" (Jim Mattis) NATIONAL BESTSELLER: A USA Today, Washington Post, and Publishers Weekly bestseller On November 21, 2010, U.S. Marine Lance Corporal Kyle Carpenter was posted atop a building in violent Helmand Province, Afghanistan, when an enemy grenade skittered toward Kyle and fellow Marine Nick Eufrazio. Without hesitation, Kyle chose a path of selfless heroism that few can imagine. He jumped on the grenade, saving Nick but sacrificing himself. One of the year's most anticipated books, Kyle's remarkable memoir reveals a central truth that will inspire every reader: Life is worth everything we've got. It is the story of how one man became a so-called hero who willingly laid down his life for his brother-in-arms—and equally, it is a story of rebirth, of how Kyle battled back from the gravest challenge to forge a life of joyful purpose. Kyle Carpenter's heart flatlined three times while being evacuated off the battlefield in Afghanistan. Yet his spirit was unbroken. Severely wounded from head to toe, Kyle lost his right eye as well as most of his jaw. It would take dozens of surgeries and almost three years in and out of the hospital to reconstruct his body. From there, he began the process of rebuilding his life. What he has accomplished in the last nine years is extraordinary: he's come back a stronger, better, wiser person. In 2014, Kyle was awarded the nation's highest military decoration, the Medal of Honor, for his "singular act of courage" on that rooftop in Afghanistan, an action which had been reviewed exhaustively by the military. Kyle became the youngest living recipient of the award—and only the second living Marine so honored since Vietnam. *You Are Worth It* is a memoir about the war in Afghanistan and Kyle's heroics, and it is also a manual for living. Organized around the credos that have guided Kyle's life (from "Don't Hide Your Scars" to "Call Your Mom"), the book encourages us to become our best selves in the time we've been given on earth. Above all, it's about finding purpose, regardless of the hurdles that may block our way. Moving and unforgettable, *You Are Worth It* is an astonishing memoir from one of our most extraordinary young leaders.

Success Is a Choice

Today Matters Participant Guide

Success One Day At A Time is the kind of book you will want to carry in your car or place at the side of your bed. Each page contains a snapshot of the daily road of an overcomer. It is the perfect gift for the new graduate as well as anyone else who wants to become all that God intended! Owning a book by John Maxwell is like having your own personal trainer cheerleader. Drawing on over twenty years of experience in training leaders, John shares not only how to succeed but the biblical reason for doing so. "Success is knowing your purpose in life, sowing seeds that benefit others, and growing to your maximum potential," he says. He asserts that success is for everyone. The secret of success is found in your daily routine, springing from your dreams, vision and consistent self-discipline.

Put Your Dream to the Test

Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. - John C. Maxwell

Beyond Talent

At the heart of John C. Maxwell's brilliant and inspiring book is a simple premise: To do well in life, we must first think well. But can we actually learn new mental habits? Thinking for a Change answers that with a resounding "yes" -- and shows how changing your thinking can indeed change your life. Drawing on the words and deeds of many of the world's greatest leaders and using interactive quizzes, this empowering book helps you assess your thinking style, guides you to new ones, and step by step teaches you the secrets of: Big-Picture Thinking -- seeing the world beyond your own needs and how that leads to great ideas. Focused Thinking -- removing mental clutter and distractions to realize your full potential. Creative Thinking -- stepping out of the "box" and making breakthroughs. Shared Thinking -- working with others to compound results. - Reflective Thinking -- looking at the

past to gain a better understanding of the future and much more. Here America's most trusted and admired motivational teacher examines the very foundation of success and self-transformation. Illuminating and life-changing, *Thinking for a Change* is a unique primer not on what to think, but how to best use one of your most precious possessions: your mind.

JumpStart Your Priorities

Smart leaders learn from their own mistakes. Smarter ones learn from others' mistakes—and successes. John C. Maxwell wants to help you become the smartest leader you can be by sharing Chapter 26, *People Will Summarize Your Life In One Sentence-Pick It Now*, of *Leadership Gold* with you. After nearly forty years of leading, Maxwell has mined the gold so you don't have to. Each chapter contains detailed application exercises and a "Mentoring Moment" for leaders who desire to mentor others using the book. Gaining leadership insight is a lot like mining for gold. You don't set out to look for the dirt. You look for the nuggets. You'll find them here.

Running with the Giants

Discusses eight fundamentals needed for leadership, including attitude, relationships, mentoring, and more.

The Winning Attitude

Too often, people drift through life with a feeling of frustration, longing to find some adventure or purpose in life, envious of those whose lives seem exciting. In *WRITE IT DOWN, MAKE IT HAPPEN*, Henriette Anne Klauser shows you how to write your own lifescipt. Simply writing down your goals in life is the first step towards achieving them. The 'writing it down' part is not about time management; it is not a 'to-do today' list that will make you feel guilty if you don't get everything done. Rather, writing it down is about clearing your head, identifying what you want and setting your intent. You can 'make it happen' purely by believing in the possibility. In *WRITE IT DOWN, MAKE IT HAPPEN*, there are stories from ordinary people who witnessed miracles large and small unfold in their lives after they performed the basic act of putting their goals on paper.

Don't Manage Your Time-Manage Your Life

Great leadership is built on great relationships! Leadership is a relationship-intensive endeavor. If your people skills aren't strong, neither will be your leadership. "If people aren't following you," sums up New York Times and Business Week best-selling author Dr. John C. Maxwell, "then you're not really leading." In *Relationships 101*, Maxwell provides time-tested principles for developing healthy relationships with others—inside and outside of your organization—such as: The fundamentals common to all good relationships How to motivate people by knowing five things everyone has in common How to create a lasting connection with people on your team Why listening skills can be a leader's best friend The crucial factor that creates the foundation of all good relationships The most

important relationship for any person's success Winning in every area of life comes from winning with people. Improve your leadership and life with Relationships 101!

Your Road Map For Success

Leaders need encouragement too, and who better to send it than the leader of leaders! Applauded as one of the world's most popular leadership experts, John Maxwell brings many of his winning concepts and scriptural meditations into a daily devotional/journal format, designed specifically for leaders. Each devotional is delivered with John's trademark style of confidence and clarity, followed by space for writing personal reflection. Included are a host of relevant topics including success, stewardship, teamwork, and mentoring—all topics that ring true to every leader's heart.

Sometimes You Win--Sometimes You Learn for Teens

The Greatest Story Ever Told

The revised edition of the Blackabys' "Experiencing God" encourages business and church leaders alike to follow God's biblical design for organizational success.

The Leader's Greatest Return

The Bottom Line on Success Most of us are eager to achieve success in life. But are we really sure what actions yield true, lasting success? Do you KNOW that you're taking steps in the right direction? Success is different for every person. But the principles for the journey don't change. In Success 101, John Maxwell distills success down to its essential components. In this short and easy-to-read volume, he shows you exactly what success looks like. He also offers specific steps you can take and ways you can overcome obstacles that might otherwise keep you from achieving success. Success breeds success—in you, in those closest to you, and in everyone you lead.

Leadershift Workbook

Every day millions of people with high potential are frustrated and held back by incompetent leaders. New York Times bestselling leadership author John C. Maxwell knows this because the number one question he gets asked is about how to lead when the boss isn't a good leader. You don't have to be trapped in your work situation. In this book, adapted from the million-selling *The 360-Degree Leader*, Maxwell unveils the keys to successfully navigating the challenges of working for a bad boss. Maxwell teaches how to position yourself for current and future success, take the high road with a poor leader, avoid common pitfalls, work well with teammates, and develop influence wherever you find yourself. Practicing the principles taught in this book will result in endless opportunities—for your organization, your career, and your life. You can learn how to lead when your boss can't (or won't).

Relationships 101

Learn to Lead?not just for yourself, but for the people who follow you. For countless readers around the world, his name is synonymous with leadership. And for more than two million organizational leaders, the wisdom of John C. Maxwell has ignited learning, growth, and lasting change. Now, for the first time, that wisdom has been distilled into a single and powerful volume. The Maxwell Daily Reader draws its unique power from an ageless truth: the heart of leadership is created through actions, put into practice one day at a time. Inside, each day's message will equip you with the inspiration and advice to unlock every bit of your leadership potential.

Be A People Person

Using insights from the Bible, dynamic pastor and motivational speaker Maxwell gives detailed steps for developing the attitude of mind which brings peace, courage, and success--to help turn problems into opportunities.

You Are Worth It

#1 New York Times bestselling author John C. Maxwell believes that any setback, whether professional or personal, can be turned into a step forward when you possess the right tools to turn a loss into a gain. Drawing on nearly fifty years of leadership experience, Dr. Maxwell provides a roadmap for winning by examining the eleven elements that constitute the DNA of learners who succeed in the face of problems, failure, and losses. 1. Humility - The Spirit of Learning 2. Reality - The Foundation of Learning 3. Responsibility - The First Step of Learning 4. Improvement - The Focus of Learning 5. Hope - The Motivation of Learning 6. Teachability - The Pathway of Learning 7. Adversity - The Catalyst of Learning 8. Problems - The Opportunities of Learning 9. Bad Experiences - The Perspective for Learning 10. Change - The Price of Learning 11. Maturity - The Value of Learning Learning is not easy during down times, it takes discipline to do the right thing when something goes wrong. As John Maxwell often points out--experience isn't the best teacher; evaluated experience is.

People Will Summarize Your Life in One Sentence-Pick It Now

Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's Laws series (following the 2-million seller The 21 Irrefutable Laws of Leadership and The 17 Indisputable Laws of Teamwork) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."

Everyone Communicates, Few Connect

#1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.

A Leader's Heart

Being a leader means working with people, and that's not always easy! Whether in your office, church, neighborhood, or elsewhere, your interpersonal relationships can make or break you as a leader. That's why it's so important to be a "people person" and develop your skills in tapping that most precious of all resources: people. In this powerful book, America's leadership expert John Maxwell helps you: discover and develop the qualities of an effective "people person" improve your relationships in every area of life understand and help difficult people overcome differences and personality traits that can cause friction inspire others to excellence and success Loaded with life-enriching, life-changing principles for relating positively and powerfully with your family, friends, colleague, and clients, Be a People Person is certain to help you bring out the best in others—and that's what effective leadership is all about.

Failing Forward

Maxwell helps readers recognize opportunities for making better decisions in 16 key aspects of life, such as "Attitude is a Choice" and "Character is a Choice." Other topics include commitment, communication, courage, power, initiative, and morality.

How to Lead When Your Boss Can't (or Won't)

Do you dream big? Now you can put your dream to the test and bring it to life! What's the difference between a dreamer and someone who achieves a dream? According to best-selling author Dr. John Maxwell, the answer lies in answering ten powerful, yet straightforward, questions. Whether you've lost sight of an old dream or you are searching for a new one within you, Put Your Dream to the Test provides a step-by-step action plan that you can start using today to see, own, and reach your dream. Dr. Maxwell draws on his forty years of mentoring experience to expertly guide you through the ten questions required of every successful dreamer. "It's one thing to have a dream. It's another to do the things needed to achieve it," says Maxwell. "If you're willing to put your dream to the test?and do what's needed to answer yes to the ten dream questions?then your odds are very good for seeing your dream become reality." Don't leave your dream to chance. This book is a must-have and can make the difference between failure and success.

Intentional Living

In 1976, John Maxwell was excited to receive a book as a gift. The title: The Greatest Story Ever Told. Imagine his shock when he opened it to find all the pages blank-except for a note from the giver that said, "John, your life is before you. Fill these pages with kind acts, good thoughts, and matters of your heart. Write a great story with your life." This was John's invitation to become proactive in writing his own life story. And it marked him. Now John extends that same offer to you and people you care about. It's time to become intentional about writing your own story of significance. Developing the Leader Within You 2.0

In this thoroughly revised and updated 25th-anniversary edition of his now-classic work, John C. Maxwell reveals how to develop the vision, value, influence, and motivation required of successful leaders. Twenty-five years ago, John Maxwell

published the book that forever transformed how we think about leadership. *Developing the Leader Within You* revolutionized the way leaders are made and in the process sold more than one million copies. Now John Maxwell returns to his classic text to include the leadership insights and practices he's learned in the decades since the book first appeared. Thoroughly revised and with two completely new chapters, this new edition updates the foundational principles for transformative leadership that Maxwell has used as a leader for more than 40 years. No matter what arena you are called to--family, church, business, nonprofit--the principles Maxwell shares will positively impact your own life and the lives of those around you. New readers as well as longtime fans of Maxwell and the original book won't want to miss out on this one.

Thinking for a Change

New York Times best-selling author John C. Maxwell shows that talent is just the starting point for a successful impact in any organization. It's what takes you beyond your talent that matters. People everywhere are proving him right. Read the headlines, watch the highlights, or just step out your front door: Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make—not merely the skills they inherit—propel them to greatness. Among other truths, successful people know that: Belief lifts your talent. Initiative activates your talent. Focus directs your talent. Preparation positions your talent. Practice sharpens your talent. Perseverance sustains your talent. Character protects your talent. . . . and more! It's what you add to your talent that makes the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams. You can have talent alone and fall short of your potential. Or you can go beyond talent and really stand out.
