Earplug Adventures: Interlude Upon Mars (Volume 1)

When time storms bring havoc to the Museum of Future Technology, and a volcano erupts in the foyer, the earplug inhabitants figure that it's time to get the hell out of there. But the only avenue of escape means going off-world: to Mars!

CWNA Guide to Wireless LANs

CWNA GUIDE TO WIRELESS LANS, 3rd Edition provides students with the conceptual knowledge and hands-on skills needed to work with wireless technology in a network administration environment as well as pass the Certified Wireless Network Administrator (CWNA) exam. The text covers fundamental topics, such as planning, designing, installing, securing, and configuring wireless LANs. It also details common wireless LAN uses including maintenance, security, and business applications. The third edition is designed around the latest version of the CWNA exam, as well as the new IEEE 802.11 standard, making CWNA GUIDE TO WIRELESS LANS the practical guide that prepares students for real-world wireless networking. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
