But Annie and Eric haven't been gone for very long when Annie believes that she is being contacted by aliens, who have a terrible warning for her. George joins her in the US to help her with her quest—and before he knows it, he, Annie, Cosmos, and Annie's annoying cousin Emmett have been swept up in a cosmic treasure hunt, spanning the whole galaxy and beyond. Lucy Hawking's own experiences in zero-gravity flight and interviews with astronauts at Cape Kennedy and the Johnson Space Center lend the book a sense of realism and excitement that is sure to fire up imaginations. Discover how the joy of giving can make your life richer, starting today. Bestselling author Randy Alcorn introduced readers to a revolution in material freedom and radical generosity with the release of the original *The Treasure Principle* in 2001. Now the revision to the compact, perennial bestseller includes a provocative new concluding chapter depicting God asking a believer questions about his stewardship over material resources. Jesus spent more time talking about money and possessions than about heaven and hell combined. But too often we've overlooked or misunderstood his most profound teaching on this topic, from his words in Matthew 6. Jesus offers us life-changing investment advice. He actually wants us to store up treasures for ourselves—just not here on earth. Instead, he urges us to store our treasure in heaven, where they will await us, and last forever. We can't take it with us—but we can send it on ahead! Readers are moved from the realms

of thoughtful Bible exposition into the highly personal arena of everyday life. Because when Jesus told His followers to “lay up for yourselves treasures in heaven,” He intended that they discover an astounding secret: how joyful giving brings God maximum glory and His children maximum pleasure. In *The Treasure Principle*, you’ll unearth a radical teaching of Jesus—a secret wrapped up in giving. Once you discover this secret, life will never look the same. And you won’t want it to be. “Supercharged with stunning, divine truth! Lightning struck over and over as I read it.” - John Piper, Senior Pastor, Bethlehem Baptist Church, Minneapolis

Let's Treasure Our Planet - Earth's Cleanliness Campaign

Randy Alcorn, best-selling author of *The Treasure Principle*, makes a clear, compelling case for an underemphasized scriptural principle: that believers will receive differing rewards in heaven depending on their actions and choices here on earth. Taken mainly from excerpts of *Money, Possessions, and Eternity*, *The Law of Rewards* shows how our faith determines our eternal destination but our behavior determines our eternal rewards. *The Law of Rewards* is published in association with Generous Giving, Inc., a ministry of The Maclellan Foundation, which offers practical tools and events designed to transform hearts and minds for revolutionary generosity.

Treasures of Heaven in the Stuff of Earth

In this lesson we will be addressing what demonic strongholds are, and how to pull them down or remove them. To get clarity of what a stronghold is, we will examine it based on the Greek definition. The Greek word for “stronghold” is “ochuroma” (pronounced okh-oo-ro-mah), meaning to fortify, through the idea of holding safely; a castle, stronghold.

What are They Saying about Luke?

This book interprets the wisdom of Jesus' sayings in the gospels in words and images. McCollough examines Jesus' wisdom in the context of the political and economic world of the Roman Empire and then applies it to our own time for both personal growth and social action. Original works of art by McCollough illustrate the texts of these sayings and can be used in private reflection, worship, and educational settings. In addition, readers may use the images for newsletters, church bulletins, and program announcements. A DVD with color images of many more illustrations of the book is available from the author. The short wisdom sayings of Jesus are almost always interpreted as private or interpersonal instruction and ignore the political/economic context of his time. The result is often sentimental piety or otherworldly speculation. Yet it is hard to imagine that Jesus and his followers were blind to the tyranny of Rome and the economic exploitation of a tiny minority over the vast majority of people living desperate lives in the Roman colonies. This book uses the insights of formerly colonized Bible readers in the non-Western world to understand the postcolonial meanings of Jesus' time and our own.
