Before buying, please note that this is not an official Red Dead Redemption 2 Game Guide. This is a collection of Tips, Tricks and Hints that we found in the game. Red Dead Redemption 2 is the second part of the third-person adventure action game Red Dead Redemption, which takes place in the Wild West. The events of the game are a kind of background to the original Red Dead Redemption, and will tell, in particular, about the past of John Marston. Players will find an incredibly well-developed huge and lively world in which NPCs live their lives and respond to all player actions. For example, a casual skirmish with some people can turn into a real vendetta, especially if the players killed a famous character. As in GTA V, in Red Dead Redemption 2 there is a multiplayer mode, on which developers make a serious bet. Players can access a huge map with a large number of different activities that you can perform. Among these activities are robberies similar to those in GTA V, only in the setting of the Wild West.
