UPSC IAS Prelims Paper 1 & 2 General Studies 10 Year-wise Solved Papers (2020 - 11) 2nd Edition

IBPS Bank Clerk Guide for Preliminary & Main Exams 9th Edition

Report by the Comptroller and Auditor General

Challenge and Strategy

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party

politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

The book is useful for various exams such as SSC, Banking,

Railways, UPSC, Defence etc.

The Mega Yearbook 2020 for Competitive Exams - 5th Edition

The first-ever autobiography written by an Indian prime minister. Only once in a lifetime comes a book that simply must be read! An absorbing, authentic and definitive account, by a former prime minister, of crucial events that had a significant impact on the nation's destiny after independence. I K Gujral has penned his life story in a forthright and candid manner. He entered the political fray as a freedom fighter in the British era, and after the tumultuous events that rocked the Indian subcontinent in the wake of the partition in August 1947, crossed over from Pakistan to India, where he had to begin life from scratch. Despite facing tremendous odds, on the basis of his perseverance, resilience and never-say-die attitude, Gujral's achievements allowed him to witness and shape India's contemporary history. Gujral joined Congress Party and was first elected to the Rajya Sabha in 1964. He was the Information and Broadcasting Minister when emergency was imposed, which entailed arbitrary press censorship. Since he refused to bow down to the de facto powers, he was unceremoniously replaced and later sent by Indira Gandhi as India's ambassador to the USSR, a post he handled with commendable tact and finesse. After his stint in Moscow, he returned to India and re-entered the 'political whirlpool' by joining the Janata Dal. He became minister for external affairs under V P Singh (1989) and Deve Gowda (1996). Gujral reached the

pinnacle of his career when he became the prime minister on 1997. During his priministership, despite the exigencies and pressures of running a coalition government, he endeavoured to achieve progress in many spheres. The Gujral Doctrine (a set of five principles to guide the conduct of foreign relations with India's immediate neighbours) was widely acclaimed in both India and the West. This volume, a valuable addition to the literature on contemporary history, provides a deep insight into the political scene as it unfolded after independence and delineates the roles played by a wide spectrum of politicians, bureaucrats, and many others.

The Indian Evidence Act (I. of 1872)

India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant

effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma. This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.

India's Struggle for Independence

UPSC New Syllabus & Tips to Crack IAS Preliminary and Mains Exam with Rapid GK 2019 ebook is the revised 3rd edition of the syllabus book for undergraduate STUDENTS taking up the UPSC examinations for recruitment into the Indian Administrative Services (IAS). The book also provides tips & techniques to crack the IAS exams with special focus on Subject-wise planning for the Prelim Exam. The book contains the details of each and every subject topic which is relevant to the IAS Preliminary and Mains examination. The book will update the aspirants on the latest changes in the syllabus of the Preliminary and Mains exams. It is an important handy tool for the aspirants which they can refer throughout their preparation.

7 Years UPSC IAS/ IPS Mains General Studies Papers 1 - 4 Year-wise Solved (2013 - 2019)

The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the complex and rapidly evolving 21st century world. Challenge and Strategy: Rethinking India's Foreign Policy focuses on India's immediate and strategic neighbourhood. It also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique

feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.
