Fundamentals of Business Law

Cases and Materials on Water Law, steeped in water history, honors its distinguished author lineage by maintaining the book's longstanding tradition of focused instruction on property rights in water, covering appropriative and riparian principles, groundwater, interstate allocation, and federal-state relations. The Tenth Edition integrates these principles into today's regulatory framework, addressing the need for sustainable management and increased protection of the environment and public rights. The new edition is reorganized to prioritize student learning, with fewer and more focused notes and several new principal cases.

Instructor's Manual/test Bank

"The new edition contains added materials on complex litigation and conflicts in cyberspace, federal state conflicts and the extraterritorial reach of the Constitution, incorporating recently decided Supreme Court cases. In addition, there is expanded treatment of recent family law issues, including: interstate dissolution, child custody, adoption and same-sex couples. This edition continues the tradition of organizing the teaching of conflicts around the broad themes reflected in different intellectual approaches to the problem."--Publisher's website.

Business Law and the Regulation of Business

Money, Banking and Financial Markets

In this timely new edition, distinguished authors Dukeminier and Johanson build on the success of their phenomenally popular casebook *Wills, Trusts, and Estates* with new coverage of non-traditional family arrangements, living wills, and much more. The authors blend cases selected for human interest as well as teaching value with provocative hypotheticals, cartoons, photographs, and other illustrations to comprehensively cover this area in a very lively, readable manner. Organized logically, the book begins with estate planning and its limitations, moves to wills and will substitutes, progresses to trusts, and concludes with a chapter on taxation. New topic coverage includes: babies inadvertently swapped in hospitals, surrogate mothers, lesbian adoption, and artificial insemination (including children conceived after sperm donor's death) living wills and powers of attorney for health care, including the Cruzan case and The Uniform Health Care Decisions Act a new chapter combining mental capacity and undue influence, which features the Seward Johnson will contest and related preventive lawyering issues shortened, more teachable chapters on future interests and perpetuities latest changes To The Uniform Probate Code a completely revised and reorganized trustee administration chapter Like its predecessors, this book is a lively, flexible, and understandable teaching tool that is accompanied by a detailed and witty Teacher's Manual, which is regarded as the best in the field.

Business Law Today: Comprehensive: Text and Cases

Today, no business is purely domestic. Even the smallest local firms are affected by global competition and world events. INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 10E provides complete, inviting coverage of the legal implications and ramifications of doing business internationally. Readers examine the cultural, political, economic, and ethical issues that today's global business managers face. With a focus on trade, the licensing of intellectual property, and foreign direct investment, this edition examines the three major forms of doing business in a foreign country. Real examples, precedent-setting cases, managerial implications, and ethical considerations further emphasize key principles. From the legal relationship between parties in an international business transaction to managing risk to the special challenges of conducting business in emerging economies, readers review the most common practices and critical issues in global business law. Criminal Law and Its Processes

In the age of American mass incarceration, a complex legal regime governs prison conditions and presents a host of controversial questions at the intersection of constitutional liberty, statutory interpretation, administrative regulation, and public policy. This is a completely overhauled, re-titled, and much-expanded version of the leading casebook about incarceration. It addresses both pretrial and post-conviction incarceration, presenting Supreme Court and leading lower court case law, statutes, litigation materials, professional standards, academic commentary, and prisoner writing. Topics include conditions of confinement, civil liberties, particular prisoner populations and relevant legal issues (race and national origin discrimination, the particular issues/law governing treatment of incarcerated women, LGBTQ people, and people with disabilities). Litigated remedies (injunctive litigation, damages, the Prison Litigation Reform Act, and criminal prosecution of prison staff), are also covered in detail, as is non-litigation oversight. The casebook is supplemented by an open-access website that offers additional resources and sources for further reading.
