A Tonalist

The game is once again afoot in this thrilling mystery from the bestselling author of *The House of Silk*, sanctioned by the Conan Doyle estate, which explores what really happened when Sherlock Holmes and his arch nemesis Professor Moriarty tumbled to their doom at the Reichenbach Falls. Internationally bestselling author Anthony Horowitz's nail-biting new novel plunges us back into the dark and complex world of detective Sherlock Holmes and Moriarty—dubbed the “Napoleon of crime” by Holmes—in the aftermath of their fateful struggle at the Reichenbach Falls. Days after the encounter at the Swiss waterfall, Pinkerton detective agent Frederick Chase arrives in Europe from New York. Moriarty's death has left an immediate, poisonous vacuum in the criminal underworld, and there is no shortage of candidates to take his place—including one particularly fiendish criminal mastermind. Chase and Scotland Yard Inspector Athelney Jones, a devoted student of Holmes's methods of investigation and deduction originally introduced by Conan Doyle in “The Sign of Four”, must forge a path through the darkest corners of England's capital—from the elegant squares of Mayfair to the shadowy wharfs and alleyways of the London Docks—in pursuit of this sinister figure, a man much feared but seldom seen, who is determined to stake his claim as Moriarty's successor. A riveting, deeply atmospheric tale of murder and menace from one of the only writers to earn the seal of approval from Conan Doyle's estate, Moriarty breathes life into Holmes's dark and fascinating world.

Nine Perfect Strangers now on sale “Here's the best news you've heard all year: Not a single page disappoints. The only difficulty with *Truly Madly Guilty*? Putting it down.” —Miami Herald “Captivating, suspenseful tantalizing.” —People Magazine The new novel from Liane Moriarty, the #1 New York Times bestselling author of *The Husband's Secret*, *Big Little Lies*, and *What Alice Forgot*, about how sometimes we don't appreciate how extraordinary our ordinary lives are until it's too late. Six responsible adults. Three cute kids. One small dog. It's just a normal weekend. What could possibly go wrong? In *Truly Madly Guilty*, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families. Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there's anything they can count on, it's each other. Clementine and Erika are each other's oldest friends. A single look between them can convey an entire conversation. But theirs is a complicated relationship, so when Erika mentions a last minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don't hesitate. Having Tiffany and Vid's larger than life personalities there will be a welcome respite. Two months later, it won't stop raining, and Clementine and Sam can't stop asking themselves the question: What if we hadn't gone? In *Truly Madly Guilty*, Liane Moriarty takes on the foundations of our lives: marriage, sex, parenthood, and friendship. She shows how guilt can expose the fault lines in the most seemingly strong relationships, how what we don't say can be more powerful than what we do, and how sometimes it is the most innocent of moments that can do the greatest harm.

She hates her job as counselor at the dorm, and she longs for the home that no longer exists. When the water began to encroach closer to their hotel, they began to run, but in an instant, water engulfed them, Sonali was separated from her family, and all was lost. A Rogue by Any Other Name

"Shannan's story feels at once familiar and spectacular, ordinary and exceptional. You will discover that at the same time her words make you squirm, you will wish you lived next door to her. You will want her wisdom and you will want her pickles." —Jen Hatmaker (from the foreword) Shannan Martin had the perfect life: a cute farmhouse on six rambling acres, a loving husband, three adorable kids, money, friends, a close-knit church—a safe, happy existence. But when the bottom dropped out through a series of shocking changes and ordinary inconveniences, the Martins followed God's call to something radically different: a small house on the other side of the urban tracks, a shoestring income, a challenged public school, and the harshness of a county jail (where her husband is now chaplain). And yet the family's plunge from "safety" was the best thing that could have happened to them. Falling Free charts their pilgrimage from the self-focused wisdom of the

world to the topsy-turvy life of God's more being found in less. Martin's practical, sweetly subversive book invites us to rethink assumptions about faith and the good life, push past insecurity and fear, and look beyond comfortable, middle-class Christianity toward a deeper, richer, and ultimately more fulfilling life.

Poetry. In this NUDE MEMOIR -- a roving gallery of nude torsos, nude cadaver toes, nude female lover and dead male lover, nude bride undoing God's and Duchamp's imposed abstract nakedness -- a woman is born. She is born of words formed when 'a sex (is) offered to a face.' She is terrible and she is wonderful. She is film noir married to Baroque. She is sentences, magnificence, lust. She is an edifice of loss amaterializing and de-materializing on a line between poetry and prose that Laura Moriarty casts with the hand of a magician. I, too, dream of stripping bare this figure that the poet has so gorgeously decked out, to get to the heart of her namelessness. NUDE MEMOIR is an entrancing work of love, mourning, and resistance by a major poet -- Gail Scott.

The Retreat

New York Times bestselling author Laura Lippman plunges Baltimore private investigator Tess Monaghan into a twisted and disturbing case. Tess Monaghan has encountered almost every possible criminal motive throughout her career: greed, revenge, jealousy, rage. Found not guilty by reason of insanity, she fled the country, leaving her two daughters with their father. Twelve years later, she's back in Baltimore, and Tess is asked to provide security detail while Melisandre films a documentary about her attempts to reconcile with her now teenaged children. Tess, juggling work with caring for her demanding toddler, is uneasy about the case. Still, Melisandre's lawyer is family. And there is something about the woman herself—confident, beautiful, shrewdly intelligent—that draws Tess in. Is she a master manipulator or someone who was driven to temporary madness? Cold and

calculating, or a mother concerned for her daughters' well being? Someone is leaving Melisandre enigmatic, threatening notes. Soon Tess, insecure about her parenting abilities and receiving cryptic messages of her own, isn't sure whether she should be protecting Melisandre from harm—or protecting everyone else from Melisandre. When Melisandre becomes the prime suspect in a murder, Tess must uncover the truth. Doing so will mean confronting her deepest beliefs about what separates good parents from bad, madness from sanity, and what lengths even the most rational person will go to, to protect what they cherish most.

Living with her single mother in a small apartment, Evelyn Bucknow is a young girl wincing her way through adolescence. With a voice that is as charming as it is recognizable, Evelyn immerses the reader in the dramas of an entire community. The people of Kerrville, stuck at once in the middle of nowhere but also at the center of everything, are the source from which Moriarty draws on universal dilemmas of love and belief to render a story that grows in emotional intensity until it lifts the reader to heights achieved only by the finest of fiction.

Happy and You Know It

Love is awkward, as fans of Rainbow Rowell and E. Lockhart well know. Funny and heartbreaking in equal measure, this grocery store romance was a Morris Award Finalist for Best YA debut. "Smart, honest and full of achingly real characters. And it made me laugh. What else would you want in a book?" —Melina Marchetta, Printz Award-winning author From the moment Amelia sets eyes on Chris, she is a goner. Lost. Sunk. Head over heels infatuated with him. It's problematic, since Chris, 21, is a sophisticated university student, while Amelia, 15, is 15. Amelia isn't stupid. She knows it's not gonna happen. So she plays it cool around Chris—at least, as cool as she can. Working checkout together at the local supermarket, they strike up a friendship: swapping life stories, bantering about everything from classic books to B movies, and cataloging the many injustices of growing up. As time goes on, Amelia's crush doesn't seem so one-sided anymore. But if Chris likes her back, what then? Can two people in such different places in life really be together? Through a year of befuddling firsts—first love, first job, first party, and first hangover—debut author Laura Buzo shows how the things that break your heart can still crack you up. "A sweet and scathingly funny love story." —Kirkus, Starred Review From the Hardcover edition.

The Last Anniversary

They were inseparable until an innocent mistake tore them apart. Growing up, Viola and Issy clung to each other in the wake of their mother's eccentricity, as she dragged them from a commune to a tiny Welsh village. They thought the three of them would be together forever. But an innocent mistake one summer set them on drastically different paths. Now in their twenties, Issy is trying to hold together a life as a magazine art director, while Viola is slowly destroying herself, consumed with guilt over the events they unknowingly set into motion as children. When it seems that Viola might never recover, Issy returns to the town they haven't seen in a decade, to face her own demons and see what answers, if any, she can find. A deeply moving, gripping debut, this is a novel about the secrets we carry, and the bonds between twins.
