Hattie Big Sky

Josephine Nordegren is one of three sisters who grew up nearly wild in southwestern Colorado. She has the archery skills of Robin Hood and the curiosity of the Little Mermaid, fascinated by but locked away from the forbidden outside world--a world she's been raised to believe killed her parents. When David Warden, a rancher, brings in a herd much too close to the girls' secret home, her older sister especially is frightened, but Jo is too interested to stay away. David's parents follow soon on his heels, escaping bandits at their ranch. David's father is wounded and needs shelter. Josephine and her sisters have the only cabin on the mountain. Do they risk stepping into the world to help those in need? Or do they remain separated but safe in the peaks of Hope Mountain?

Wild and Precious Life

The sensational Debra Mullins launches a new Victorian Era-set series with *Tempting a Proper Lady*—a wild and passionate romp about a proper wedding planner who join forces with a dashing gentleman to stop the wedding of the year, and the romantic chaos that ensues. Brimming with sensuality and electric sexual tension between the protagonists, Mullins's *Tempting* is a tempting treat indeed, especially if you like the novels of Lorraine Heath and Julie Anne Long.

Land of My Heart

Is she restoring “this old house” or reimagining her future with the man she left behind? Man down. When “Diamond” Jim McCall gambles on a fixer-upper for sentimental reasons, his house of cards implodes – along with his health. Ruby’s ready for a job change but agreeing to become her first crush’s apprentice might be her biggest mistake. She doesn’t doubt they

can “flip” the derelict ranch house and save Summit Construction, but at what cost to her heart? After all, Boone Fielding became the son her father never had when she left for college. Man up. Helping Ruby McCall and her sisters flip Diamond Jim’s “money pit” makes sense financially, but he can’t partner with someone he doesn’t trust – and Boone hasn’t forgotten his last close encounter with Ruby. But every day on the job reminds him of why he fell in love with her in the first place. How is he ever going to let her go when the job is done?

Tempting a Proper Lady

This Newbery Honor winning, New York Times bestseller celebrates the true spirit of independence on the American frontier. For most of her life, sixteen-year-old Hattie Brooks has been shuttled from one distant relative to another. Tired of being Hattie Here-and-There, she summons the courage to leave Iowa and move all by herself to Vida, Montana, to prove up on her late uncle’s homestead claim. Under the big sky, Hattie braves hard weather, hard times, a cantankerous cow, and her own hopeless hand at the cookstove. Her quest to make a home is championed by new neighbors Perilee Mueller, her German husband, and their children. For the first time in her life, Hattie feels part of a family, finding the strength to stand up against Traft Martin’s schemes to buy her out and against increasing pressure to be a “loyal” American at a time when anything—or anyone—German is suspect. Despite daily trials, Hattie continues to work her uncle’s claim until an unforeseen tragedy causes her to search her soul for the real meaning of home. This young pioneer's story is lovingly stitched together from Kirby Larson’s own family history and the sights, sounds, and scents of homesteading life. AN AMERICAN LIBRARY ASSOCIATION BEST BOOK FOR YOUNG ADULTS A SCHOOL LIBRARY JOURNAL BEST BOOK A BOOKLIST EDITORS' CHOICE NAMED TO 13 STATE AWARD LISTS "A marvelous story about courage, loyalty, perseverance, and the meaning of home." --Newbery Award-Winning Author Karen Cushman From the Hardcover edition.

Rodeo Rebel

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision

quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

Sower of Dreams

Wolves were once common throughout North America and Eurasia. But by the early twentieth century, bounties and organized hunts had drastically reduced their numbers. Today, the wolf is returning to its ancestral territories, and the "coywolf"—a smaller, bolder wolf-coyote hybrid—is becoming more common. In *Return of the Wolf*, author Paula Wild gathers first-hand accounts of encounters with wolves and consults with wildlife experts for suggestions on how to minimize conflict, respond to aggressive wolves and coexist with the apex predator. Wild explores the latest theories on how wolves became dogs, the evolving strategies to prevent livestock predation, and why Eurasian wolves seem more aggressive toward humans than their North American cousins. She also addresses the many misconceptions about wolves: for example, that they howl when hungry, kill for pleasure and always live in packs. What is true is that a wolf possesses a howl as unique as a human fingerprint and can trot eight kilometres per hour for most of the day or night in search of prey while using earth's magnetic field to find its way. Some scientists consider wolves' complex social structures and family bonds closer to humans' than those of primates. In a skillful blend of natural history, Indigenous stories and interviews with scientists and conservationists, Wild examines our evolving relationship with wolves and how society's attitudes affect the populations, behaviour and conservation of wolves today. As a highly social, intelligent animal, the wolf is proving adept at navigating the challenges of an ever-changing landscape. But their fate remains uncertain. Wolves are adapting to humans; can humans adapt to wolves?

Into the Wild

The lives of two women -- the sole survivor of an airplane crash and the troubled park ranger leading the rescue mission -- collide in this "gripping," (Vogue) "heart-pounding," (NPR) and "highly original" (LA Times) novel of tough-minded resilience. The sole survivor of a plane crash, seventy-two-year-old Cloris Waldrip is lost and alone in the unforgiving wilderness of Montana's rugged Bitterroot Range, exposed to the elements with no tools beyond her wits and ingenuity. Intertwined with her story is Debra Lewis, a park ranger struggling with addiction and a recent divorce who is galvanized by her new mission to find and rescue Cloris. As Cloris wanders mountain forests and valleys, subsisting on whatever she can scavenge, her hold on life ever more precarious, Ranger Lewis and her motley group of oddball rescuers follow the trail of clues she's left behind. Days stretch into weeks, and hope begins to fade. But with nearly everyone else giving up, Ranger Lewis stays true until the end. Dramatic and morally complex, Kingdomtide is a story of the decency and surprising resilience of ordinary people faced with extraordinary circumstances. In powerful, exquisite prose, debut novelist Rye Curtis delivers an inspiring account of two unforgettable characters whose heroism reminds us that survival is only the beginning. Our Towns

Schoolteacher Harriet Stanton has always believed in happily ever after. Only, the one she thinks she wants forever with is newly married just not to her. But when a mysterious stranger rescues Harriet from an accident, she discovers heroes can be found in the most unlikely places. Newspaper reporter Anthony "Ant" Gordon is a man on a mission. He's determined to find the man who murdered his sister and kidnapped his young nephew, David. The one thing that almost stops him in his tracks? Saving lovely Harriet from a dangerous encounter. Harriet insists on repaying Ant by helping David recover from his ordeal. And David's not the only one enchanted by the patient teacher. Ant has resolved to keep his eyes firmly focused on his business--and firmly off the woman hired to help his nephew. But now, with their lives suddenly on the line, they must decide whether to risk their hearts too. In New York Times bestseller Stormy Montana Sky, Debra Holland returns to the beloved small town of Sweetwater Springs, where love can heal the most wounded of hearts.

The Humane Gardener

The Barons, six tight-knit siblings—loud, daring and loyal—are about to discover that love can be as rough as the rodeo. Bestselling author Donna Alward introduces the exciting Texas Rodeo Barons series with her charming prequel novella, Rodeo Rebel. Back in the ring As the first female bull rider in her circuit, Megan Robertson needs to focus. But all she can think about is her ex, Pax Lantry. Megan knew their paths would cross again—she just wasn't prepared for the effect it would have on her. More surprising than the old heartache is the jolt of pure attraction she still feels for him. Even after five years, Pax has never gotten over Megan. All it takes is seeing her, just once, for him to know that their connection is as strong as ever. But he's committed to his family's ranch and Meg has her own demanding career. It seems as if Pax and Megan have moved on, so why can't they let each other go? Don't miss the first heartwarming novel in the Texas Rodeo Barons series, The Texan's Baby.

The Moonglow Cafe

In Painted Montana Sky, a NOVELLA from the acclaimed Montana Sky Series, USA Today bestselling author Debra Holland brings together two people who have turned their backs on love and relationships. In 1894, Lily Maxwell, aspiring painter, travels to Sweetwater Springs, Montana, with her precious cocker spaniel to work on an artistic project that could launch her career. For years, Lily has denied herself happiness because of her equestrian accident that left her with a damaged hip, a limp, and a sense of unworthiness. Her inability to bear children has kept her from giving her heart to anyone. After rancher Tyler Dunn's wife abandoned him and their son, he wants nothing to do with women. But this new girl in town, with her lovely violet eyes and her wonderful talent, stirs feelings in Tyler. After Tyler rescues Lily's dog from being swept away by the river, Lily develops a friendship with him, the people on his ranch, and his young son, Oliver. Yet the two of them dare not give in to their feelings for each other. Can these lonely souls find their hearts' desires under the majestic Montana Sky? Slow Flowers

*****NATIONAL BEST SELLER***** A vivid, surprising portrait of the civic and economic reinvention taking place in America, town by town and generally out of view of the national media. A realistically positive and provocative view of the country between its coasts. For the last five years, James and Deborah Fallows have been traveling across America in a single-engine prop airplane. Visiting dozens of towns, they have met hundreds of civic leaders, workers, immigrants, educators, environmentalists, artists, public servants, librarians, business people, city planners, students, and entrepreneurs to take the pulse and understand the prospects of places that usually draw notice only after a disaster or during a political campaign. The America they saw is acutely conscious of its problems—from economic dislocation to the opioid scourge—but it is also crafting solutions, with a practical-minded determination at dramatic odds with the bitter paralysis of national politics. At times of dysfunction on a national level, reform possibilities have often arisen from the local level. The Fallows describe America in the middle of one of these creative waves. Their view of the country is as complex and contradictory as America itself, but it also reflects the energy, the generosity and compassion, the dreams, and the determination of many who are in the midst of making things better. *Our Towns* is the story of their journey—and an account of a country busy remaking itself.

WANTED: WIFE, WOMAN TO WORK BESIDE ME ON RANCH IN MONTANA. Aries read the ad Ben McCabe had placed in the paper and prayed the position hadn't been filled. She knew nothing about cooking, ranching, or being a wife for that matter. Aries had been trained by one of Philadelphia's best physicians, her father. Trained, but not board certified; trained but not allowed to practice. She longed to be a practicing physician, but no one wanted a woman doctor. Her father's death, which left her with nothing but gambling debts and a young brother to provide and care for, forced her to put aside her love of medicine. Answering this ad was the only way Aries could think of to provide for herself and her brother. She felt badly about deceiving Ben, but what she didn't know was that Ben had deceived her from the moment she'd read the ad and been sent the money to travel to Montana. There was no turning back. Aries knew that as she heard the clickety-clack of the train taking her closer to a man she knew nothing about and who wanted no part of a woman in his life -- and certainly not a wife.

The Wild Inside

“Andrews’s wonderful Down from the Mountain is deeply informed by personal experience and made all the stronger by his compassion and measured thoughts . . . Welcome and impressive work.” —Barry Lopez The story of a grizzly bear named Millie: her life, death, and cubs, and what they reveal about the changing character of the American West An "ode to wildness and wilderness" (Outside Magazine), Down from the Mountain tells the story of one grizzly in the changing Montana landscape. Millie was cunning, a fiercely protective mother to her cubs. But raising those cubs in the mountains was hard, as the climate warmed and people crowded the valleys. There were obvious dangers, like poachers, and subtle ones, like the corn field that drew her into sure trouble. That trouble is where award-winning writer, farmer, and conservationist Bryce Andrews's story intersects with Millie’s. In this "welcome and impressive work" he shows how this drama is "the core of a major problem in the rural American West—the disagreement between large predatory animals and invasive modern settlers”—an entangled collision where the shrinking wilds force human and bear into ever closer proximity (Barry Lopez).

Wyoming Ghost Stories

In this eloquent plea for compassion and respect for all species, journalist and gardener Nancy Lawson describes why and how to welcome wildlife to our backyards. Through engaging anecdotes and inspired advice, profiles of home gardeners throughout the country, and interviews with scientists and horticulturalists, Lawson applies the broader lessons of ecology to our own outdoor spaces. Detailed chapters address planting for wildlife by choosing native species; providing habitats

that shelter baby animals, as well as birds, bees, and butterflies; creating safe zones in the garden; cohabiting with creatures often regarded as pests; letting nature be your garden designer; and encouraging natural processes and evolution in the garden. The Humane Gardener fills a unique niche in describing simple principles for both attracting wildlife and peacefully resolving conflicts with all the creatures that share our world.

The Cowboy Inherits a Bride

When Sunshine Patterson loses her Chicago home, job and boyfriend in one day, she needs a backup plan, fast. Luckily her Aunt Cecily has provided her with the perfect combination living and restaurant space to start over. Even though the building is located in small town Chance Creek, Montana, Sunshine is certain it's only a matter of time before she's back to take the big city by storm. When she arrives in Chance Creek, however, she gets a surprise. Her restaurant space—and apartment—are occupied by a rival to her inheritance: the incredibly sexy, incredibly wrong for her, Cole Linden. Cole's been struggling to save his family's holdings for far too long. The indoor rifle range he inherited from his father barely pays its rent, but it's all that's keeping his other concerns—two apartment houses—afloat. If he was smart, he'd walk away from all of it and start over, but if he does, several dozen of Chance Creek's inhabitants will find themselves without a home. He thought Cecily meant to leave him the range building in her will. Instead she's set him up in a four-month-long competition with her big-city niece to see who will win the place. A niece whose knockout looks are making it damn hard for him to concentrate on the job at hand. Sunshine can't believe she'll have to open a vegan restaurant in a rifle-range waiting room, and she can't believe she'll have to share her apartment with Cole, either. Cole can't believe his friends are falling over themselves to help Sunshine succeed—and get a date with her. Now the competition is getting hot, but the sparks flying between them are even hotter. Return of the Wolf

A haunting crime novel set in Glacier National Park about a man who finds himself at odds with the dark heart of the

wild—and the even darker heart of human nature. It was a clear night in Glacier National Park. Fourteen-year-old Ted Systead and his father were camping beneath the rugged peaks and starlit skies when something unimaginable happened: a grizzly bear attacked Ted's father and dragged him to his death. Now, twenty years later, as Special Agent for the Department of the Interior, Ted gets called back to investigate a crime that mirrors the horror of that night. Except this time, the victim was tied to a tree before the mauling. Ted teams up with one of the park officers—a man named Monty, whose pleasant exterior masks an all-too-vivid knowledge of the hazardous terrain surrounding them. Residents of the area turn out to be suspicious of outsiders and less than forthcoming. Their intimate connection to the wild forces them to confront nature, and their fellow man, with equal measures of reverence and ruthlessness. As the case progresses with no clear answers, more than human life is at stake—including that of the majestic creature responsible for the attack. Ted's search for the truth ends up leading him deeper into the wilderness than he ever imagined, on the trail of a killer, until he reaches a shocking and unexpected personal conclusion. As intriguing and alluring as bestselling crime novels by C.J. Box, Louise Penny, and William Kent Krueger, as atmospheric and evocative as the nature writing of John Krakauer and Cheryl Strayed, *The Wild Inside* is a gripping debut novel about the perilous, unforgiving intersection between man and nature.

Who Pooped in the Park

Someone is using superstition to cause trouble on the rodeo circuit. An upside down horseshoe made Tabby Swanson's skin crawl, but it wasn't enough to keep her from training her prize horse, Tenterhook, for barrel racing so she could get a sponsorship. When Kasper Dobbs shows up the ranch, she's intrigued and hopeful. The handsome businessman, and former local hockey star, has deep pockets. It doesn't hurt that he's devastatingly handsome and makes her heart pound in her chest more than barrel racing. It almost makes her forget about the strange happenings on the ranch until someone turns up dead, and she and Tenterhook suffer a near fatal accident in competition, threatening her rodeo days forever. Kasper knows Tabby's fall was no accident. Being told you may never compete again is a fate he knows well. He won't let Tabby give up and insists on getting her back into training as soon as he can. But how can he know if whoever caused her accident will try again? He calls the Knight brothers to investigate the mysterious death and strange happens surrounding Tabby in the whole they can catch whoever is responsible before she takes another fall. He wants to believe he's doing it all in the name of business. But he's fallen hard for the cowgirl whose sunshine smile makes him want more than just to ride again. He wants the girl for life!
