For Angelo

Italian billionaire Angelo Valencia used to play by the rules

until life and heartbreak taught him differently. Now, he's a changed man, and instead of shunning his personal darkness, he embraces and revels in it. **There is no room in his life for innocence and sweetness. But then fate strikes, and he meets...her.** *Lane.* A girl with the face of an angel, but whose soul seems as broken and twisted as his--- Everything about Lane makes Angelo want to crush her...play with her...consume her--- But it's an urge Angelo ruthlessly resists. For Lane, he tries to be selfless one last time, pushing her away for her own sake. Because in her eyes, he sees she believes they can have a happy-ever-after. *But they can't.*

The Cinema of Nanni Moretti

What I knew about Alessandro Moretti: he's the sexiest man I've ever seen, he's the most mysterious, sought-after professor in my university, and he's not the type to fall in love with me, his plainest-looking student. What I didn't know about Alessandro Moretti: he's a werewolf...and he may just want me, too. 18-year-old Kassia has decided to confess her love for Professor Alessandro Moretti. She knows she's likely to be dumped, but instead the professor offers her...a bet? Alessandro Moretti has always found Kassia, his extremely shy student, oddly attractive. When she confesses her feelings, he's unable to help himself. For him, it's all a game. After all, Alessandro knows from experience that nothing good can ever happen between a werewolf and a human, especially when one of them is as cynical about love as him. This is a short werewolf romance with a happy-for-now ending.

My Werewolf Professor: Belonging to Alessandro Moretti

What does a girl do when love hurts? She becomes 'Loveless'. My sister, Sasha, says she's in love with Remi Moretti, but there is no way it can be true. I've protected her since we were kids in foster care, so nothing will stop me from rescuing her Except, maybe, the man who answers the door when I arrive at the mansion. Vince Moretti is long, and lean, and impossibly sexy; and he is doing something to me. I'm supposed to be loveless, yet when this man touches me, my body and soul erupt. I used to think that Loveless was the answer, but suddenly, I'm not so sure. What does a boy do when he finds the girl of his dreams? He makes her fall in love. There is a woman standing at the front door of the mansion, and immediately, I know she belongs to me. In fact, Shenique Wilcox is the woman I have been waiting for my entire life. But there is something about her aura. It is angry and closed. It is just like mine. When Shenique reveals a plot to separate my brother from his mate, it does not take much for me to get onboard. Love has hurt us and retribution is in order. But as our undeniable passion waxes stronger, suddenly our objectives become blurred. Now, it is not my brother I wish to defeat. It is Loveless itself. ****READER ALERT**** Loveless can be read as a standalone; but for maximum enjoyment, consider reading Book 1, in the series first - Torn. ****READER ALERT**** This story contains extremely passionate and descriptive sex scenes. Not suitable for readers under the age of 18 years, or those who may be offended by somewhat graphic descriptions of sexual encounters. This story also contains scenes which include expletives. Brooklyn's characters exhibit real emotions and desires, and though she is their creator, she is also very sensitive to their needs and wants, and works in partnership with them to create their unique HEAs.

How Not to Be Seduced by Dukes

For most of his adult life Jamie Matthews was an Alpha. But when his Army unit was captured by the Amity Brethren and he was experimented on, he became an Omega. After struggling to find his way, Jamie is finally happy with his mate, Max Gaines and back home in Lyons, Colorado. However, the Amity Brethren isn't done with Jamie and everyone and everything is suspect when the enemy sets its sights on Jamie's unborn baby. ****The world built for the series contains - Mpreg, omegas, fated mates, knotting, and sexy Alphas who sometimes like it rough**

(Mediterranean Affairs)

In the bible belt of the Deep South, small-town veterinarian Anastasia Brannon hides her magic from all but those closest to her for fear of ridicule. After a red-hot encounter with the new PI in town, it is impossible to deny their attraction. Throwing caution to the wind, she indulges her desires but keeps her secrets close. A man with secrets of his own, Howl Raven uses his feral talents and tracking skills to make a living, doing his best to lay low and hide the curse that haunts him every month. So far, so good until an uncontrollable shift outside the full moon leaves him the victim of a werewolf hunter. When Ana finds him wounded in the woods near her cabin during a storm, she has no choice but to rely on her magic and out her secret to Howl. Racing against time, a werewolf hunter, and nature itself, Ana may be the only one who can banish the wolf from Howl's blood, but at what cost? Author's Note: This book is a previously released prequel which has been extensively revised to include bonus content and a preview of Tempting Taylor. While it does have a fast HEA for Howl and Ana, the arcing storyline of Sam Murphy's murder is left unresolved to be continued in the remaining books. The Art of Claiming an Alpha: My Werewolf Bodyguard (3-in-1 Boxed Set)

This collection of interconnected essays relates the Undead in literature, art and other media to questions concerning gender, race, genre, technology, consumption and social change. A coherent narrative follows Enlightenment studies of the vampire's origins in folklore and folk panics, the sources of vampire fiction, through Romantic incarnations in Byron and Polidori to Le Fanu's Carmilla. Further essays discuss the Undead in the context of Dracula, fin-de-siècle decadence, Nazi Germany and early cinematic treatments. The rise of the sympathetic vampire is charted from Coppola's film, Bram Stoker's Dracula, to Buffy the Vampire Slayer and Twilight. More recent manifestations in novels, TV, Goth subculture, young adult fiction and cinema are dealt with in discussions of True Blood, The Vampire Diaries and much more. Featuring distinguished contributors, including a prominent novelist, and aimed at interdisciplinary scholars or postgraduate students, it will also appeal to aficionados of creative writing and Undead enthusiasts. www.opengravesopenminds.com

Phallic Panic

As the first female alpha in living memory, Terra Wilder already has her hands full bringing old-fashioned uncles and cousins into line. But with a regional gathering of ten clans on the horizon, the shifter will soon be faced with an even more arduous task: holding her own against a lineup of power-hungry pack leaders. Justin Young is the strongest of the opposing alphas, and he also happens to be the handsome but disturbing older brother of Terra's own mate. Justin is far too powerful to vanquish in a pitched battle, so Terra instead opts to trick the alpha into supporting her cause by pretending to be a pack princess on the prowl for a husband. Flirting with a shifter who looks like a dark reflection of her true mate is

no fun, but if Terra doesn't maintain her clan's independence, her male relatives risk being tossed out into the cold while her female cousins are turned into chattel. On the other hand, if Terra succeeds, she might just lose herself --- and her mate --- in the process. Wolf Rampant trilogy: 1. Shiftless 2. Pack Princess 3. Alpha Ascendant

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions

dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories, investigating a plurality of causes.

Pollyanna and the Greek Billionaire - Innocent and Betrayed

Tamsin’s world is turned upside down after her mother’s death. Left to run Wolf Lodge on her own, she must come to terms with her grief and prepare for the spring season. To make matters worse, something is changing inside her. Rafe is the Alpha of the Cascade Pack. The Clan Meet is quickly approaching, and the location needs to be secured. He calls the lodge. A curt woman answers and informs him of her mother’s passing. Before he can respond, she disconnects. Mary never spoke of a daughter. Why would she keep such a secret from the Pack? If Tamsin was born a Shifter, a Blood Rite would be called. Challenge after challenge would take place, and the Alpha left standing would claim her as his. The Meet could quickly turn into a bloodbath. *This series changes POV's.

Can capital be seen? Cartographies of the Absolute surveys the disparate answers to this question offered by artists, film-makers, writers and theorists over the past

few decades. It zones in on the crises of representation that have accompanied the enduring crisis of capitalism, foregrounding the production of new visions and artefacts that wrestle with the vastness, invisibility and complexity of the abstractions that rule our lives.

My Shameful Secret: Voyeur & Stalker

'Phallic Panic is not only an impressive and elegant work of scholarship; it breathes new life into debates around the horror film, illuminating the genre's eerie and unsettling power. Like her groundbreaking *The Monstrous-Feminine*, Creed's new book is destined to become a standard text in the field.' Pam Cook, Professor of European Film and Media, University of Southampton 'Barbara Creed asks the question "what does man want?" and takes us on an exhilarating trip through the Freudian uncanny and horror cinema to provide the answers. This is a lucid and compelling account of male monstrosity which exhumes the uncanny and makes it come to life all over again as something "primal", perverse and chillingly subversive.' Ken Gelder, author of *Reading The Vampire and The Horror Reader* Vampires, werewolves, cannibals and slashers-why do audiences find monsters in movies so terrifying? In *Phallic Panic*, Barbara Creed ranges widely across film, literature and myth, throwing new light on this haunted territory. Looking at classic horror films such as *Frankenstein*, *The Shining* and *Jack the Ripper*, Creed provocatively questions the anxieties, fears and the subversive thrills behind some of the most celebrated monsters. This follow-up to her influential book *The Monstrous-Feminine* is an important and enjoyable read for scholars and students of film, cultural studies, psychoanalysis and the visual arts.

Her Wolf

This book contains two standalone stories and were previously published as *Voyeur* and *Stalker* under a shared pen name. *Voyeur*: Playboy. That's what I think every time I watch him from the library, someone who can never be a part of his world. Every time I see him, it's like he has a different woman in his arms, and it's never platonic. I may be a virgin, but even I know how to read between the lines, and they've got fuck buddies written all over them. *Introvert*. It's my first day as an intern, and I'm determined to stay in the shadows. I like it when nobody looks at me or talks to me. Life is so much better when I'm alone, but then I see him. That man is my boss, and even worse is what those mocking green eyes of his are telling me: He knows I hate him. He knows he terrifies me. But nothing is more horrific than the moment he bends down and whispers to my ear, It's my turn to watch you. *Stalker*: Some people may think I'm stalking him, but I'm not. I just like...observing, and he happens to be my favorite subject. I like to call him Mr. X. It's safer that way, since he's the hottest doctor in town, and I'd turn into a laughingstock in an instant if people find out I have the audacity of even crushing on him - someone wildly successful, heartbreakingly handsome, and so

dangerously charming he can seduce you into doing anything. I've seen it happen one too many times, which is why I know it's better this way. I stalk him when I need to de-stress. Fantasize about all sorts of things, which I then write in my journal. He's my imaginary boyfriend, and that's all he was supposed to be until... The day he suddenly meets my gaze--- Talks to me--- Touches me--- And everything changes.

Wolf Fight

The world has changed. Werewolves have joined celebrities and billionaires in the A-list. Vampire attacks are reported on TV. And everyone wants to know will Estrella Moretti forever remain abandoned by her Fae prince husband? Two years ago, an innocent and very much infatuated Estrella Moretti received a letter from the one and only man she had ever loved. And in this letter, Fae prince Lysander Allard asked her to be his wife. Upon returning from a dangerous mission that nearly cost him his life, Lysander was no longer man or Fae. Instead, he had become something monstrously powerful, a prince with a beast for a soul along with a strange, possessive need to claim and mate with his young and beautiful wife. Estrella was everything Lysander had foreseen her to be and more until he found out that she was only pretending to love him for his throne. Note: Expect this book to be steamy, funny, action-packed just before turning into quite the tearjerker in the end. No cliffhangers, HEA guaranteed!

Witchcraft, Demonology and Magic

Samantha Davis was only looking for a job, but she ended up finding much more. The moment she stepped into the lobby at ASC she knew she belonged there, and the moment Preston Jacobs stepped into her life she knew she'd never be the same. His massive frame towers over her. His presence is intimidating, and he is the sexiest man she's ever seen. He exudes power, and Samantha can't explain the raw animalistic attraction she feels. Sam is determined to push thoughts of the boss out of her mind, but the connection is too powerful. Preston Jacobs is a hard-headed wolf shifter, and as CEO of ASC and leader of his pack, he hasn't had time to worry about people's feelings. Everything changed when he met Samantha. He knew she was his mate the moment he laid eyes on her in the elevator of his building. His thoughts become consumed with taking his mate and marking her, and he's going to pull out all the stops to make her trust him and show her that she is his forever. When members of the pack become rebellious and trouble arises Preston must face a new challenge. Can he convince Samantha to accept her fate as his mate and help him lead the pack? Or will uncertain danger cause her to run away with her tail tucked between her legs?

Scooby-Doo Team-Up (2013-) #54

Jason Christakos is a Greek god, a billionaire, but more than that he's beautiful inside, someone who loves so fiercely and selflessly without expecting anything in return. Jason is the man who saved me from self-destruction, the man who knows all my secrets, and now the man whose broken heart I ache to heal. Jason does not see me as a woman, does not believe I can truly love him, and does not think he is capable of loving any other woman than the one he lost to his brother. In an all-out bid to win his love, I accept Jason's challenge. For him to give me a chance to own his heart, he demands that I do everything he wants, and what he wants is for me to realize that someone out there is better for me. Too late I realize that Jason also thinks someone out there is better for him - but it is not me...and it might never be me.

Blood Rite: The Lost Clan Chronicles 1

She's an impulsive and flirtatious artist. He's a workaholic billionaire and a control freak. A one-night stand is all that should work for the two of them, but all it takes is a single taste to make them realize they want more. 28-year-old Nik Alexandropoulos desires revenge. Furious at Daria's deception, Nik is determined to teach her a lesson she won't ever forget. He would do everything to make the beautiful liar fall in love with him. He would make her believe in a future for them, a damn happy-ever-after, and once she does, it would be Nik's absolute pleasure to destroy her dreams and introduce Daria to the other woman he intends to marry. I need werewolf prince Alejandro Moretti as my bodyguard, but he wants my body in exchange for his services. Calys has two things standing in her way of being alpha of her panther pack. One: she's an adopted human, and two: she's a woman. However, if werewolf royalty Alessandro Moretti agrees to be her Cavaliere, she just might have a shot at being the next pack leader. A good plan, right? Or at least it should be until Calys learns that the infamous playboy werewolf will only fight for her if she agrees to do everything he says in bed.

Jason and Keanne

She's not afraid to run with his wolf. When a poacher killed his mate, Rafe Wyatt lost his future. While the Wahyas of Walker's Run have been pulling him back from the brink, he's certain he won't have another chance at love. That is, until Grace comes to town. Grace Olsen is a woman without roots. That's exactly how she likes it, until a sojourn in a small, close-knit Appalachian community gives her a new vision of what home could be—and so does Rafe. He was supposed to be nothing more than a casual lover, just as wary of commitment as she is. When their raw attraction becomes something deeper, more complex, they could be looking at a new future together. But someone close to them both would rather see Grace dead than let her be with the man—and the wolf—she's grown to love.

Beast of Mine

20-year-old Lilac York doesn't like to talk. She doesn't like to exist outside her books, and she certainly does not like to be involved with the most notorious playboy in uni. But when the gorgeous and arrogant billionaire Nick Christakos asks her to be his friend, she finds herself saying yes, no matter what "friend" could mean to a serial bed-hopper like Nick. There's just something about him that draws her, something that makes her think he wouldn't mind if he learned just how broken she was inside. Nick Christakos is not used to denying himself. But for the sometimes-aloof, sometimes-naive Lilac he strives to make an exception, doing his best to keep his hands off her even though just one blink of her doll-like eyes has him on fire. With Lilac, he's not afraid to show the ugliness in him. When she looks at him, Nick almost believes there's still hope for him to be the man that he used to be. When another man threatens to take Lilac away, Nick is desperate and selfish enough to pretend he's fallen in love with Lilac even though his heart still belongs to the girl who tore him apart.

Mated to the Capo

Emma Gavin writes about werewolves, but that doesn't mean she believes in them-

But since an order was an order Acheron had never been attracted to the shy, sensible sort, but the way the woman so valiantly did her best to resist him resulted in making Ms. Jones the sole exception to the rule. Even so, the billionaire believed it was only a matter of time and skillful negotiation before he could make the little blusher his. Or so he thought. It's another sweet, sexy, angsty read from Marian Tee, so be prepared to laugh, smile, and cry!

Rescued by the Wolf

*This book has been previously published, the author received her rights back, and is now republishing the book*Ashlee Morrison has a secret obsession-with a dark and mysterious male. The only problem is that he's a wolf and she's becoming convinced that she's insane. But Ashlee's wolf is no ordinary canine; he is Tristan Kane, third son in the royal family of the Westervelt Wolf pack. Trapped in his wolf form by his evil father's men, Tristan has desperately sought a way out of predicament and is shocked to find that the sad but beautiful redhead who has come to the wolf cage can not only hear him, but awakens in him the knowledge that she is his mate, the other half of his soul. Ashlee, unaware that she is half wolf-shifter, agrees to accompany Tristan back to his pack in Maine to seek answers to her past and understand her future. But as Tristan and Ashlee grow closer, familial betrayals will threaten to destroy the fragile love they have started to build. With the odds stacked against them, Ashlee and Tristan will either embrace their love to save the Westervelt Wolves or be lost forever to despair.

Cartographies of the Absolute

Calys Adelardi, the princess also known as "the human monster", may only be alpha if she can find a strong, kind warrior to champion her cause. She's determined to marry for the good of her pack, but meeting a playboy werewolf prince makes Calys think twice about her noble priorities. His name is Alejandro Moretti. He's the strongest shifter she's ever met, but he seems prouder of his skills in bed than in battle. When he tells her he'd be her Cavaliere, Calys is overjoyed...until she finds out his offer comes with a price. For every instance he does his duty, Alejandro expects Calys to pay it in his bed, whenever and wherever he wants.

Acheron's Woman

At 34 years old, Rathe Wellesley, a powerful and gorgeous billionaire nobleman, has his life all planned out – or so he thinks until he meets Mary, a lovely but socially awkward genius who is nothing like his future duchess should be. Raised by a crazed and oppressive stepfather, 18-year-old Mary Ashton finds herself swept off her feet by the duke and tossed out of her home for daring to kiss a man before marriage. By choosing to be with Rathe, Mary's life is completely transformed, leading an ordinary life as a college student during the day...and living the glamorous and passionate life as the duke's mistress at night. It's not the life she's dreamt of but the look in Rathe's eyes keeps Mary from leaving. It's a look that tells her maybe, just maybe he could fall in love with her, too.

Curvy 18-year-old Jaiké Hepburn is happiest when she's described as nerdy and boring. Anything is better than the truth until she meets a billionaire heir who makes it impossible to deny her secret and shameful desires. 21-year-old Greek-American playboy Derek Christopoulos is used to living in the limelight, pretending to be the embodiment of a modern-day prince. Throughout his life, he's kept his dark side leashed, knowing that one day, he'll find the girl who'd take pleasure in belonging to him, body and soul. When Jaiké meets Derek, the feelings he arouses in her has Jaiké running scared and into the arms of his greatest rival. But even though she belongs to another man, it's too late. Even if the world thinks she's too young, her heart and body knows the truth. Derek is the Dom she's been waiting for...and feared her whole life.

My Werewolf Professor: 4 in 1 Werewolf College Romance Boxed Set

They met fourteen years ago. She was a seven-year-old girl. He was a seventeen-year-old sheikh. They were not related by blood, and yet a twist of fate had them living as brother and sister. Most people waited a lifetime to find the one meant for them - and they were the lucky ones. But then there were the others, people who never had to wait, people who had just known, soulmates who had found their way to each other before destiny could make up its mind about them--- Just because you knew someone was meant for you didn't make that person yours.
