An account by “the finest travel writer of the last century” of his journey through 1930s Spain in search of an ancestral tomb (The New Yorker). In the 1930s, Norman Lewis and his brother-in-law, Eugene Corvaja, journeyed to Spain to visit the family’s ancestral tomb in Seville. Seventy years later, with evocative and engrossing prose, Lewis recounts the trip, taken on the brink of the Spanish Civil War. Witnesses to the changing political climate and culture, Lewis and Corvaja travel through the countryside from Madrid to Seville by bus, car, train, and on foot, encountering many surprises along the way. Dodging the skirmishes that will later erupt into war, they immerse themselves in the local culture and landscape, marveling at the many enchantments of Spain during this pivotal time in its history.

“An absorbing introduction” to the tribal peoples of India, their ancient traditions, and the remote regions that they inhabit (Kirkus Reviews). In the 1990s, the fifty-four million members of India’s tribal colonies accounted for seven percent of the country’s total population—yet very little about them was recorded. Norman Lewis depicts India’s jungles as being

endangered by “progress,” and his sense of urgency in recording what he can about the country’s distinct tribes results in a compelling and engaging narrative. From the poetic Muria people whose diet includes monkeys, red ants, and crocodiles, to the tranquil mountain tribes who may be related to the Australian Aborigines, to the naked Mundas people who may shoot, with bow and arrow, anyone who laughs in their direction, Lewis chronicles the unique characteristics of the many tribes that find their way of life increasingly threatened by the encroachment of modernity.

The grotesque - the exaggerated, the deformed, the monstrous - has been a well-considered subject for students of comparative literature and art. In a major addition to the literature of art, cultural criticism and feminist studies, Mary Russo re-examines the grotesque in the light of gender, exploring the works of Angela Carter David Cronenberg Bahktin Kristeva Freud Zizek. Mary Russo looks at the portrayal of the grotesque in Western culture and by combining the iconographic and the historical, locates the role of the woman's body in the discourse of the grotesque.

Word Power Made Easy: Getting off to a good start

The acclaimed travel writer recounts six decades of adventures around the globe, from conversations with Hemingway to his war service in North Africa. The consummate gentleman adventurer, writer Norman Lewis spent more than half a century exploring the globe and chronicling the amazing things he found. In *The World, the World*, with his usual literary deftness and narrative skill, Lewis recounts a life spent traveling. Beginning with a life-altering encounter on a train in 1937, Lewis takes us from his eclectic Gordon Street home in London to the far reaches of

Indochina, Vietnam, Guatemala, India, and more. He also documents his time in the British Intelligence Corps, his encounters with the likes of Ernest Hemingway and Ian Fleming, and his publishing experiences with Jonathan Cape. At once witty, insightful, and poignant, *The World, the World* is an essential volume for established Lewis fans and new readers alike.

500 Years of New Words

To the everlasting power of love . . . When Deb, an author and publisher, survives the bomb blasts at Chandni Chowk, he knows his life is nothing short of a miracle. And though he escapes with minor injuries, he is haunted by the images and voices that he heard on that unfortunate day. Even as he recovers, his feet take him to where the blasts took place. From the burnt remains he discovers a diary. It seems to belong to a dead man who was deeply in love with a girl. As he reads the heartbreaking narrative, he knows that this story must never be left incomplete. Thus begins Deb's journey with his girlfriend, Avantika, and his best friend, Shrey, to hand over the diary to the man's beloved. Highly engrossing and powerfully told, *If It's Not Forever . . .* tells an unforgettable tale of love and life.

500 Years of New Words takes you on an exciting journey through the English language from the days before Shakespeare to the first decade of the 21st century. All the main entries are arranged not alphabetically but in chronological order based on the earliest known year that each word was printed or written down. Beginning with "America" in 1507 and spanning the centuries to "Marsiphobiphiliac" in 2004 (a person who would love to go to Mars but is afraid of being marooned there), this book can be opened at any page and the reader will discover a dazzling array of linguistic delights. In other words, this book is unputdownable (the main entry for 1947). If Shakespeare were alive today, he would buy this book.

How to Read Better and Faster

The rapid vocabulary builder created by Norman Lewis, the bestselling author of over 25 books, is a foolproof method of increasing your vocabulary. Without words you cannot communicate, and without communication you cannot survive. This method is the same method you used in early childhood - when you were one year old or younger, you listened. You

practiced. You made errors and corrected them. Instant Word Power aims to establish for you those conditions of early childhood, a time when you learned hundreds, even thousands, of new words every year. You learn by saying words. Nothing puts you so quickly at ease, even with a new word, as hearing it over and over again in your own voice. You learn by spelling words. To conquer the spelling of a new word and thus feel as comfortable with it in your writing as in your speech, learn to look at it, critically noting any peculiarities that are caused by its etymology, the derivation of English words from Greek and Latin roots, prefixes and suffixes. In this book you will learn these roots, prefixes, and suffixes to unlock the meanings of thousands of words. Words are symbols of knowledge, the keys to accurate thinking. Knowledge is gained largely through words.
