Love. Sex. Destiny. And A Six-Foot-Four Psychic In A Bridesmaid's Dress? Honey, You Don't Know Jack. . . Jamie Peters no longer believes in true love. True idiots, true scumbags, true moochers--these she believes in wholeheartedly, and she's got the checkered dating history to prove it. So she's more than a little skeptical when her cross-dressing psychic tells her she's about to meet her soul

mate--during an accident. Yeah, sounds about right. And then it happens. A knight in shining armor steps between her and a mugger on a subway platform. Just a regular, honest, upright Jack. The kind they don't make anymore. . . Jonathon Davidson doesn't believe in destiny--or lying to beautiful women as a rule. But now that Jamie thinks he's just an ordinary guy, how can he possibly tell her that he's really, (A) her roommate's brother, (B) a millionaire to boot, and (C) the jerk who's investigating her application to his grandfather's charitable trust because she may be involved in something illegal? Yeah, rhetorical question. He can't. Not until he knows what's going on. Besides, it would require being able to resist Jamie's luscious curves long enough to say, "Hi, my name is Big Liar. Let's get naked." Sometimes, destiny sucks. . .

Lazy days . . . steamy nights . . . and sweltering guys with rippling muscles doing what they do best . . . Luscious by Lori Foster Bethany Churchill just quit her lousy job, dumped her lousy boyfriend and moved into a new apartment. She's not looking for love, but her hot new landlord is determined to change her mind. SWAT officer Lucius Ryder--known to the women in the building as "Luscious," much to his chagrin--is one sexy lawman, and before long Bethany is tempted to find out if he's really as delicious as his nickname. . . It's About Time by Erin McCarthy County prosecutor Trish Jones has had it with smooth-talking, under-performing suits. And though she's never had a thing for big, brawny guys, one look at Caleb Vancouver's bulges makes her think she might have been missing out. One Harley ride later they're back at her place, and she realizes that she has been missing out . . . on quite a lot . . . Wish You Were Here by Amy Garvey Photographer Mackenzie Pruitt knows exactly what she wants her future to look like, and this summer that means renovating a dilapidated shed into a studio. But when hunky carpenter Leo Dawson shows up, she'd much rather have his capable hands on her than on a hammer. He's not the kind of guy she always thought she'd fall for, but when he touches her, she can't imagine wanting anyone else . . .
